Effective October 18, 2021 (November 30, 2021 for Office of the Attorney General, the Office of the Commissioner of Public Lands and the Department of Natural Resources, the Office of Insurance Commissioner, the Office of the Lieutenant Governor, and the Office of Superintendent of Public Instruction), the Proclamation prohibits state agencies from permitting contractors to engage in work for the agency if the personnel performing the work (including subcontractor personnel) have not been fully vaccinated against COVID-19 as set forth in the Proclamation. The ASP must comply with all provisions of the Proclamation and its amendments and will certify that they have a plan in place to do so prior to lease execution. A Declaration Form will be provided to the ASP, confirming their intent to comply. The agency has identified certain key location features for delivery of their services, including but not limited to the following:

- b. Proposed facilities in proximity to sensitive areas such as schools, daycares, parks, etc. to be evaluated on a site-by-site basis.
- c. Preference of site near county jail, but not a requirement.
- d. Proposed facilities should be within easy walking distance of public transportation routes.

**Building Characteristics:**

- c. A rear building exit with vehicle access will be required.
- d. Secured parking for State vehicles needed.
