Executive Order 12-06 Reporting Form

Describe actions that will be taken to save energy through operational changes and continuous monitoring using Portfolio Manager:

OCIO housed and supported by OFM continues to maintain best practices put in place over the years to use energy efficient small and large appliances, IT equipment, and lighting. The OCIO is located in the General Administration Building which is in great need of many building systems upgrades and envelope repairs. Repair or replacement of this building could further the energy savings needed to reach the goals stated in EO 12-06.
