RE: Project Review Committee Determination
Clark County Fire Protection District 6
GCCM Project Application - Denial

Dear Ms. Maurer:

The Capital Projects Advisory Review Board's Project Review Committee Panel has determined that your application to use GC/CM method does not meet the criteria established in RCW 39.10.270. Based on its review of your application and subsequent interview on November 30, 2017, the Panel offers the following feedback regarding its decision:

1. Did not demonstrate sufficient GC/CM experience
2. Design work is well beyond 30% complete
3. Insufficient Budget contingency

We thank you for your application and presentation and trust this will not deter you from re-applying for future GCCM projects. Please contact Nancy Deakins at (360) 407-9333 if you have any questions regarding this process.

Sincerely
