Re: Public Body GCCM Certification Determination - Approval

Dear Ms. Mooseker:

The Capital Projects Advisory Review Board's Project Review Committee has determined that **Northshore School District** has met the criteria established in RCW 39.10 for public body GC/CM recertification. As of May 26, 2016 **Northshore School District** is authorized to utilize GC/CM contracting procedures.

Northshore School District's certification will extend through May 2019. A re-certification application will need to be submitted to the Project Review Committee at least three months prior to the above noted expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Danelle Bessett, at Danelle.bessett@des.wa.gov

Congratulations on the approval of your application.

Please contact Bill Frare at (360) 407-8239 if you have any questions regarding this process.

Sincerely,
