1. Questions and Answers:

Questions	Answers
Will master plan & rendering be included in forthcoming addendum?	The master plan is 64 pages, so will be provided to the selected firm. The rendering is attached below; see attachment #2.
Please confirm geotechnical study is being prepared including infiltration feasibility & will not be part of the selected firm’s scope of work?	Correct, DES & DVA are working on undergoing this asap from the On-Call. This will be provided to the selected firm.
Confirm a topographic/boundary survey is being prepared for the site & will not be part of the selected firm’s SOW.	Correct, site surveying is currently underway in another project currently underway. Info will be provided to selected firm.
Will as-builts for the site be available for the selected firm?	Yes. DVA has hard copies. The electronic copies are trying to be located. If unsuccessful, we will scan in the hard copies and provide to selected firm.
Are Part II’s the only portion of the response that are required to be in SF330 format? Can resumes and past qualifications be in non-SF330 format?	Yes, resumes & past qualifications can be in a non-SF330 format.

Addendum #01
