RE: Emergency Security Camera Purchase

Green Hill School (GHS) has made an Emergency Purchase for additional security camera coverage for the facility at a cost of \$64,000. There has been an increase of contraband and drugs coming onto the campus in the last several months, as well as a critical incident a month ago which resulted in a resident being airlifted to Harborview. There are many blind spots that have been identified. The cameras will provide additional monitoring to reduce contraband and drug distribution across the campus as well as other activities. This is a health and safety issue for both residents and staff.

Sincerely,

Ross Hunter
Secretary
