

Capitol Campus Design Advisory Committee

February 16, 2017

Legislative Session Update

Purpose: Information

The purpose of this agenda item is to update the Capitol Campus Design Advisory Committee (CCDAC) on the 2017 legislative session. Gabrielle Stilwater, Enterprise Services' Government Relations Specialist, will present the agenda item.

Background

The 2017 Legislative session began on January 9. There are several bills that relate to Enterprise Services' responsibilities, including:

- [House Concurrent Resolution 4400](#) that names the new building at the 1063 block the Helen Sommers Building.
- [House Bill 1852](#) related to enforcement of parking rules and regulations, and adjudication of parking infractions on the State Capitol Grounds.

At the September 15, 2016 CCDAC meeting, the committee unanimously passed a motion recommending the Enterprise Services' Director and State Capitol Committee (SCC) support naming the new office building to the Helen Sommers Building. CCDAC's recommendation will be taken to the SCC at the March 16, 2017 to seek the Committee's support of naming the new building the Helen Sommers Building.

Status

Gabrielle Stilwater will review the [House Concurrent Resolution 4400](#) – Helen Sommers Building and [House Bill 1852](#) – Capitol Grounds Parking Enforcement and the share the bills' current status in the legislative process.

Next Steps

Enterprise Service will:

- At the March 16, 2017 SCC committee meeting, DES will seek the SCC's recommendation to the Legislature that the new building at the 1063 block be named the Helen Sommers Building.
- Update CCDAC at the May 18, 2017 meeting on the status of legislative actions.

The 2017 regular legislative session ends on April 23, 2017, which may be extended by the Legislature.
