Re: Seattle Public Schools
Application for GCCM for the construction of combined schools:

- Wilson Pacific Elementary School
- Wilson Pacific Middle School

Dear PRC Members:

This letter supplements the Seattle District's attached application for GCCM contracting authority for the new Wilson Pacific Elementary and Middle School project. These schools are being planned as a co-located facility with shared program spaces to be constructed simultaneously.

Please find enclosed our application for GCCM dated May 1, 2013. Also included as attachments to the application are:

- Exhibit A – Project Organization Chart
- Exhibit B – Agency's Prior Construction Activity
- Exhibit C - Preliminary Concept Site Plan
- Exhibit D - Andrew Morrison Mural Photos

We appreciate your assistance in this matter. Please feel free to contact our Construction Manager, Brad Tong at SOJ (206) 838-3703 with any questions.

Sincerely,

Lucy Morello
Director of Capital Projects
Seattle Public Schools
Building Excellence Program IV

Signature of Authorized Representative

In submitting this application, you, as the authorized representative of your organization, understand that: (1) the PRC may request additional information about your organization, its construction history, and the proposed project; and (2) your organization is required to submit the information requested by the PRC. You agree to submit this information in a timely manner and understand that failure to do so shall render your application incomplete.

Should the PRC approve your request to use the GC/CM contracting procedure, you also understand that: (1) your organization is required to participate in brief, state-sponsored surveys at the beginning and the end of your approved project; and (2) the data collected in these surveys will be used in a study by the state to evaluate the effectiveness of the GC/CM process. You also agree that your organization will complete these surveys within the time required by CPARB.

I have carefully reviewed the information provided and attest that this is a complete, correct and true application.
