Re: Public Body Project Approval Determination

Dear Ms. Arbour:

The Capital Projects Advisory Review Board's Project Review Committee has determined that Washington State University has met the criteria established in RCW 39.10.280 for public body project approval.

Washington State University is hereby authorized to utilize the Design Build alternative contracting procedure for the Nevada Street Pedestrian Bridge project in Pullman Washington.

Under the terms RCW 39.10.350 you will be required to submit project data to CPARB at the conclusion of the project. Please identify your point of contact for supplying required project data information to CPARB staff person, Danelle Bessett, at danelle.bessett@dshs.wa.gov.

Congratulations on the approval of your application and good luck with your project!

Please contact Bill Phillips at (360) 407-8239 if you have any questions regarding this process.

Sincerely,
