Seattle, WA 98104-2826

**Re: Public Body GC/CM Certification Determination**

Dear Ms. Earl:

The Capital Projects Advisory Review Board's Project Review Committee has determined that Sound Transit has met the criteria established in RCW 39.10 for public body GC/CM certification. As of March 28, 2013 Sound Transit is authorized to utilize GC/CM contracting procedures for projects with a total project cost of ten million dollars or more for a period of three years.

The Sound Transit certification will extend through March 27, 2016. Please submit your application for re-certification to the Project Review Committee at least three months prior to the initial expiration date.

Under the terms of the law you will be required to submit project data to CPARB during any GC/CM project undertaken with this certification. Please identify your point of contact for supplying required project data information to CPARB staff person, Danelle Bessett, at [Danelle.bessett@dshs.wa.gov](mailto:Danelle.bessett@dshs.wa.gov)

Congratulations on the approval of your application.

Please contact Robyn Hofstad at (360) 407-9347 if you have any questions regarding this process.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rick Benner".

Rick Benner, Chair  
Project Review Committee
