Procurement Reform Certification Training Development

Please complete the [follow up questionnaire](#) if you haven't already done so.

A big "thank you" to everyone who responded to the Procurement Training and Certification Program survey. According to the data we received, over 75 percent of purchasing and procurement professionals desire training for fundamental purchasing and procurement training.

A few follow up questions

Given the interest in this program, we have a [few additional questions](#) to help establish the scale of the training program. **Please respond by the close of business on Wednesday, March 5.**

If you feel you are not the correct person to answer the questions on behalf of your agency, please feel free to forward this message to the appropriate individual.

Thank you again for your participation.
