

## **Meeting set Dec. 2 to share proposed guidelines that would support a new managing print operations rule**

The Department of Enterprise Services (DES) is drafting a proposed rule and supporting guidelines for managing print, Chapter 200-380 WAC. The agency would like to share the proposed [Managing Print Guidelines](#) with interested parties.

**DATE:** Dec 2, 2014

**TIME:** 3:00 p.m.

**LOCATION:** 1500 Jefferson Street, Presentation Room, Olympia, WA 98504

This meeting will address the draft guidelines only.

DES has revised its original proposed rule and supporting guidelines after receiving comments on them and determining changes were needed.

We appreciate your valuable feedback as we continue to work toward completion of this process. DES encourages stakeholders to continue to share feedback on the upcoming proposed changes.

For more information, please see Managing State Print Operations on the [Enterprise Services rule making page](#).

If you have questions, please contact DES's Policy and Rules Manager [Jack Zeigler](#), (360) 407-9209.
