**Purpose of the proposal and its anticipated effects, including any changes in existing rules:**

Under HB 2452 (2012), commonly known as Procurement Reform, RCW 43.19.185 was repealed. RCW 43.19.185 mandated the development of credit card systems and rules relating to the use of credit cards by state agencies and departments.

While the development of credit card policies and standards are required under HB 2452, credit card rules are no longer required.

In addition, fully developed and operational credit card systems, controls and policies are in place and widely used and followed by state agencies and departments.

**Reasons supporting proposal:**

Because of this, chapter 200-370 is no longer relevant. This rule change repeals chapter 200-370 WAC.
