The total Term of this Contract shall not be extended beyond June 30, 2013. No change in terms and conditions shall be permitted during these extensions unless specifically agreed to in writing.

2.2. Term of Work Orders

- a) The Term of any Work Order executed pursuant to this Contract shall be set forth in the Work Order.
- b) Work Orders or renewal Work Orders entered into prior to the expiration or other termination of this Master Contract may be completed under the Master Contract terms and conditions in effect when the Work Order or renewal Work Order was entered into.
- c) New Work Orders or renewal Work Orders shall not be entered into after the expiration or other termination of the Master Contract.
- d) Work Orders shall not be renewed for a Term beyond June 30, 2015.

3. Survivorship

- 3.1. All of the terms and conditions contained in this Master Contract shall survive the expiration or other termination of this Contract for so long as any Work Order entered into under this Master Contract is still in effect and shall apply to such Work Order.
- 3.2. The terms, conditions and warranties contained in this Contract that by their sense and context are intended to survive the expiration, cancellation or termination of this Contract shall so survive. In addition, the terms of the Sections titled **Overpayments to Contractor; Ownership/Rights in Data; Access to Data; Contractor Commitments, Warranties and Representations; Protection of Purchaser's Confidential Information; Section Headings, Incorporated Documents and Order of Precedence; Subcontractors; Publicity; Review of Contractor's Records; Patent and Copyright Indemnification; Insurance; Contractor's Proprietary Information; Disputes; Limitation of Liability; DIS Master Contract Administration Fee and Collection; and Activity Reporting** shall survive the termination of this Contract.

Pricing, Invoice and Payment

4. Pricing

- 4.1. Contractor agrees to provide the Services in the categories and at the Prices set forth in the *Price List* attached as Schedule A to this Master Contract. Such Prices may not be increased during the term of this Master Contract. Prices are considered maximum or "ceiling" prices only. On a project by project basis, Contractor may elect to provide Services to Purchaser for performance of a Work Order at a lower Price than that originally established in this Master Contract.
- 4.2. Consideration
 - a) The maximum consideration available to Vendor under this Contract is \$1,000,000.00 (US dollars) for the initial Term, unless amended.
 - b) Consideration for each Second Tier Work Contract will be stated in the Purchaser's Second Tier Work Contract. Purchaser shall make payments on Second Tier Work Contracts to the Vendor consistent with the terms set out in the Second Tier Work Contract. Funding may be federal, state and/or private grant based depending on the specific program requesting staffing
- 4.3. If Contractor reduces its Prices for any of the Services during the Term of this Contract, DIS and Purchasers shall have the immediate benefit of such lower Prices for new purchases. Contractor shall send notice to the DIS Master Contract Administrator with the reduced Prices within fifteen (15) Business Days of the reduction taking effect.

4.4. Purchaser shall reimburse Contractor for travel and other expenses as identified in a Work Order, or as authorized in writing in advance by Purchaser in accordance with the then-current rules and regulations set forth in the *Washington State Administrative and Accounting Manual* (<http://www.ofm.wa.gov/policy/poltoc.htm>). Contractor shall provide a detailed itemization of expenses, including description, amounts and dates, and receipts for amounts of fifty dollars (\$50) or more when requesting reimbursement.

4.5. Economic Price Adjustments

- a) If DIS elects to extend this Contract for an additional one-year period(s) beyond the initial Term, or subsequent renewal period(s), the Contract pricing for the additional one year shall be automatically increased or decreased, as applicable, by DIS by not more than the percentage increase/decrease of the U.S. Department of Labor "Consumer Price Index, US City Average, All Items, Not Seasonally Adjusted" (CPI-U, Series Id: CUUR0000SA0).
- b) The baseline index shall be the index announced for April of the previous year. The allowable percent change shall be calculated by subtracting the baseline index from the index announced for the April in which the renewal option is exercised, and dividing the result by the baseline index. The allowable percent change shall be rounded to the nearest one-hundredth of one percent and shall be the maximum price adjustment permitted. Contractor may offer price decreases in excess of the allowable CPI-U percent change at any time. The following example illustrates the computation of percent change using April 2004 as the Baseline:

CPI-U for April 2005	194.6
Less CPI-U for April 2004 (baseline)	188.0
Equals index point change	6.6
Divided by previous period (baseline) CPI-U	188.0
Equals	0.0351
Results multiplied by 100	0.0351 x 100
Equals percent change	3.51

Example: $(194.6 - 188.0 = 6.6)$ then $(6.6 \div 188.0 = 0.0351 \times 100 = 3.51\%)$

- 4.6. Contractor agrees that all the Prices, terms, warranties, and benefits provided in this Contract are comparable to or better than the terms presently being offered by Contractor to any other governmental entity purchasing the same Services under similar terms. If during the Term of this Contract Contractor shall enter into contracts with any other governmental entity providing greater benefits or more favorable terms than those provided by this Contract, Contractor shall be obligated to provide the same to DIS for subsequent ITPS Program related purchases.
- 4.7. Contractor agrees that Prices provided in this Contract assume that work is performed during Business Days and Hours. Overtime rates are not allowed unless required by state or federal law. Further, Prices are to be considered all-inclusive hourly rates to include all expenses (e.g., overhead, insurance, and administration including but not limited to the DIS

Master Contract Administration Fee outlined in Section 59 below) except travel (see Section 4.4 above).

5. Advance Payment Prohibited

No advance payment shall be made for Services furnished by Contractor pursuant to this Contract.

Such compensation will be in the form of a credit against Contractor's monthly invoice charges to Purchaser by Contractor (a) not billing Purchaser for hours worked during the first ten (10) Business Days replacement personnel begin work, if the method of compensation agreed to in the Work Order is by hourly rates (time and material); or (b) crediting Purchaser an amount not to exceed \$5,000 per person replaced, if the method of compensation agreed to in the Work Order is by deliverables (fixed cost).
 - 17.3. If Purchaser does not accept Contractor's proposed change and Contractor is unable to provide acceptable personnel to Purchaser within ten (10) Business Days after the originally assigned personnel have left, then Purchaser may terminate the Work Order.

28. Independent Status of Contractor

In the performance of this Contract and any Work Order, the parties will be acting in their individual, corporate or governmental capacities and not as agents, employees, partners, joint venturers, or associates of one another. 31. Subcontractors

Contractor may, with prior written permission from Purchaser Work Order Administrator, enter into subcontracts with third parties for its performance of any part of Contractor's duties and obligations. In no event shall the existence of a subcontract operate to release or reduce the liability of Contractor to Purchaser for any breach in the performance of Contractor's duties. For purposes of this Contract and any Work Order, Contractor agrees that all Subcontractors shall be held to be agents of Contractor. Contractor shall be liable for any loss or damage to DIS or Purchasers, including but not limited to personal injury, physical loss, harassment of DIS or Purchaser's employees, or violations of the **Patent and Copyright Indemnification, Protection of Purchaser's Confidential Information, and Ownership/Rights in Data** sections of this Contract or any Work Order occasioned by the acts or omissions of Contractor's Subcontractors, their agents or employees. The **Patent and Copyright Indemnification, Protection of Purchaser's Confidential Information, Ownership/Rights in Data, Publicity and Review of Contractor's Records** sections of this Contract and any Work Order shall apply to all Subcontractors.

32. Assignment

- 32.1. With the prior written consent of DIS, which consent shall not be unreasonably withheld, Contractor may assign this Contract including the proceeds hereof, provided that such assignment shall not operate to relieve Contractor of any of its duties and obligations hereunder, nor shall such assignment affect any remedies available to DIS or Purchasers that may arise from any breach of the sections of this Contract, or warranties made herein or any Work Order including but not limited to, rights of setoff.
- 32.2. DIS may assign this Contract to any public agency, commission, board, or the like, within the political boundaries of the state of Washington, provided that such assignment shall not operate to relieve Purchaser of any of its duties and obligations hereunder.

33. Publicity

- 33.1. The execution of this Contract or any Work Order with Contractor is not in any way an endorsement of Contractor or Contractor's Services by DIS or Purchaser, as applicable, and shall not be so construed by Contractor in any advertising or other publicity materials.
- 33.2. Contractor agrees to submit to DIS or Purchaser, as applicable, all advertising, sales promotion, and other publicity materials relating to this Contract and Services furnished by Contractor wherein DIS or Purchaser's name is mentioned, language is used, or Internet links are provided from which the connection of DIS or Purchaser's name therewith may, in DIS or Purchaser's judgment, be inferred or implied. 34. Review of Contractor's Records

- 34.1. Contractor and its Subcontractors shall maintain books, records, documents and other evidence relating to this Contract, including but not limited to Minority and Women's Business Enterprise participation, protection and use of Purchaser's Confidential

- 34.4. It is agreed that books, records, documents, and other evidence of accounting procedures and practices related to Contractor's cost structure, including overhead, general and administrative expenses, and profit factors shall be excluded from Purchaser's review unless the cost or any other material issue under this Contract is calculated or derived from these factors.

General Provisions

35. Patent and Copyright Indemnification

- 35.1. Contractor, at its expense, shall defend, indemnify, and save DIS and any Purchaser harmless from and against any claims against DIS or Purchaser that any Work Product supplied hereunder, or Purchaser's use of the Work Product within the terms of this Contract or any Work Order, infringes any patent, copyright, utility model, industrial design, mask work, trade secret, trademark, or other similar proprietary right of a third party worldwide. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys' fees awarded by a court or incurred by DIS or Purchaser provided that DIS or Purchaser:
 - a) Promptly notifies Contractor in writing of the claim, but DIS' or Purchaser's failure to provide timely notice shall only relieve Contractor from its indemnification obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor; and
 - b) Cooperates with and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations.
- 35.2. If such claim has occurred, or in Contractor's opinion is likely to occur, Purchaser agrees to permit Contractor, at its option and expense, either to procure for Purchaser the right to continue using the Work Product or to replace or modify the same so that they become noninfringing and functionally equivalent. If use of the Work Product is enjoined by a court and Contractor determines that none of these alternatives is reasonably available, Contractor, at its

risk and expense, will take back the Work Product and provide Purchaser a refund equal to the entire amount Purchaser paid to Contractor for Contractor's provision of the Work Product.

- 35.3. Contractor has no liability for any claim of infringement arising solely from:
- a) Contractor compliance with any designs, specifications or instructions of Purchaser;
 - b) Modification of the Work Product by Purchaser or a third party without the prior knowledge and approval of Contractor; or
 - c) Use of the Work Product in a way not specified by Contractor;
- unless the claim arose against Contractor's Work Product independently of any of these specified actions.

36. Save Harmless

Contractor shall defend, indemnify, and save DIS and Purchaser harmless from and against any claims, including reasonable attorneys' fees resulting from such claims, by third parties for any or all injuries to persons or damage to property of such third parties arising from intentional, willful or negligent acts or omissions of Contractor, its officers, employees, or agents, or Subcontractors, their officers, employees, or agents. Contractor's obligation to defend, indemnify, and save DIS and Purchaser harmless shall not be eliminated or reduced by any alleged concurrent DIS or Purchaser negligence.

37. Insurance

- 37.1. Contractor shall, during the term of this Master Contract, maintain in full force and effect, the following insurance: Commercial General Liability insurance covering the risks of bodily injury (including death), property damage and personal injury, including coverage for contractual liability, with a limit of not less than \$1 million per occurrence/\$2 million general aggregate, with no deductible.
- a) Contractor shall pay premiums on all insurance policies. DIS shall be named as an additional insured on the general liability policy required in subsection 38.1 above, and Contractor shall provide a copy of the policy endorsement(s) designating DIS as an additional named insured. Such policies shall also reference this Contract number T08-MST-641 and shall have a condition that they not be revoked by the insurer until forty-five (45) calendar days after notice of intended revocation thereof shall have been given to DIS by the insurer.
 - b) All insurance required in 38.1 above and provided by Contractor shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the State and shall include a severability of interests (cross-liability) provision.
 - c) Contractor shall furnish to DIS copies of certificates and endorsements of all required insurance within thirty (30) calendar days of this Contract's Effective Date, and copies of renewal certificates and endorsements of all required insurance within thirty (30) calendar days after the renewal date. These certificates of insurance must expressly indicate compliance with each and every insurance requirement specified in this section. Failure to provide evidence of coverage may, at DIS' sole option, result in this Contract's termination.
- 37.2. Contractor may be required by Purchaser to carry insurance coverage in addition to the Master Contract requirement above. For example, Purchaser may require Contractor to

provide Professional Liability Errors and Omissions insurance for Personal Services Work Orders.

- a) Any additional insurance required by Purchaser shall be stated in Purchaser's Work Request and subsequent Work Order.
- b) Contractor shall provide insurance certification to the Purchaser under a Work Order when requested. Failure to provide evidence of coverage may, at Purchaser's sole option, result in termination of the Work Order.

37.3. Contractor shall include all Subcontractors as insured under all required insurance policies, or shall furnish separate certificates of insurance and endorsements for each Subcontractor. Subcontractor(s) shall comply fully with all insurance requirements stated herein. Failure of Subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

37.4. Contractor shall acquire required insurance from an insurance carrier or carriers licensed to conduct business in the state of Washington and having a rating of A-, Class VII or better, in the most recently published edition of *Best's Reports*. In the event of cancellation, non-renewal, revocation or other termination of any insurance coverage required by this Contract, Contractor shall provide written notice of such to DIS within one (1) Business Day of Contractor's receipt of such notice. Failure to buy and maintain the required insurance may, at DIS' sole option, result in this Contract's termination, or at Purchaser's option, result in a Work Order's termination.

37.5. By requiring insurance, neither DIS nor Purchaser represents that coverage and limits will be adequate to protect Contractor. Such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to DIS or any Purchaser in this Contract or any Work Order.

38. Industrial Insurance Coverage

Prior to performing work under this Contract, Contractor shall provide or purchase industrial insurance coverage for its employees, as may be required of an "employer" as defined in Title 51 RCW, and shall maintain full compliance with Title 51 RCW during the course of this Contract. DIS or Purchaser will not be responsible for payment of industrial insurance premiums or for any other claim or benefit for Contractor, or any Subcontractor or employee of Contractor that might arise under the industrial insurance laws during the performance of duties and services under this Contract.

39. Licensing Standards

Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements and standards necessary in the performance of this Contract. (See, for example, chapter 19.02 RCW for state licensing requirements and definitions.)

40. Antitrust Violations

Contractor and Purchaser recognize that, in actual economic practice, overcharges resulting from antitrust violations are usually borne by Purchaser. Therefore, Contractor hereby assigns to Purchaser any and all claims for such overcharges as to goods and Services purchased in connection with this Contract or any Work Order, except as to overcharges not passed on to

Purchaser, resulting from antitrust violations commencing after the date of the bid, quotation, or other event establishing the Price under this Contract or any Work Order.

41. Compliance with Civil Rights Laws

During the performance of this Contract and any Work Order, Contractor shall comply with all federal and applicable state nondiscrimination laws, including but not limited to: Title VII of the Civil Rights Act, 42 U.S.C. §12101 *et seq.*; the Americans with Disabilities Act (ADA); and Title 49.60 RCW, Washington Law Against Discrimination. In the event of Contractor's noncompliance or refusal to comply with any nondiscrimination law, regulation or policy, this Contract may be rescinded, canceled, or terminated in whole or in part under the **Termination for Default** sections, and Contractor may be declared ineligible for further contracts with the State.

42. Severability

If any term or condition of this Contract or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract are declared severable.

43. Waiver

Waiver of any breach of any term or condition of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written instrument signed by the parties.

44. Treatment of Assets

44.1. Title to all property furnished by Purchaser shall remain in Purchaser. Title to all property furnished by Contractor, for which Contractor is entitled to reimbursement, other than rental payments, under this Contract or any Work Order, shall pass to and vest in Purchaser pursuant to the **Ownership/Rights in Data** section. As used in this section **Treatment of Assets**, if the "property" is Contractor's proprietary, copyrighted, patented, or trademarked works, only the applicable license, not title, is passed to and vested in Purchaser.

44.2. Any Purchaser property furnished to Contractor shall, unless otherwise provided herein or approved by Purchaser, be used only for the performance of this Contract or any Work Order.

44.3. Contractor shall be responsible for any loss of or damage to property of Purchaser that results from Contractor's negligence or that results from Contractor's failure to maintain and administer that property in accordance with sound management practices.

44.4. Upon loss or destruction of, or damage to any Purchaser property, Contractor shall notify Purchaser thereof and shall take all reasonable steps to protect that property from further damage.

44.5. Contractor shall surrender to Purchaser all Purchaser property prior to completion, termination, or cancellation of any Work Order.

-
- 44.6. All reference to Contractor under this section shall also include Contractor's employees, agents, or Subcontractors.

45. Contractor's Proprietary Information

Contractor acknowledges that DIS and Purchaser are subject to chapter 42.56 RCW and that this Contract and any Work Orders shall be a public record as defined in chapter 42.56 RCW. Any specific information that is claimed by Contractor to be Proprietary Information must be clearly identified as such by Contractor. To the extent consistent with chapter 42.56 RCW, DIS and Purchaser shall maintain the confidentiality of all such information marked Proprietary Information in their possession. If a public disclosure request is made to view Contractor's Proprietary Information, DIS or Purchaser, as applicable, will notify Contractor of the request and of the date that such records will be released to the requester unless Contractor obtains a court order from a court of competent jurisdiction enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DIS or Purchaser, as applicable, will release the requested information on the date specified.

Disputes and Remedies

46. Disputes

- 46.1. In the event a bona fide dispute concerning a question of fact arises between Contractor and Purchaser and it cannot be resolved between the parties or by the ITPS Program Manager, either party may initiate the dispute resolution procedure provided herein.
- 46.2. The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within five (5) Business Days. The initiating party shall have five (5) Business Days to review the response. If after this review a resolution cannot be reached, both parties shall have five (5) Business Days to negotiate in good faith to resolve the dispute.
- a) If the dispute cannot be resolved after five (5) Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within five (5) Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the dispute resolution panel within the next five (5) Business Days.
 - b) The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.
 - c) Each party shall bear the cost for its panel member and its attorneys' fees and share equally the cost of the third panel member.
- 46.3. Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible. Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has issued its decision on the matter in dispute.
- 46.4. Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

-
- 50.4. Contractor, DIS or Purchaser shall not be liable for personal injury to the another party or damage to another party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

Master Contract Termination

51. Termination for Default

- 51.1. If Contractor violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its material obligations under this Contract, or any Work Order, as applicable, then the DIS Master Contract Administrator or Purchaser shall give Contractor written notice of such failure or violation, and the failure or violation shall be corrected by Contractor within thirty (30) calendar days or as otherwise agreed. If such breach is not capable of cure within thirty (30) days, Contractor must commence cure within such thirty (30) day period and diligently pursue completion of such cure. If Contractor's failure or violation is not so corrected, this Contract may be terminated immediately by written notice from DIS to Contractor, or a Work Order may be terminated by written notice to Contractor from Purchaser.
- 51.2. In the event of termination of an Work Order by Purchaser or this Contract by DIS, Purchaser or DIS shall have the right to procure the Services that are the subject of this Contract on the open market and Contractor shall be liable for all damages, including, but not limited to: (i) the cost difference between the original Master Contract price for the Services and the replacement costs of such Services acquired from another vendor; (ii) if applicable, all administrative costs directly related to the replacement of the Work Order or this Master Contract, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, staff time costs; and, (iii) any other direct costs to Purchaser or DIS resulting from Contractor's breach. DIS and Purchaser shall have the right to deduct from any monies due to Contractor, or that thereafter become due, an amount for damages that Contractor will owe DIS or Purchaser for Contractor's default.
- 51.3. If either DIS or Purchaser violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its obligations under this Contract or a Work Order, as applicable, then Contractor shall give DIS or Purchaser, as appropriate, written notice of such failure, which shall be corrected by DIS or Purchaser within thirty (30) calendar days, or as otherwise agreed. If such failure to perform is not so corrected, Purchaser's Work Order may be terminated by written notice from Contractor to Purchaser or, if appropriate, this Master Contract may be terminated by written notice from Contractor to DIS.
- 51.4. If the Failure to Perform is without the defaulting party's control, fault, or negligence, the termination shall be deemed to be a **Termination for Convenience**.
- 51.5. This section shall not apply to any failure(s) to perform that results from the willful or negligent acts or omissions of the aggrieved party.

52. Termination for Convenience

- 52.1. When, at the sole discretion of DIS, it is in the best interest of the State, DIS may terminate this Contract, in whole or in part, by fourteen (14) calendar days written notice to Contractor.

52.2. Purchaser may terminate a Work Order upon fourteen (14) calendar days written notice to Contractor. If a Work Order is so terminated, Purchasers are liable only for payments for Services received and accepted by Purchaser prior to the effective date of termination.

53. Termination for Withdrawal of Authority

In the event that DIS' or Purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract or any Work Order and prior to normal completion, DIS may terminate this Contract, or Purchaser may terminate its Work Order(s), by seven (7) calendar days written notice to Contractor. No penalty shall accrue to DIS or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DIS to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

54. Termination for Non-Allocation of Funds

If funds are not allocated to DIS to continue this Contract, or to Purchaser to continue any Work Order, in any future period, DIS may terminate this Contract, or Purchaser may terminate any Work Order by thirty (30) calendar days written notice to Contractor or work with Contractor to arrive at a mutually acceptable resolution of the situation. DIS or Purchaser will not be obligated to pay any further charges for Services including the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then-current period(s). DIS or Purchaser agrees to notify Contractor in writing of such non-allocation at the earliest possible time. No penalty shall accrue to DIS or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DIS to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

55. Termination for Conflict of Interest

DIS may terminate this Contract, or Purchaser may terminate any Work Order, by written notice to Contractor if DIS or Purchaser determines, after due notice and examination, that any party has violated chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of contracts. In the event this Contract or any Work Order is so terminated, DIS or Purchaser, as applicable, shall be entitled to pursue the same remedies against Contractor as it could pursue in the event Contractor breaches this Contract or any Work Order, as applicable.

56. Termination Procedure

56.1. Upon termination of this Master Contract or any Work Order, DIS and Purchaser, in addition to any other rights provided in this Master Contract and applicable Work Order, may require Contractor to deliver to Purchaser any property specifically produced or acquired for the performance of such part of this Master Contract or Work Order as has been terminated. The section titled **Treatment of Assets** shall apply in such property transfer.

56.2. Unless otherwise provided herein, Purchaser shall pay to Contractor the agreed-upon Price, if separately stated, for the Services received by Purchaser, provided that in no event shall Purchaser pay to Contractor an amount greater than Contractor would have been entitled to if this Master Contract or Work Order had not been terminated. Failure to

agree with such determination shall be a dispute within the meaning of the **Disputes** section of this Master Contract. Purchaser may withhold from any amounts due Contractor such sum as Purchaser determines to be necessary to protect Purchaser from potential loss or liability.

- 56.3. Contractor shall pay amounts due Purchaser as the result of termination within thirty (30) calendar days of notice of the amounts due. If Contractor fails to make timely payment, Purchaser may charge interest on the amounts due at one percent (1%) per month until paid in full.

57. Covenant Against Contingent Fees

- 57.1.
