### 3. Survivorship

## Pricing, Invoice and Payment

### 4. Pricing

- 4.1. Contractor agrees to provide the Services in the categories and at the Prices set forth in the *Price List* attached as Schedule A to this Master Contract. Such Prices may not be increased during the term of this Master Contract. Prices are considered maximum or "ceiling" prices only. On a project by project basis, Contractor may elect to provide Services to Purchaser for performance of a Work Order at a lower Price than that originally established in this Master Contract.
- 4.2. Consideration
  - a) The maximum consideration available to Contractor under this Contract is \$1,000,000.00 (US dollars) for the initial Term, unless amended.
  - b) Consideration for each Second Tier Work Contract will be stated in the Purchaser's Second Tier Work Contract. Purchaser shall make payments on Second Tier Work Contracts to the Contractor consistent with the terms set out in the Second Tier Work Contract. Funding may be federal, state and/or private grant based depending on the specific program requesting staffing
- 4.3. If Contractor reduces its Prices for any separate contract Contractor has with any Purchaser under which Contractor is performing services identical in all respects, facts and circumstances to the Services being performed hereunder ("Identical Services") during the Term of this Contract, DIS and Purchasers shall have the immediate benefit of such lower Prices for new purchases for such Identical Services. Contractor shall send notice to the DIS Master Contract Administrator, and all Purchaser(s) Work Order Administrators with which the Contractor has active Work Orders, with the reduced Prices within fifteen (15) Business Days of the reduction taking effect.

4.4. Purchaser shall reimburse Contractor for travel and other expenses as identified in a Work Order, or as authorized in writing in advance by Purchaser in accordance with the then-current rules and regulations set forth in the *Washington State Administrative and Accounting Manual* (<http://www.ofm.wa.gov/policy/poltoc.htm>). Contractor shall provide a reasonably detailed itemization of expenses, including description, amounts and dates, and receipts for amounts of fifty dollars (\$50) or more when requesting reimbursement.

4.5. Economic Price Adjustments

- a) If DIS elects to extend this Contract for an additional one-year period(s) beyond the initial Term, or subsequent renewal period(s), the Contract pricing for the additional one year shall be automatically increased or decreased, as applicable, by DIS by not more than the percentage increase/decrease of the U.S. Department of Labor “Consumer Price Index, US City Average, All Items, Not Seasonally Adjusted” (CPI-U, Series Id: CUUR0000SA0).
- b) The baseline index shall be the index announced for April of the previous year. The allowable percent change shall be calculated by subtracting the baseline index from the index announced for the April in which the renewal option is exercised, and dividing the result by the baseline index. The allowable percent change shall be rounded to the nearest one-hundredth of one percent and shall be the maximum price adjustment permitted. Contractor may offer price decreases in excess of the allowable CPI-U percent change at any time. The following example illustrates the computation of percent change using April 2004 as the Baseline:

CPI-U for April 2005	194.6
Less CPI-U for April 2004 (baseline)	188.0
Equals index point change	6.6
Divided by previous period (baseline) CPI-U	188.0
Equals	0.0351
Results multiplied by 100	0.0351 x 100
Equals percent change	3.51

Example:  $(194.6 - 188.0 = 6.6)$  then  $(6.6 \div 188.0 = 0.0351 \times 100 = 3.51\%)$

4.6. Contractor agrees that to the actual personal knowledge of the person signing on its behalf, taken as a whole, the Prices, terms, warranties, and benefits provided in this Contract are comparable to or better than the terms of any Contract Contractor has with the Washington State Department of Transportation or the Washington State Department of Social and Health Services under which Contractor is performing services identical in all respects, facts and circumstances to the Services being performed hereunder, in each case at the time this Contract is executed. If during the Term of this Contract Contractor shall enter into contracts for services identical in all respects, facts and circumstances to the Services that at such time are being provided hereunder with such Departments listed in the immediately preceding sentence and such contracts, taken as a whole, provide greater benefits or more favorable terms than those provided by this Contract, Contractor and DIS shall enter into good faith discussions regarding possible amendments to be

---

made to this Contract that would be applicable for subsequent ITPS Program related purchases.

- 4.7. Contractor agrees that Prices provided in this Contract assume that work is performed during Business Days and Hours. Overtime rates are not allowed unless required by state or federal law. Further, Prices are to be considered all-inclusive hourly rates to include all expenses (e.g., overhead, insurance, and administration including but not limited to the DIS Master Contract Administration Fee outlined in Section 58 below) except travel (see Section 4.4 above) and applicable taxes (see Section 6 below).

## **5. Advance Payment Prohibited**

- 6.2. Contractor shall complete registration with the Washington State Department of Revenue and be responsible for payment of all taxes due on payments made under this Contract and any related Work Order.

Payment will not be considered late if payment is deposited electronically in Contractor's bank account or if a check or warrant is postmarked by the Due Date.
- 7.8. As applicable and if outlined in the Purchaser's Work Order, Purchaser may withhold ten percent (10%), or other appropriate amount as defined by the Purchaser in the Work Order, from each payment until acceptance by Purchaser of the final report, completion of project and/or other appropriate milestone.

This includes access to all information that supports the findings, conclusions, and recommendations of Contractor's reports, including computer models and methodology for those models.

## **16. Security**

While on DIS or any Purchaser's premises performing Services, Contractor, its agents, employees, or Subcontractors shall conform in all material respects with any and all of Purchaser's applicable physical, fire, safety, or other security regulations specified in or attached to the applicable Work Order, in addition to those specified below:

### 16.1. Facility Access.

Contractor understands that Purchaser's building entrances may be controlled for access. Contractor agrees to become familiar with Purchaser's building and security policies, and further agrees to observe and comply with Purchaser's building and security policies or procedures.

Contractor understands that in order to obtain access to Purchaser's premises, Contractor's personnel may have to be issued a security badge by Purchaser. Contractor personnel shall provide certain personal information, including valid government issued photo identification, prior to obtaining a security badge when required by Purchaser. Contractor further understands that Purchaser will collect and retain such personal information for so long as the Work Order is in effect and such individual(s) has access to the premises. Purchaser reserves the right to conduct background checks and deny an application for a security badge. Failure of Contractor to comply with Purchaser's security and safety policies and procedures is sufficient grounds for revoking, modifying, suspending or terminating access to Purchaser's facilities. Upon the earlier of termination of the Work Order, or suspension or termination of access to Purchaser's facilities, Contractor shall return all security badges.

### 16.2. Remote Access to Network.

Contractor understands that in order to obtain remote access to Purchaser's Local Area Network (LAN), email, or supported computing environments through a remote access connection ("Remote Access"), Contractor must comply with Purchaser's Remote Access policy and any other applicable policies or procedures. Contractor shall, prior to access, complete and sign any applicable mutually agreed upon agreements or forms. Remote Access is conditioned upon final approval by Purchaser.

### 16.3. Safety.

Contractor shall observe and comply with WISHA and OSHA regulations, all applicable safety and environmental laws and regulations, and all of Purchaser's rules, guidelines, policies and procedures relating to safety, workplace conditions, health and the

---

environment, including but not limited to physical, fire, evacuation, accidents, hazardous materials or situations, or other safety regulations and policies.

## **17. Contractor Commitments, Warranties and Representations**

Any written commitment by Contractor within the scope of this Contract or any Work Order shall be binding upon Contractor. Failure of Contractor to fulfill such a commitment may constitute a breach and may render Contractor liable for damages under the terms of this Contract or any Work Order, as applicable. For purposes of this section, a commitment by Contractor includes: (i) Prices, discounts, and options committed to remain in force over a specified period of time; and (ii) any warranty or representation made by Contractor in its Response or contained in any Contractor or manufacturer publications, written materials, schedules, charts, diagrams, tables, descriptions, other written representations, and any other communication medium accompanying or referred to in its Response or used to effect the sale to DIS or Purchaser.

- 17.1. Contractor shall use commercially reasonable efforts to ensure that “key personnel” (“key personnel” shall mean the Work Order project partner, principal, or director, and Work Order manager) are available until the completion of that Work Order. Any proposal by Contractor for changes, replacement, or substitution of such key personnel during the Term of the Work Order shall be submitted to the Purchaser Work Order Administrator in writing. The Purchaser Work Order Administrator shall have the sole discretion to reasonably accept or reject such proposal.
- 17.2. As a condition to accepting Contractor’s proposal for key personnel changes, Purchaser may require Contractor to compensate Purchaser for any training and administrative costs incurred by Purchaser in association with such replacement. Such compensation will be in the form of a credit against Contractor’s monthly invoice charges to Purchaser by Contractor (a) not billing Purchaser for hours worked during the first ten (10) Business Days replacement key personnel begin work, if the method of compensation agreed to in the Work Order is by hourly rates (time and material); or (b) crediting Purchaser an amount not to exceed \$5,000 per person replaced, if the method of compensation agreed to in the Work Order is by deliverables (fixed cost).
- 17.3. If Purchaser does not accept Contractor’s proposed change and Contractor is unable to provide acceptable key personnel to Purchaser within ten (10) Business Days after the originally assigned key personnel have left, then Purchaser may terminate the Work Order for convenience.
- 17.4. Contractor shall perform the Services in good faith and in a professional and workmanlike manner and, except as expressly set forth herein or in a Work Order, disclaims all other warranties, either express or implied, including, without limitation, warranties of merchantability and fitness for a particular purpose.

## **18. Protection of Purchaser’s Confidential Information**

(See Section 45 below for Purchaser’s obligations to protect Contractor’s Proprietary Information.)

- 18.1. Contractor acknowledges that some of the material and information that may come into its possession or knowledge in connection with or in performance of this Contract or a Work Order may consist of Confidential Information of Purchaser. Contractor agrees to hold such Confidential Information in confidence and not to make use of Confidential Information for

---

any purpose other than the performance of this Contract or any Work Order, to release it only to authorized employees, personnel or Subcontractors requiring such information for the purposes of carrying out this Contract or any Work Order, and not to release, divulge, publish, transfer, sell, disclose, or otherwise make the information known to any other party without Purchaser's express written consent or as provided by law, regulation, judicial or administrative process, or in accordance with applicable professional standards and rules such as those of the American Institute of Certified Public Accountants. Contractor agrees to release such information or material only to Subcontractors who are not Contractor's affiliates who have signed a nondisclosure agreement, the terms of which have been previously approved by Purchaser. Contractor agrees to implement physical, electronic, and managerial safeguards, including but not limited to those reasonable procedures prescribed by the Purchaser and mutually agreed upon designed to prevent unauthorized access to Confidential Information. If Contractor may come into contact with medical data will be required to complete a Business Associate agreement, as required by federal or state laws, including HIPAA, prior to the commencement of any work under a Work Order. Notwithstanding anything contained herein to the contrary, Confidential Information shall not be construed to include information that (i) is or becomes readily available in publicly available records, documents or information, other than as a result of a disclosure by Contractor in breach hereof, (ii) was known by Contractor prior to receiving it from Purchaser, or (iii) is disclosed in connection with litigation related to this Contract or any Work Order. Information that contractor learns from a third party will not be considered Confidential Information of Purchasers provided that Contractor reasonably believes after due inquiry that such third party was not prohibited from making such disclosure by obligation to the Purchaser disclosing such information to Contractor under the relevant Work Order.

- 18.2. Upon expiration or termination of this Contract or any Work Order, Contractor shall, as applicable and as mutually agreed to by Purchaser and Contractor either: (i) provide written confirmation to Purchaser that Contractor has destroyed all tangible Confidential Information; or (ii) return all tangible Confidential Information to Purchaser. Notwithstanding anything else contained in this Contract or any Work Order, Contractor may keep copies of Confidential Information for archival purposes to the extent required by its policies or its professional standards in order to evidence its Services hereunder so long as such retained materials shall remain subject to the confidentiality requirements in this Section.
- 18.3. Contractor shall maintain a log of any tangible Confidential Information prominently marked as "Confidential" and provided to Contractor by Purchaser, in hard copy form, in the course of Contractor's performance of the Services (each an "Item"). The log shall contain (i) the identity of each received Item; (ii) an accounting of any disclosures of each such Item to any third party in violation of the terms of this Contract known to the Contractor Account Manager; and (iii) an accounting of any disclosures of each such Item pursuant to a legal, regulatory, or professional obligation.

Throughout the term of the Contract and upon reasonable written request by Purchaser, Contractor's log shall be made available, to the extent not prohibited by law or regulation by Contractor to Purchaser for inspection. Purchaser reserves the right to request information, monitor or investigate Contractor's use of the information contained in the Contractor's log; provided that Pruchaser's access to Contractor's facilities, systems or infrastructure shall be subject to the parties mutual agreement.

- 
- 18.4. In the event of the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of personal information as defined in the RCW 19.255.010 (5) maintained by the Purchaser, Contractor agrees to comply with RCW 19.255.010 and all applicable federal statutory provisions. In the event that Contractor's Account Manager learns that there is any unauthorized access to such personal information in Contractor's control, Contractor will promptly notify Purchaser of such unauthorized access and will reasonably cooperate with Purchaser in complying with any notification of data subjects as specified by applicable law or that Purchaser otherwise deems appropriate. To the extent that such unauthorized access arises out of the negligence, willful misconduct or breach of this Agreement by Contractor, then, if data subject notification is required by applicable law, Contractor will reimburse Purchaser for the reasonable out-of-pocket costs of notifying the affected data subjects.
  - 18.5. Violation of this section by Contractor or its Subcontractors may result in termination of this Contract and any Work Order and a demand for return of all Confidential Information, as set forth above, and/or payment of monetary damages, or penalties.

For purposes of this Contract and any Work Order, Contractor agrees that all Subcontractors shall be acting under the supervision of Contractor. Contractor shall be liable for any loss or damage to DIS or Purchasers, including but not limited to personal injury, physical loss, harassment of DIS or Purchaser's employees, or violations of the Patent and Copyright Indemnification, Protection of Purchaser's Confidential Information, and Ownership/Rights in Data sections of this Contract or any Work Order occasioned by the acts or omissions of Contractor's Subcontractors, their agents or employees in their performance of Services hereunder to the same extent that Contractor would be liable if such acts and omissions were performed by Contractor in the performance of Services. - 34.1. Contractor and its Subcontractors shall maintain books, records, documents and other evidence relating to this Contract in accordance with its customary document retention policies, including but not limited to Minority and Women's Business Enterprise participation if applicable, protection and use of Purchaser's Confidential Information, and accounting procedures and practices, which sufficiently and properly reflect all costs of any nature that are invoiced to Purchaser in the performance of this Contract. ## **General Provisions**

### **35. Patent and Copyright Indemnification**

- 35.1. Except as provided in the subsections below, Contractor, at its expense, shall defend, indemnify, and save DIS and any Purchaser harmless from and against any claims against DIS or Purchaser that any Work Product supplied hereunder, or Purchaser's use of the Work Product within the terms of this Contract or any Work Order, infringes any patent, copyright, trade secret, trademark, or other similar proprietary right of a third party. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys' fees awarded by a court or incurred by DIS or Purchaser provided that DIS or Purchaser:
- a) Promptly notifies Contractor in writing of the claim, but DIS' or Purchaser's failure to provide timely notice shall only relieve Contractor from its indemnification obligations

---

if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor;

- b) Cooperates with Contractor and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations related to such claim. The Parties agree that if Contractor controls the direction of and makes decisions concerning the investigation, defense, and settlement negotiations related to the claim then the resulting costs for such investigation, defense, settlement, or judgment (collectively "Defense Costs") shall be borne by Contractor, but should DIS, any Purchaser or the Office of the Attorney General of Washington or their respective designees not relinquish control of the investigation, defense or settlement negotiations throughout the dispute resolution process then Contractor shall not be obligated to bear any Defense Costs, and Contractor shall have no liability for such Defense Costs whether under this Agreement or otherwise. Notwithstanding the foregoing, nothing hereunder shall prevent any party, in each party's sole discretion and expense, from retaining counsel of its own choosing and participating in any legal proceedings or settlement discussions that arise under this Section 35; and
- c) Take commercially reasonable efforts to provide Contractor requested information for and assistance with the defense and settlement thereof and any subsequent appeal.

35.2. If such claim has occurred, or in Contractor's opinion is likely to occur, Purchaser agrees to stop using such Work Product and to permit Contractor, at its option and expense, either to procure for Purchaser the right to continue using the Work Product or to replace or modify the same so that they become noninfringing and substantially functionally equivalent. If use of the Work Product is enjoined by a court and/or Contractor determines that none of these alternatives is reasonably available, Contractor, at its risk and expense, will take back the Work Product and provide Purchaser a refund equal to the entire amount Purchaser paid to Contractor for Contractor's provision of that Work Product.

35.3. Contractor has no liability for any claim of infringement to the extent arising from:

- a) Contractor compliance with any designs, specifications or instructions of Purchaser or DIS;
- b) Modification of the Work Product by Purchaser or DIS or use or modification by a third party without the prior knowledge and written approval of Contractor; or
- c) Use of the Work Product in a way not specified by Contractor;

unless the claim arose against Contractor's Work Product independently of any of these specified actions.

35.4. The obligations set forth in this Section 35 are Contractor's sole obligation and DIS and Purchaser's sole remedy relating to any claim for infringement or misappropriation by any Services, Work Product or Proprietary Information.

## 36. Save Harmless

Contractor shall defend, indemnify, and save DIS and Purchaser harmless from and against any claims, including reasonable attorneys' fees resulting from such claims, by third parties for any or all bodily injuries to persons or damage to tangible personal property of such third parties to the extent arising from intentional, willful or negligent acts or omissions of Contractor, its officers, employees, or agents, or Subcontractors, their officers, employees, or agents in the performance of Services hereunder. Contractor's obligation to defend, indemnify, and save DIS and Purchaser

---

harmless shall not be eliminated or reduced by any alleged concurrent DIS or Purchaser negligence. In the event of concurrent negligence, each party shall be liable for their pro-rata share of the claim based upon their percent of fault.

### 37. Insurance

- 37.1. Contractor shall during the term of this Master Contract, maintain in full force and effect, the following insurance: Commercial General Liability insurance covering the risks of bodily injury (including death), property damage and personal injury, including coverage for contractual liability, with a limit of not less than \$1 million per occurrence/\$2 million general aggregate.
- a) Contractor shall pay premiums on all insurance policies. DIS shall be included as an additional insured on the general liability policy required in subsection 37.1 above. Certificates of insurance shall reference this Contract number T08-MST-647 and shall have a cancellation notice that they not be cancelled by the insurer until the insurer has endeavored to give forty-five (45) calendar days notice of cancellation to DIS.
  - b) All insurance required in 37.1 above and provided by Contractor shall be primary as to any other insurance or self-insurance programs afforded to or maintained by the State and shall include a severability of interests (cross-liability) provision with respect to Contractor's activities hereunder.
  - c) Contractor shall furnish to DIS certificates of insurance of all required insurance within thirty (30) calendar days of this Contract's Effective Date, and copies of renewal certificates of all required insurance within thirty (30) calendar days after the renewal date. Failure to provide evidence of coverage may, at DIS' sole option, result in this Contract's termination.
- 37.2. Contractor may be required by Purchaser to carry insurance coverage in addition to the Master Contract requirement above. For example, Purchaser may require Contractor to provide evidence of Professional Liability Errors and Omissions insurance for Personal Services Work Orders.
- a) Any additional insurance required by Purchaser shall be stated in Purchaser's Work Request and subsequent Work Order.
  - b) Contractor shall provide certificates of insurance to the Purchaser under a Work Order when requested. Failure to provide evidence of coverage may, at Purchaser's sole option, result in termination of the Work Order.
- 37.3. Contractor shall include all Subcontractors as insured under all required insurance policies, or require that such Subcontractors maintain separate insurance and to furnish separate certificates of insurance to Purchaser. Subcontractor(s) shall comply fully with all insurance requirements stated herein. Failure of Subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.
- 37.4. Contractor shall acquire required insurance from an insurance carrier or carriers licensed to conduct business in the state of Washington and having a rating of A-, Class VII or better, in the most recently published edition of *Best's Reports*. In the event of cancellation, non-renewal, revocation or other termination of any insurance coverage required by this Contract, Contractor shall provide written notice of such to DIS within ten (10) Business Day of Contractor's receipt of such notice. Failure to buy and maintain the required insurance may, at DIS' sole option, result in this Contract's termination, or at Purchaser's option, result in a Work Order's termination.

---

37.5. By requiring insurance, neither DIS nor Purchaser represents that coverage and limits will be adequate to protect Contractor. Such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to DIS or any Purchaser in this Contract or any Work Order.

**38. Industrial Insurance Coverage**

Prior to performing work under this Contract, Contractor shall provide or purchase industrial insurance coverage for its employees, as may be required of an "employer" as defined in Title 51 RCW, and shall maintain full compliance with Title 51 RCW during the course of this Contract. DIS or Purchaser will not be responsible for payment of industrial insurance premiums or for any other claim or benefit for Contractor, or any Subcontractor or employee of Contractor that might arise under the industrial insurance laws during the performance of duties and services under this Contract.

**39. Licensing Standards**

Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements and standards necessary for Contractor in the performance of this Contract. (See, for example, chapter 19.02 RCW for state licensing requirements and definitions.)

**40. Antitrust Violations**

Contractor and Purchaser recognize that, in actual economic practice, overcharges resulting from antitrust violations are usually borne by Purchaser. Therefore, Contractor hereby assigns to Purchaser any and all claims for such overcharges as to goods and Services purchased in connection with any applicable Work Order, except as to overcharges not invoiced to Purchaser, resulting from antitrust violations commencing after the date of the bid, quotation, or other event establishing the Price under any applicable Work Order.

**41. Compliance with Civil Rights Laws**

During the performance of this Contract and any Work Order, Contractor shall comply with all federal and applicable state nondiscrimination laws, including but not limited to: Title VII of the Civil Rights Act, 42 U.S.C. §12101 *et seq.*; the Americans with Disabilities Act (ADA); and Title 49.60 RCW, Washington Law Against Discrimination. In the event of Contractor's noncompliance or refusal to comply with any nondiscrimination law, regulation or policy, this Contract may be rescinded, canceled, or terminated in whole or in part under the Termination for Default sections, and Contractor may be declared ineligible for further contracts with the State.

**42. Severability**

If any term or condition of this Contract, any Work Order or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract and any Work Order are declared severable provided, however such invalid provision shall be deemed modified to the extent necessary to render it enforceable, preserving to the fullest extent permissible the interest of the parties set forth herein.

---

#### **43. Waiver**

Waiver of any breach of any term or condition of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written instrument signed by the parties.

#### **44. Treatment of Assets**

- 44.1. Title to all property furnished by Purchaser shall remain in Purchaser. Title to all Work Product furnished by Contractor, for which Contractor is entitled to reimbursement, other than rental payments, under this Contract or any Work Order, shall pass to and vest in Purchaser pursuant to the Ownership/Rights in Data section. As used in this section Treatment of Assets, if the “property” is Contractor’s proprietary, copyrighted, patented, or trademarked works or Proprietary Information, only the applicable license, not title, is passed to and vested in Purchaser.
- 44.2. Any Purchaser property furnished to Contractor shall, unless otherwise provided herein or approved by Purchaser, be used only for the performance of this Contract or any Work Order.
- 44.3. Contractor shall be responsible to the extent set forth in Section 36 for any loss of or damage to property of Purchaser that results from Contractor’s negligence or that results from Contractor’s failure to maintain and administer that property in accordance with sound management practices.
- 44.4. Upon loss or destruction of, or damage to any Purchaser property provided to Contractor hereunder, Contractor shall notify Purchaser thereof and shall take reasonable steps to protect that property from further damage.
- 44.5. Contractor shall surrender to Purchaser all Purchaser property provided to Contractor hereunder after completion, termination, or cancellation of any Work Order, subject to section 18.2.
- 44.6. All reference to Contractor under this section shall also include Contractor’s employees, agents, or Subcontractors.

#### **45. Contractor’s Proprietary Information**

Contractor acknowledges that DIS and Purchaser are subject to chapter 42.56 RCW and that this Contract and any Work Orders shall be a public record as defined in chapter 42.56 RCW. Any information delivered to DIS or a Purchaser under a Work Order that is claimed by Contractor to be Proprietary Information must be clearly identified as such by Contractor. To the extent consistent with chapter 42.56 RCW, DIS and Purchaser shall maintain the confidentiality of all such information marked Proprietary Information in their possession. All such information marked Proprietary Information and any information or data disclose pursuant to Section 15 shall be kept confidential by DIS and Purchaser (and DIS and Purchase shall instruct the Joint Legislative Audit and Review Committee and the State Auditor to the extent they obtain any information or data pursuant to Section 15 from DIS or Purchaser to keep such information and data confidential pursuant to this Section 45) and shall not be disclosed to third parties without Contractor's written consent except in each case as required to be disclosed by DIS, Purchaser, the Joint Legislative Audit and Review Committee or the State Auditor pursuant to such laws. ---

as applicable, will notify Contractor of the request and of the date that such records will be released if required by law to the requester unless Contractor obtains a court order from a court of competent jurisdiction enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DIS or Purchaser, as applicable, will release the requested information on the last date specified by law. Except as required by law, notwithstanding the foregoing, nothing contained herein or in any Work Order shall obligate Contractor to disclose or shall permit or allow DIS or Purchaser to disclose Contractor Proprietary Information that is not embedded or otherwise contained in Work Product.

## **Disputes and Remedies**

### **46. Disputes**

- 46.1. In the event a bona fide dispute concerning a question of fact arises between Contractor and Purchaser and it cannot be resolved between the parties or by the ITPS Program Manager, either party may initiate the dispute resolution procedure provided herein.
- 46.2. The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within five (5) Business Days. The initiating party shall have five (5) Business Days to review the response. If after this review a resolution cannot be reached, both parties shall have five (5) Business Days to negotiate in good faith to resolve the dispute.
  - a) If the dispute cannot be resolved after five (5) Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within five (5) Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the dispute resolution panel within the next five (5) Business Days.
  - b) The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.
  - c) Each party shall bear the cost for its panel member and its attorneys' fees and share equally the cost of the third panel member.
- 46.3. Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible. Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has issued its decision on the matter in dispute.

The parties agree that any unresolved controversy or claim arising out of this Contract, any Work Order or the Services that has not been resolved within 60 days after the date of the first written notice from the initiating party set forth in Section 46.2 beginning the dispute above process (or such other period, if the parties so agree in writing) as applicable, shall be settled by binding arbitration to be held in a mutually agreed upon location in Washington State conducted in accordance with the CPR Rules for Non-Administered Arbitration that are in effect at the time of the commencement of the arbitration, except to the extent modified by this paragraph (the "Rules"). There will be a panel of three arbitrators; each party will select one and the two party selected arbitrators will appoint the third. The arbitrators will be selected using the "screened" appointment procedure provided in the Rules. The arbitrators shall have no power to award damages inconsistent with this Contract

---

or the applicable Work Order. Further judgment in the arbitrator's award may be entered in any court having jurisdiction

- 46.4. Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under Work Orders that are not affected by the dispute.
- 46.5. If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services for up to 30 days pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

#### **47. Non-Exclusive Remedies**

Except as specifically set forth herein, the remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

#### **48. Liquidated Damages**

Liquidated Damages may be applicable under Purchaser Work Orders. Purchaser shall include any Liquidated Damages clause in their respective Work Order.

#### **49. Failure to Perform**

If there is a Failure to Perform (as defined in Section 51) on the part of Contractor written notice shall be given to Contractor as set forth in Section 51. If after thirty (30) calendar days from the date of the written notice or such other time as agreed, Contractor still has not performed, then Purchaser may withhold all monies due and payable to Contractor under the applicable Work Order, without penalty therefore to Purchaser, until such Failure to Perform is cured or otherwise resolved.

#### **50. Limitation of Liability**

- 50.1. Purchaser and Contractor shall agree to a limitation of liability in each Work Order. In the event that DIS has a claim related to a specific Work Order or had any interests in a particular Work Order, DIS hereby agrees to be bound by such terms set forth in the applicable Work Order. The limitation on liability will apply to the aggregate of all claims by Purchaser and DIS under the particular Work Order. Obligations of Contractor to a Purchaser shall only arise in connection with Work Orders executed hereunder that are executed by such Purchaser and Contractor's obligations to such Purchaser shall not exceed those set forth in such Work Orders.
- 50.2. The parties agree that neither Contractor, DIS, Contractor's affiliates or subcontractors nor Purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except to the extent resulting from a breach of Sections 18.1, 18.4 or 45, or a claim for which a party is obligated to indemnify under Section 35 or 36 of the Contract. In no event shall punitive damages be awarded under this Contract or any Work Order. The damages specified in the sections

---

titled Termination for Default and Review of Contractor's Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

- 50.3. Contractor, DIS or Purchaser shall not be liable for damages arising from causes beyond the reasonable control and without the respective fault or negligence of Contractor, DIS or Purchaser, as applicable. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of a governmental body other than DIS or Purchaser acting in either a sovereign or contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of Contractor, DIS, or Purchaser, or their respective Subcontractors.
- 50.4. If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the Services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.
- 50.5. Contractor, DIS or Purchaser shall not be liable for bodily injury to the another party or damage to another party's property except such injury or damage to property proximately caused by such party's respective fault or negligence.

## **Master Contract Termination**

### **51. Termination for Default**

- 51.1. If Contractor violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its material obligations under this Contract, or any Work Order, as applicable, ("Failure to Perform") then the DIS Master Contract Administrator or Purchaser shall give Contractor written notice of such failure or violation, and the failure or violation shall be corrected by Contractor within thirty (30) calendar days or as otherwise agreed. If such breach is not capable of cure within thirty (30) days, Contractor must commence cure within such thirty (30) day period and diligently pursue completion of such cure. If Contractor's failure or violation is not so corrected, this Contract may be terminated immediately by written notice from DIS to Contractor, or such Work Order may be terminated by written notice to Contractor from Purchaser.
- 51.2. In the event of termination of a Work Order by Purchaser or this Contract by DIS, Purchaser or DIS shall have the right to procure the Services that are the subject of this Contract on the open market and Purchaser may seek, subject to section 50, damages, including, but not limited to: (i) the cost difference between the original Master Contract price for the Services and the replacement costs of such Services acquired from another vendor; (ii) if applicable, all administrative costs directly related to the replacement of the Work Order or this Master Contract, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, staff time costs; and, (iii) any other direct costs to Purchaser or DIS resulting from Contractor's breach. Purchaser shall have the right to deduct from any monies due to Contractor under the applicable Work Order, or that thereafter become due, an amount for damages that Contractor will owe Purchaser for Contractor's default.

- 
- 51.3. If either DIS or Purchaser violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its obligations under this Contract or a Work Order, as applicable, then Contractor shall give DIS or Purchaser, as appropriate, written notice of such failure, which shall be corrected by DIS or Purchaser within thirty (30) calendar days, or as otherwise agreed. If such failure to perform is not so corrected, Purchaser's Work Order may be terminated by written notice from Contractor to Purchaser or, if appropriate, this Master Contract may be terminated by written notice from Contractor to DIS. If Purchaser fails to timely pay an invoice issued to Purchaser under a Work Order, then Contractor may suspend, without penalty to Contractor, Services under such Work Order until such failure to pay is cured or otherwise resolved to Contractor's reasonable satisfaction; provided however a failure to pay which exceeds (60) calendar days shall entitle Contractor to immediately terminate, without penalty to Contractor, such Work Order upon written notice.
  - 51.4. If the failure to perform or breach is without the defaulting party's reasonable control, fault, or negligence, then either party may decide to terminate for convenience in accordance with the Contract.
  - 51.5. This section shall not apply to any failure(s) to perform that results from the willful or negligent acts or omissions of the aggrieved party. If the Contract is terminated, its terms shall continue to govern any outstanding Work Orders until the performance of the Work Order is completed.

## **52. Termination for Convenience**

- 52.1. When, at the sole discretion of DIS, it is in the best interest of the State, DIS may terminate this Contract, in whole or in part, by fourteen (14) calendar days written notice to Contractor.
- 52.2. Purchaser may terminate a Work Order upon fourteen (14) calendar days written notice to Contractor. If a Work Order is so terminated, Purchasers are liable only for payments for Services performed by Contractor in accordance with the terms of the applicable Work Order prior to the effective date of termination.
- 52.3. Contractor may terminate a Work Order or Contract for convenience or due to legal, professional or regulatory restrictions upon fourteen calendar days written notice to the applicable Purchaser or DIS, as appropriate, or such earlier date as the Services become prohibited.

## **53. Termination for Withdrawal of Authority**

In the event that DIS' or Purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract or any Work Order and prior to normal completion, DIS may terminate this Contract, or Purchaser may terminate its Work Order(s), by seven (7) calendar days written notice to Contractor. No penalty shall accrue to DIS or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DIS to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

---

#### **54. Termination for Non-Allocation of Funds**

If funds are not allocated to DIS to continue this Contract, or to Purchaser to continue any Work Order, in any future period, DIS may terminate this Contract, or Purchaser may terminate any Work Order by thirty (30) calendar days written notice to Contractor or work with Contractor to arrive at a mutually acceptable resolution of the situation. DIS or Purchaser will not be obligated to pay any further charges for Services including the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then-current period(s). DIS or Purchaser agrees to notify Contractor in writing of such non-allocation at the earliest possible time. No penalty shall accrue to DIS or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DIS to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

#### **55. Termination for Conflict of Interest**

DIS may terminate this Contract, or Purchaser may terminate any Work Order, by written notice to Contractor if DIS or Purchaser determines, after due notice and examination, that any party has violated chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of contracts. In the event this Contract or any Work Order is so terminated, DIS or Purchaser, as applicable, shall be entitled to pursue the same remedies against Contractor as it could pursue in the event Contractor breaches this Contract or any Work Order, as applicable.

#### **56. Termination Procedure**

56.1. Upon termination of this Master Contract or any Work Order, DIS and Purchaser, in addition to any other rights provided in this Master Contract and applicable Work Order, may require Contractor to deliver to Purchaser any Work Product specifically produced in the performance of the Work Order as has been terminated. The section titled Treatment of Assets shall apply in such transfer.

56.2. Unless otherwise provided herein, Purchaser shall pay to Contractor the agreed-upon Price, if separately stated, for the Services received by Purchaser, provided that in no event shall Purchaser pay to Contractor for Services rendered an amount greater than Contractor would have been entitled to if this Master Contract or Work Order had not been terminated. Failure to agree with such determination shall be a dispute within the meaning of the Disputes section of this Master Contract. Purchaser may withhold from any amounts due Contractor such sum as Purchaser determines to be necessary to protect Purchaser from loss or liability suffered as a result of Contractor's breach hereof.

56.3. Contractor shall pay amounts due Purchaser as the result of termination within thirty (30) calendar days of notice of the amounts due. Failure to agree upon amounts due any party shall be a dispute within the meaning of the Disputes section of this Master Contract. If Contractor fails to make timely payment and such amounts are not disputed, Purchaser may charge interest on the amounts due at one percent (1%) per month until paid in full.

#### **57. Covenant Against Contingent Fees**

57.1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract or any Work Order upon any agreement or understanding

---

for a commission, percentage, brokerage, or contingent fee, *except* bona fide personnel or a bona fide established commercial or selling agency of Contractor or its affiliates.

- 57.2. In the event Contractor breaches this section, DIS shall have the right to annul this Contract without liability therefor to DIS, and Purchaser shall have the right to either annul any Work Order without liability therefor to Purchaser or, in Purchaser's discretion, deduct from payments due to Contractor, or otherwise recover from Contractor, the full amount of such commission, percentage, brokerage, or contingent fee.

## **Activity Reporting, Administration Fee & Performance Reporting**

### **58. DIS Master Contract Administration Fee and Collection**

- 58.1. All purchases made under this Master Contract are subject to a DIS Master Contract Administration Fee, collected by Contractor and remitted to DIS.
- 58.2. The Master Contract Administration Fee is two percent (2.0% or .02) of the purchase price for Work Orders valued up to \$1 million dollars, and will be one percent (1.0% or .01) for Work Orders valued at, or exceeding, \$1 million dollars. The purchase price is defined as total invoice price less sales tax.
- 58.3. The Master Contract Administration Fee shall be included in all Contractor Prices listed in Schedule A of this Contract and shall not be invoiced as a separate line item to Purchaser.
- 58.4. Contractor shall hold the Master Contract Administration Fee in reserve until the Fees are remitted to the DIS Master Contract Administrator, along with the Master Contract Activity Report.

- 59.6. Upon request by DIS, Contractor shall provide, in the format requested, the contact information for all Purchasers during the Term of the Master Contract.

**60. Electronic Funds Transfer**

When agreed by DIS and Contractor, the DIS Master Contract Administration Fee can be paid through Electronic Funds Transfer (EFT) to an Automated Clearing House (ACH). Contractor can utilize the ACH Debit option, which is an arrangement between the Contractor and DIS' bank. Contractor initiates the action, specifying the amount of funds and the effective date of payment. On the effective date, the funds are withdrawn from Contractor's account and transferred to the DIS account. Contractor will be provided by separate instrument the DIS account information and a toll-free number to initiate the quarterly transaction. There is no cost to Contractor.

**61. Failure to Remit Reports/Fees**

- 61.1. Failure of Contractor to remit the Master Contract Activity Report together with the Master Contract Administration Fee may be considered a failure to perform on the part of Contractor, which may result in DIS terminating this Master Contract with Contractor.
- 61.2. Failure of any Purchaser to pay the Master Contract Administration Fee may result in a Purchaser forfeiting its right to purchase from this Master Contract. Contractor shall notify the DIS Contract Administrator when any Purchaser fails to pay the Master Contract Administration Fee.
- 61.3. The DIS Contract Administrator will notify Contractor of any Purchaser who has forfeited its right to purchase under this Master Contract. After such notification, any sale by Contractor to a forfeiting Purchaser may be considered failure to perform by Contractor.
- 61.4. If the performance issues are resolved, DIS, at its option, may reinstate a Contractor's participation or a Purchaser's right to purchase.

**62. Periodic Contractor Performance Evaluation and Report**

- 62.1. Purchasers will periodically evaluate Contractor's Performance in a Contractor Performance Report. The report is designed to evaluate impacts and outcomes achieved as a result of Contractor's delivery of Services, inform Contractor of their performance strengths and weaknesses, and aid Purchasers in referrals. Each evaluation will include an assessment of the Contractor's efforts toward achieving Purchaser's objectives.

- 
- 62.2. DIS will provide copies of Purchaser Contractor Performance Reports to Contractor.
  - 62.3. If DIS receives three (3) or more negative performance reports from Purchasers in a one (1) year period during the Term of this Contract, and Contractor fails to provide, in DIS' sole opinion, adequate remedy, this Contract may be terminated.
  - 62.4. DIS will consider such evaluations when determining administrative actions including but not limited to extending the Term of this Contract.

Work Order requirements will be selected from the most applicable model contract(s) plus other sources including but not limited to individual Purchaser terms and conditions, then tailored to meet specific functional and operational needs, i.e., scope of work to be performed or Services to be provided, and the protections necessary to that respective Work Order's purpose. DIS will also establish a common template to be used by Purchaser' for Work Orders under the new ITPS Program.

**Contractor Staff, Roles and Responsibilities (including Contractor Work Order Manager):****Purchaser Staff, Roles and Responsibilities (including Purchaser Work Order Manager):****Fees and Expenses:****Limitation of Liability:**

Notwithstanding anything to the contrary in the Master Contract or this Work Order, the parties each agree that the limitation on liability provision in Section 50.1 of the Master Contract is hereby modified to read as follows: DIS and Purchasers each agree that Contractor, Contractor's affiliates and subcontractors shall not be liable to DIS or any Purchasers for any claims, liabilities, or expenses relating to this Work Order for an aggregate amount in excess of the fees paid by Purchaser to Contractor pursuant to this Work Order, except to the extent finally judicially determined to have resulted primarily from the recklessness, bad faith or intentional misconduct of the Contractor, its subcontractors or their respective personnel.

**Approval of Deliverables:**

- a) All Deliverables prepared by Contractor shall have the written approval of Purchaser's Work Order Manager or his or her written designee that such Deliverables comply in all material respects with the requirements of the Work Order, which approval shall not be unreasonably withheld.
- b) Purchaser shall complete its review of a Deliverable in not more than ten (10) business days. Purchaser shall provide Contractor (i) with approval of the Deliverable or (ii) with a written statement, as provided below, of the deficiencies preventing approval. Such business days shall be counted from and include the first business day following the delivery of the Deliverable to Purchaser.
- c) Purchaser's review and approval of Deliverables shall be solely for the purpose of determining compliance in all material respects with the applicable acceptance criteria set forth in the Work Order and not for any other purpose, including, without limitation, format or style of the Deliverables or the incorporation at that time of additional ideas or functionality. Approval shall be granted if the Deliverable conforms in all material respects to the applicable acceptance criteria set forth in the Work Order. In the event of Purchaser's rejection of a Deliverable, Purchaser shall provide a complete and written statement which identifies in reasonable detail, with references to the applicable acceptance criteria in the Work Order, all deficiencies. Deliverables requiring only minor or cosmetic corrections and not requiring extensive re-review by Purchaser and for which corrections have been promised by Deloitte & Touche within specified times will be deemed approved.

---

d) Contractor shall have thirty (30) business days to complete all such corrective actions or changes in order for such Deliverable to conform in all material respects with the requirements therefor set forth in this Work Order. The count of such business days shall begin on the first business day following Contractor's receipt of the written statement of required corrective actions or changes as set forth in subparagraph (b) of this Paragraph.

e) Purchaser shall have ten (10) business days to complete a review of the corrective actions or changes made to the Deliverable in response to Purchaser's written statement of deficiencies as set forth in subparagraph (b) of this Paragraph and notify Contractor in writing of acceptance or rejection. The count of such days shall begin on the first business day after Purchaser receives the corrected or changed Deliverable from Contractor. Purchaser's review and approval of such corrected or changed Deliverable shall be solely for the purpose of determining that corrections have been made to bring the Deliverables into compliance in all material respects with the acceptance criteria set forth in the Work Order and not for any other purpose, including, without limitation, for format, style or the incorporation of additional ideas or functionality.

f) Purchaser and Contractor may mutually agree to extend the period of time allotted for any review, correction or change under this Paragraph. Any such extension of time shall extend the schedule for subsequent Deliverables by a corresponding amount.

g) Notwithstanding the provisions of Paragraphs (a) through (f), approval of a Deliverable shall be deemed given by Purchaser if Purchaser has not delivered to Contractor a notice of deficiencies in writing for such Deliverable prior to the expiration of any period for Purchaser review thereof as set forth in this Paragraph, or if Purchaser uses the Deliverable in production. Notwithstanding the foregoing provisions of this Paragraph, approval of corrective actions or changes with respect to a Deliverable shall be deemed given by Purchaser if Purchaser has not rejected in writing, in accordance with this Paragraph, such corrective actions or changes with respect to such Deliverables prior to the expiration of any period for Purchaser review thereof as set forth in this Paragraph.

h) To the extent that any Deliverables have been approved by Purchaser at any stage of Contractor's performance hereunder, Contractor shall be entitled to rely on such approval for purposes of all subsequent stages of Contractor's performance hereunder. Upon Purchaser's approval of each Deliverable, Purchaser agrees that, in the event of a contradiction between the Work Order and the approved Deliverable, the contradiction shall be resolved by the approved Deliverable controlling.

i) If Contractor is unable to correct any deficiency in a Deliverable within the period of time set forth above, Purchaser shall be entitled, at its option, to a refund or credit of professional fees paid to Contractor hereunder with respect to the Services giving rise to the claimed deficiency and this shall be Purchaser's sole and exclusive remedy, and Contractor's sole and exclusive obligation, with respect to any claim that the Deliverables do not conform to the terms of this Work Order.

**Change Order Process:**

If during the term of this engagement under this Work Order, Purchaser directs Contractor to change the approach, plans, phases and/or tasks for the Services as they are described in this Work Order, Contractor will be provided equitable compensation at its approved rates for the increased effort (if any) and/or reimbursement of out-of-pocket expenses (if any) required by Purchaser's changes to the extent that it is substantive, either for a particular change individually or in the aggregate.

Purchaser and Contractor will mutually adopt the following procedures for tracking these types of issues which potentially impact the cost or schedule of the project and which, therefore, require resolution.

---

a) When such issues, hereinafter referred to as "System Change Issues", are identified by either party, they will be recorded and tracked on an "Issues Log" which will serve as the tracking mechanism for a System Change Issue through completion of all required decisions, approvals and actions.

b) Purchaser and Contractor understand and agree that failure to promptly act on and resolve System Change Issues may have consequences on the engagement, including increases to cost and schedule. System Change Issue resolution is the responsibility of each party's Work Order Manager, or their written designees.

c) System Change Issues shall be identified in advance of any impact to the engagement, and the parties' mutual consideration of the System Change Issue shall result in one of the following dispositions:

- A decision to proceed to implement the system change and to change the scope of work in this Work Order accordingly; or
- A decision to defer implementation of the system change; or
- A decision not to proceed to implement the system change.

d) The disposition of the System Change Issue will be documented in the System Change Log maintained by Contractor.

- For any change which does not affect Contractor's level of effort, period of performance, payments, or any term or condition included or incorporated by reference in this Work Order, the System Change Issue resolution will be documented in a project memorandum signed by each party's Work Order Manager or designee.
- For any change which affects Contractor's level of effort, period of performance, payments, or any term and condition included or incorporated by reference in the this Work Order, a negotiated written amendment of the Work Order will be prepared for approval and execution by the parties.
