In 2005, the Washington State Legislature passed a law (RCW 51.44.115) requiring the State Auditor's Office to conduct annual audits of the workers' compensation funds (OUR AUDIT AUTHORITY). The purpose of this contract is to conduct an actuarial audit that satisfies the background of the requirements of state law RCW 51.44.115. The contractor will conduct an actuarial assessment and an actuarial opinion meeting the requirements of RCW 51.44.115 in support of this Financial Audit. This contract fits the exemption of ESHB2021 of being for Auditing Activities and Revenue Generation. It was approved by the Director of Audit, Chuck Pfeil.

This is an overall cost-neutral amendment, with a long-term projection for reduced cost savings to the medical aid fund. The purpose of this amendment for utilization review services is to update the unit pricing. The contract changes are critical to the provision of enhanced web-based capabilities for the new radiology and imaging review process required by 2009 legislation, ESHB 2105. The implementation creates efficient preauthorization processes for the review and approval of radiology and imaging requests based on evidence-based treatment guidelines.

Dr. Charlot (UMass Memorial Medical Group), the court-appointed independent monitor for the Marr et al v. Eastern State Hospital et al (class action lawsuit #CV-02-0067-WFN) has extended the end date of the settlement per section IV.h of the Marr Settlement Order and Plan. This contract meets an exemption for ESHB 2921 of being necessary to carrying out a court order. DSHS Secretary Susan Dreyfus has reviewed and approved this contract.

Under the terms of the settlement, Dr. Charlot will be required to participate in monitoring functions until each step identified in the Marr Settlement Order and Plan has been fully implemented. This shall include quality assurance, including consultation, technical assistance, and oversight of Eastern State Hospital policies and procedures. Dr. Charlot will continue to monitor implemmentaions of conditions of settlement compliance and will issue a final determination on remaining settlement compliance issues before the end of the extension period or by December 31, 2010.

Y-9062, Supplement No. 4, extends the contract to 6/30/2011 and adds funding for continued advocacy services for the Department of Transportation (WSDOT). The services meet an exception under ESHB 2921 based upon critical necessity. WSDOT requires DC representation to receive and share information on pending transportation reauthorization bills and ARRA matters. Without the contractor's services WSDOT would risk a delay in assessing policy and funding opportunities with possible increased risk to project delivery.

The Department of Ecology (Ecology) is using the water quality model GEMSS1, developed by the company Environmental Resource Management for its South Puget Sound Dissolved Oxygen Study. We desire to have the Fortran code implemented in GEMSS modules WQCBM, GAM, and WQADD reviewed and revisions made where necessary. This work involves changing proprietary software that no other organization has authority to do.

Ecology has determined that these services are critical and essential to agency responsibilities. The agency strategic priorities, developed in April 2010, call for accelerating completion of the South Puget Sound Dissolved Oxygen Study.

This contract meets an exemption under ESHB 2921 of being funded exclusively by federal funds.

This Amendment revises the Statement of Work to require new deliverables and provides for additional funding for hosting services and user support. The Habitat Work Schedule System was developed in part to assist lead entity watershed groups to meet their legislatively mandated requirements per RCW 77.85.060 (Salmon Recovery), and provides transparency and accountability to the public through the Internet. Funding is provided through a federal grant from the United States Department of Commerce - National Oceanic and Atmospheric Administration (NOAA). This amendment meets the ESSB 2921 exemption because of its federal funding.
