This amendment for critically necessary subject matter expertise in support of performance auditing adds funds to the Berk & Associates convenience contract with the State Auditor's Office .

On March 12th, 2010 the Director of OFM granted the State Auditor's Office blanket exception pursuant to Engrossed Substitute House Bill (ESHB) 2921, Section 602, with respect to personal service contracts for performance audits.

The Director of Performance Audit, Larisa Benson approved this amendment.

This Amendment to the SAO Convenience Contract is not subject to the provisions of ESHB2921, Section 602, since its intent is to add capacity to the contract rather than committing specific funding to the contractor.
This contract does not itself obligate the agency for any payments to the vendor.
