1. Provide services to produce draft versions in the Owner's format of EWU design guidelines and construction standards for Specification Divisions 15 and 16, excluding fire alarm and telecommunications systems. 2. Provide services for a feasibility study to accelerate the project schedule that reduces the timeline between the start of design development and construction contract award from 15 months to 12 weeks. The study shall outline the anticipated impacts to the design quality, performance, liabilities and cost that would result from such a change. The study shall be prepared within 30 hours of verbal authorization to proceed (given on October 20, 2008) for the project Patterson Hall Renovation.
