This contract fits the exemption on the ESHB 2921as being funded exclusively from federal grants. The contract is approved by Mary Kaye Bredeson, Director Edmonds Community College Center of Excellence. The contract is to design and develop the Statewide Community and Technical College Aerospace and Aviation trainging directory. The contractor will research and assemble all the training courses of the 34 Washington State community colleges and technical colleges regarding programs in aerospace, advanced materials and manufacturing. From this data the contractor will develop a directory and other methods of information dissemination for approval by the Center of Excellence. After approval the contractor will disseminate this information to the Washington State high schools, colleges, educational fairs/trade shows and other governmental agencies.

This contract fits the exemption in the ESHB 2921 of being funded by a federal grant. The contract is approved by Mel Cossette, Material Education Principle Investigator & Certificates of Advanced Manufacturing programs for Edmonds Community College. The contract's purpose is to provide expert services in the development and coordination of activities to meet the National Science Foundation Certificates in Advanced Manufacturing grant. This includes developing tailored evaluation tools such as surveys, interview and focus group protocols for data gathering processes. This will provide a systematic collection and delivery of evaluations findings about the curriculum and actual classroom delivery. This requires communicating throughout the contract with the stakeholders to ensure they are knowledgeable of and are using the findings. There is to be a final evaluation report which is to synthesize results and discuss the quality and impact of the program.
