Define the wine cluster today and describe the changes over the last five years: The regions current economic base in terms of wine cluster businesses & occupations; related clusters in terms of businesses & occupations. Measure the economic progress over past 5 years and compare it to the 2006 study. This contract was exempted from the PSC freeze as the funding came from a grant (Fund 145) and contributions from local governmental agencies (City, County, Port, private enterprises). Contractor was sole sourced as they were the provider from 2006 contract and had possession of data base and provided \$18,550 in matching costs to meeting the deliverables of the contract.
