Conduct a study that will accurately assess and effectively convey the economic benefits of TESC to Thurston County and the State of Washington in order to better inform key stakeholders about the value of investments in Evergreen and the education it provides. Contractor will deliver a report of findings in forms appropriate to support the communication goals with the following stakeholder audiences: Primary-State Government officials and elected leaders, City and County government officials and elected leaders
Secondary-Local and statewide voters, local and regional business community, prospective students, parents of prospective students, alumni, donors/prospective donors.
Conduct research and gather information to inform an assessment of economic impact. Calculate the direct and indirect economic impact of TESC on Thurston County and the State of Washington, including increased economic activity, employment, earnings and return on investment for state funding.

Slover Linnett Strategies will synthesize insights and strategies related to broadening and deepening arts audience engagement from research previously conducted for the nine Seattle-area Wallace Excellence Awards (WEA) recipients.

The study will draw from a few dozen audience research studies, most conducted by Slover Linett from 2009 – 2012 under contracts with seven of the nine Seattle-area WEA recipients (see list below). The consultant, which is uniquely familiar with the existing data, will develop a high-level report that brings together the common themes, insights, and areas of opportunity gathered across all the Seattle-WEA sponsored research studies for the benefit of a broader audience of arts leaders.

The nine Seattle-WEA Recipients include:

- Experience Music Project/Science Fiction Museum and Hall of Fame
• On the Boards
• One Reel
• Pacific Northwest Ballet
• Seattle Art Museum
• Seattle International Film Festival
• Seattle Opera
• Seattle Repertory Theatre
• Seattle Youth Symphony Orchestra
