- 14.5. Contractor shall not use or in any manner disseminate any Work Product to any third party, or represent in any way Contractor ownership in any Work Product. Contractor shall take all reasonable steps necessary to ensure that its agents, employees, or Subcontractors shall not copy, disclose, transmit or perform any Work Product or any portion thereof, in any form, to any third party.
- 14.6. Contractor hereby grants to Purchaser a non-exclusive, royalty-free, irrevocable license to use, publish, translate, reproduce, deliver, perform, display, and dispose of materials and know-how that are delivered under this Contract, but that do not originate therefrom ("Preexisting Material").

Contractor shall exert best efforts to advise DES and Purchaser of all known or potential infringements of publicity, privacy or of intellectual property rights of the Preexisting Material furnished under this Contract. DES and Purchaser shall receive prompt written notice of each notice or claim of copyright infringement or infringement of other intellectual property right worldwide received by Contractor with respect to any Preexisting Material delivered under this Contract. 16.1. Facility Access.

Contractor understands that Purchaser's building entrances may be controlled for access. In the event Contractor performs any work at Purchaser's buildings, Contractor agrees to become familiar with Purchaser's building and security policies, and further agrees to observe and comply with all Purchaser's building and security policies or procedures.

Contractor understands that in order to obtain access to Purchaser's premises, Contractor may have to be issued a security badge by Purchaser. Contractor shall provide certain personal information, including valid government-issued photo identification, prior to obtaining a security badge when required by Purchaser. Contractor further understands that Purchaser will collect and retain such personal information for so long as the Work Order is in effect and such individual(s) has access to the premises. Purchaser reserves the right to conduct background checks and deny an application for a security badge. Failure of Contractor to comply with Purchaser's security and safety policies and procedures is sufficient grounds for revoking, modifying, suspending or terminating access to Purchaser's facilities. Upon the earlier of termination of the Work Order, or suspension or termination of access to Purchaser's facilities, Contractor shall return all security badges.

16.2. Remote Access to Network.

Contractor understands that in order to obtain remote access to Purchaser's Local Area Network (LAN), email, or supported computing environments through a remote access connection ("Remote Access"), Contractor must comply with Purchaser's Remote Access policy and any other applicable policies or procedures. Contractor acknowledges and understands that any access granted by Purchaser to its computer networks shall be limited, restricted and conditioned upon Contractor's compliance with certain DES policies and practices. Contractor warrants that it will perform all work for or on behalf of Purchasers in full compliance with Information Services Board Security Policy, Standards and Guidelines, the Use of DES Networks Policy, and any other security documents and best practices provided by DES ("Security Policies"). Contractor agrees that DES's Security Policies shall serve as the standard for network security and warrants that it shall exercise its best efforts to comply with the Security Policies with respect to 1) any electronic transfer of code or data; 2) prevention of unauthorized access; and 3) prevention of any and all undisclosed programs, extraneous code, Self Help code, unauthorized code, or other data that may be reasonably expected to damage data, code, software, systems or operations of DES's network, system or data. Vendor staff may be required by Purchaser to complete a certain minimum level of Security Awareness Training coursework depending on the skill and experience levels required by Purchaser. Minimum expectations and recommended coursework are set forth here: <http://ofm.wa.gov/ocio/policies/documents/141.pdf>.

17. Contractor Commitments, Warranties and Representations

Any written commitment by Contractor within the scope of this Contract or any Work Order shall be binding upon Contractor. Failure of Contractor to fulfill such a commitment may constitute breach and shall render Contractor liable for damages under the terms of this Contract or any Work Order, as applicable. For purposes of this section, a commitment by Contractor includes: (i) Prices, discounts, and options committed to remain in force over a specified period of time; and (ii) any warranty or representation made by Contractor in its Response or contained in any Contractor or manufacturer publications, written materials, schedules, charts, diagrams, tables, descriptions, other written representations, and any other communication medium accompanying or referred to in its Response or used to effect the sale to DES or Purchaser.

The Purchaser Work Order Administrator shall have the sole discretion to accept or reject such proposal.
- 17.2. As a condition to accepting Contractor's proposal for personnel changes, Purchaser may require Contractor to compensate Purchaser for any training and administrative costs incurred by Purchaser in association with such replacement. Such compensation will be in the form of a credit against Contractor's monthly invoice charges to Purchaser by Contractor (a) not billing Purchaser for hours worked during the first ten (10) Business Days replacement personnel begin work, if the method of compensation agreed to in the Work Order is by hourly rates (time and material); or (b) crediting Purchaser an amount not to exceed \$5,000 per person replaced, if the method of compensation agreed to in the Work Order is by deliverables (fixed cost).
- 17.3. If Purchaser does not accept Contractor's proposed change and Contractor is unable to provide acceptable personnel to Purchaser within ten (10) Business Days after the originally assigned personnel have left, then Purchaser may terminate the Work Order Pursuant to Section 57 *Termination for Convenience*.

18. Protection of Purchaser's Confidential Information

(See Section 50 below for Purchaser's obligations to protect Contractor's Proprietary Information.)

General Provisions

40. Patent and Copyright Indemnification

- 40.1. Contractor, at its expense, shall defend, indemnify, and save DES and any Purchaser harmless from and against any claims against DES or Purchaser that any Work Product supplied hereunder, or Purchaser's use of the Work Product within the terms of this Contract or any Work Order, infringes

any patent, copyright, utility model, industrial design, mask work, trade secret, trademark, or other similar proprietary right of a third party worldwide. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys' fees awarded by a court or incurred by DES or Purchaser provided that DES or Purchaser:

- a) Promptly notifies Contractor in writing of the claim, but DES' or Purchaser's failure to provide timely notice shall only relieve Contractor from its indemnification obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor; and
- b) Cooperates with and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations.

40.2. If such claim has occurred, or in Contractor's opinion is likely to occur, Purchaser agrees to permit Contractor, at its option and expense, either to procure for Purchaser the right to continue using the Work Product or to replace or modify the same so that they become noninfringing and functionally equivalent. If use of the Work Product is enjoined by a court and Contractor determines that none of these alternatives is reasonably available, Contractor, at its risk and expense, will take back the Work Product and provide Purchaser a refund equal to the entire amount Purchaser paid to Contractor for Contractor's provision of the Work Product.

40.3. Contractor has no liability for any claim of infringement arising solely from:

- a) Contractor compliance with any designs, specifications or instructions of Purchaser;
- b) Modification of the Work Product by Purchaser or a third party without the prior knowledge and approval of Contractor; or
- c) Use of the Work Product in a way not specified by Contractor;

unless the claim arose against Contractor's Work Product independently of any of these specified actions.

41. Save Harmless

Contractor shall defend, indemnify, and save DES and Purchaser harmless from and against any claims, including reasonable attorneys' fees resulting from such claims, by third parties for any or all injuries to persons or damage to property of such third parties arising from intentional, reckless or negligent acts or omissions of Contractor, its officers, employees, or agents, or Subcontractors, their officers, employees, or agents. Contractor's obligation to defend, indemnify, and save DES and Purchaser harmless shall not be eliminated or reduced by any alleged concurrent DES or Purchaser negligence.

Contractor waives its immunity under Title 51 RCW (Industrial Insurance) to the extent required to indemnify, defend and hold harmless Purchaser, DES, the state of Washington and agencies, officials, agents or employees of the state.

42. Insurance

42.1. Contractor shall, during the Term of this Contract, maintain in full force and effect, the insurance described in this section. In the event of cancellation, non-renewal, revocation or other termination of any insurance coverage required by this Contract, Contractor shall provide written notice of such to DES within one (1) Business Day of Contractor's receipt of such notice. Failure to buy and maintain the required insurance may, at DES' sole option, result in this Contract's termination.

 - d) Umbrella policy providing excess limits over the primary policies in an amount not less than \$3 million.
- 42.3. Purchaser may require Contractor to provide Professional Liability Errors and Omissions insurance in their Work Request and subsequent Work Order as follows:
- Professional Liability Errors and Omissions, with a deductible not to exceed \$25,000, and coverage of not less than \$1 million per occurrence/\$2 million general aggregate. Contractor will pay for insurance premiums to continue such claims made policies or to provide tails for two (2) years beyond the expiration or termination of this Contract.
- 42.4. Purchasers may require additional coverage or terms as included in a Work Request and subsequent Work Order.
- 42.5. Contractor shall pay premiums on all insurance policies. DES shall be named as an additional insured on all general liability and automobile liability policies, and Contractor shall provide a copy of the policy endorsement(s) designating DES as an additional named insured. Such policies shall also reference this Contract number T13-MST-XXX and shall have a condition that they not be revoked by the insurer until forty-five (45) calendar days after notice of intended revocation thereof shall have been given to DES by the insurer.

Failure to provide evidence of coverage may, at DES' sole option, result in this Contract's termination.
- 42.9. Contractor shall provide insurance certification to the Purchaser under a Work Order when requested. Failure to provide evidence of coverage may, at Purchaser's sole option, result in termination of the Work Order.
- 42.10. By requiring insurance herein, DES does not represent that coverage and limits will be adequate to protect Contractor. Such coverage and limits shall not limit Contractor's liability under the

indemnities and reimbursements granted to DES or any Purchaser in this Contract or any Work Order.

43. Industrial Insurance Coverage

Prior to performing work under this Contract, Contractor shall provide or purchase industrial insurance coverage for its employees, as may be required of an "employer" as defined in Title 51 RCW, and shall maintain full compliance with Title 51 RCW during the course of this Contract. 47. Severability

If any term or condition of this Contract or the application thereof is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract are declared severable.

48. Waiver

Waiver of any breach of any term or condition of this Contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written instrument signed by the parties.

49. Treatment of Assets

49.1. Title to all property furnished by Purchaser shall remain in Purchaser. Title to all property furnished by Contractor, for which Contractor is entitled to reimbursement, other than rental payments, under this Contract or any Work Order, shall pass to and vest in Purchaser pursuant

to the **Ownership/Rights in Data** section. As used in this section **Treatment of Assets**, if the "property" is Contractor's proprietary, copyrighted, patented, or trademarked works, only the applicable license, not title, is passed to and vested in Purchaser.

Contractor acknowledges that DES and Purchaser are subject to chapter 42.56 RCW and that this Contract and any Work Orders shall be a public record as defined in chapter 42.56 RCW. Any specific information that is claimed by Contractor to be Proprietary Information must be clearly identified as such by Contractor. To the extent consistent with chapter 42.56 RCW, DES and Purchaser shall maintain the confidentiality of all such information marked Proprietary Information in their possession. If a public disclosure request is made to view Contractor's Proprietary Information, DES or Purchaser, as applicable, will notify Contractor of the request and of the date that such records will be released to the requester unless Contractor obtains a court order from a court of competent jurisdiction enjoining that disclosure. If Contractor fails to obtain the court order enjoining disclosure, DES or Purchaser, as applicable, will release the requested information on the date specified.

Disputes and Remedies

51. Disputes

- 51.1. In the event a bona fide dispute concerning a question of fact arises between Contractor and Purchaser and it cannot otherwise be resolved between the parties or by the Program Manager, either party may initiate the dispute resolution procedure provided herein.
- 51.2. The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within five (5) Business Days. The initiating party shall then have five (5) Business Days to review the response. The parties shall then have five (5) Business Days to negotiate in good faith to resolve the dispute.
 - a) If the dispute is not resolved by the parties during this negotiation period, either party may request a Dispute Resolution Panel to be convened by requesting it in writing and identifying the first panel member. Within five (5) Business Days of receipt of the request, the other party will designate the second panel member. Those two panel members will appoint a third individual to the dispute resolution panel within the next five (5) Business Days.
 - b) The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.
 - c) Each party shall bear the cost for its panel member and its attorneys' fees and share equally the cost of the third panel member.

- 51.3. Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible. Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has been invoked and issued its decision on the matter in dispute.
- 51.4. Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.
- 51.5. If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

52. Non-Exclusive Remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

53. Liquidated Damages

Liquidated Damages may be applicable under Purchaser Work Orders. Purchaser shall include any Liquidated Damages clause in its Work Order.

54. Failure to Perform

If Contractor fails to perform any substantial obligation under this Contract or any Work Order, DES and/or Purchaser, as applicable, shall give Contractor written notice of such Failure to Perform. If after thirty (30) calendar days from the date of the written notice Contractor still has not performed, then DES or Purchaser may withhold all monies due and payable to Contractor, without penalty to DES or Purchaser, until such failure to perform is cured or otherwise resolved.

55. Limitation of Liability

- 55.1. The parties agree that Contractor, DES and Purchaser shall not be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on breach of the Security of the System, patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract or in the related Work Order. Except as set forth in this section, any further limitation of liability shall be only as set forth in Purchaser's Work Order. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled **Termination for Default** and **Review of Contractor's Records** are not consequential, incidental, indirect, or special damages as that term is used in this section.
- 55.2. Contractor, DES and Purchaser shall not be liable for damages arising from causes beyond the reasonable control and without the respective fault or negligence of Contractor, DES or Purchaser. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of a governmental body other than DES or Purchaser acting in either a sovereign or contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the

delays must be beyond the reasonable control and without fault or negligence of Contractor, DES, or Purchaser, or their respective Subcontractors.

- 55.3. If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the Services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.
- 55.4. Contractor, DES and Purchaser shall not be liable for personal injury to another party or damage to another party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

56. Termination for Default

- 56.1. If Contractor violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its material obligations under this Contract, or any Work Order, as applicable, then the DES Master Contract Administrator or Purchaser shall give Contractor written notice of such failure or violation, and the failure or violation shall be corrected by Contractor within thirty (30) calendar days or as otherwise agreed. If such breach is not capable of cure within thirty (30) days, Contractor must commence cure within such thirty (30) day period and diligently pursue completion of such cure. If Contractor's failure or violation is not so corrected, this Contract may be terminated immediately by written notice from DES to Contractor, or a Work Order may be terminated by written notice to Contractor from Purchaser.
- 56.2. In the event of termination of an Work Order by Purchaser or this Contract by DES, Purchaser or DES shall have the right to procure the Services that are the subject of this Contract on the open market and Contractor shall be liable for all damages, including, but not limited to: (i) the cost difference between the original Master Contract price for the Services and the replacement costs of such Services acquired from another vendor; (ii) if applicable, all administrative costs directly related to the replacement of the Work Order or this Master Contract, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, staff time costs; and, (iii) any other direct costs to Purchaser or DES resulting from Contractor's breach. DES and Purchaser shall have the right to deduct from any monies due to Contractor, or that thereafter become due, an amount for damages that Contractor will owe DES or Purchaser for Contractor's default.
- 56.3. If either DES or Purchaser violates any material term or condition of this Contract or any Work Order, as applicable, or fails to fulfill in a timely and proper manner its obligations under this Contract or a Work Order, as applicable, then Contractor shall give DES or Purchaser, as appropriate, written notice of such failure, which shall be corrected by DES or Purchaser within thirty (30) calendar days, or as otherwise agreed. If such failure to perform is not so corrected, Purchaser's Work Order may be terminated by written notice from Contractor to Purchaser or, if appropriate, this Master Contract may be terminated by written notice from Contractor to DES.
- 56.4. If the failure to perform is without the defaulting party's control, fault, or negligence, the termination shall be deemed to be a **Termination for Convenience**.
- 56.5. This section shall not apply to any failure(s) to perform that results from the willful, reckless or negligent acts or omissions of the aggrieved party.

57. Termination for Convenience

- 57.1. When, at the sole discretion of DES, it is in the best interest of the State, DES may terminate this Contract, in whole or in part, by fourteen (14) calendar days written notice to Contractor.
- 57.2. Purchaser may terminate a Work Order upon fourteen (14) calendar days written notice to Contractor. If a Work Order is so terminated, Purchasers are liable only for payments for Services received and accepted by Purchaser prior to the effective date of termination.

58. Termination for Withdrawal of Authority

In the event that DES's or Purchaser's authority to perform any of its duties is withdrawn, reduced, or limited in any way after the commencement of this Contract or any Work Order and prior to normal completion, DES may terminate this Contract, or Purchaser may terminate its Work Order(s), by seven (7) calendar days written notice to Contractor. No penalty shall accrue to DES or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

59. Termination for Non-Allocation of Funds

If funds are not allocated to DES to continue this Contract, or to Purchaser to continue any Work Order, in any future period, DES may terminate this Contract, or Purchaser may terminate any Work Order by thirty (30) calendar days written notice to Contractor or work with Contractor to arrive at a mutually acceptable resolution of the situation. DES or Purchaser will not be obligated to pay any further charges for Services including the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then-current period(s). DES or Purchaser agrees to notify Contractor in writing of such non-allocation at the earliest possible time. No penalty shall accrue to DES or Purchaser in the event this section shall be exercised. This section shall not be construed to permit DES to terminate this Contract, or Purchaser to terminate any Work Order, in order to acquire similar Services from a third party.

60. Termination for Conflict of Interest

DES may terminate this Contract, or Purchaser may terminate any Work Order, by written notice to Contractor if DES or Purchaser determines, after due notice and examination, that any party has violated chapter 42.52 RCW, Ethics in Public Service, or any other laws regarding ethics in public acquisitions and procurement and performance of contracts. In the event this Contract or any Work Order is so terminated, DES or Purchaser, as applicable, shall be entitled to pursue the same remedies against Contractor as it could pursue in the event Contractor breaches this Contract or any Work Order, as applicable.

61. Termination Procedure

- 61.1. Upon termination of this Master Contract or any Work Order, DES or Purchaser, in addition to any other rights provided in this Master Contract and applicable Work Order, may require Contractor to deliver to Purchaser any property specifically produced or acquired for the performance of such part of this Master Contract or Work Order as has been terminated. The section titled **Treatment of Assets** shall apply in such property transfer.
- 61.2. Unless otherwise provided herein, Purchaser shall pay to Contractor the agreed-upon Price, if separately stated, for the Services received by Purchaser, provided that in no event shall Purchaser pay to Contractor an amount greater than Contractor would have been entitled to if this Master Contract or Work Order had not been terminated. Failure to agree on such determination shall be a dispute within the meaning of the section of this Master Contract entitled **Disputes**. Purchaser may withhold from any amounts due Contractor such sum as Purchaser determines to be necessary to protect Purchaser from potential loss or liability.

61.3. Contractor shall pay any amounts due Purchaser as the result of termination within thirty (30) calendar days of notice of the amounts due. If Contractor fails to make timely payment, Purchaser may charge interest on the amounts due at one percent (1%) per month until paid in full.

62. Covenant Against Contingent Fees

62.1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract or any Work Order upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, *except* bona fide employees or a bona fide established commercial or selling agency of Contractor.

62.2. In the event Contractor breaches this section, DES shall have the right to annul this Contract without liability to DES, and Purchaser shall have the right to either annul any Work Order without liability to Purchaser or, in Purchaser's discretion, deduct from payments due to Contractor, or otherwise recover from Contractor, the full amount of such commission, percentage, brokerage, or contingent fee.

63.3. The Master Contract Administration Fee shall be included in all Contractor Prices listed in Schedule A of this Contract and shall not be invoiced as a separate line item to Purchaser.

63.4. Contractor shall hold the Master Contract Administration Fee in trust for DES until the Fees are remitted to the DES Master Contract Administrator, along with the Master Contract Activity Report.

64. Activity Reporting

64.1. Unless otherwise agreed to by DES and the Contractor, the Contractor shall submit to the DES Master Contract Administrator a quarterly Activity Report each quarter in which payment is received for Services purchased under this Master Contract. When agreed by DES and Contractor, the DES Master Contract Administration Fee can be paid through Electronic Funds Transfer (EFT) to an Automated Clearing House (ACH). Contractor can utilize the ACH Debit option, which is an arrangement between the Contractor and DES' bank. Contractor initiates the action, specifying the amount of funds and the effective date of payment. On the effective date, the funds are withdrawn from Contractor's account and transferred to the DES account. Contractor will be provided by separate instrument the DES account information and a toll-free number to initiate the quarterly transaction. There is no additional cost to Contractor.

66. Failure to Remit Reports/Fees

- 66.1. Failure of Contractor to remit the Master Contract Activity Report together with the Master Contract Administration Fee may be considered a failure to perform on the part of Contractor, which may result in DES terminating this Master Contract with Contractor.
- 66.2. The DES Contract Administrator will notify Contractor of any Purchaser who has forfeited its right to purchase under this Master Contract. After such notification, any sale by Contractor to a forfeiting Purchaser may be considered failure to perform by Contractor.

67. Periodic Contractor Performance Evaluation and Report

- 67.1. Purchasers will periodically evaluate Contractor's Performance in a Contractor Performance Report.
