Subject to approval of the Participating State, Fulfillment Partners may be added at any time during the PA term at the sole discretion of Cisco, with a minimum of two Resellers and no set maximum number of Resellers who may be used, subject to the approval of the Participating State. Cisco, in its sole discretion, is not required to add and may delete upon thirty (30) days written notice any Reseller who does not meet Cisco's established qualifying criteria, or where the addition of the entity would violate any state or federal law or regulation.

The name, address and approved contact number for Cisco approved Fulfillment Partners shall be separately set forth at the Contractor's website, as amended by Cisco during the term of this PA, including any applicable technical certifications or general limitations (e.g., geographic) or Cisco qualifying criteria as applicable (qualifying criteria).

5. **Ordering/Invoices**

Purchasers may place orders directly only through these Fulfillment Partners or through Cisco on products or services only provided through Cisco. Only those Fulfillment Partners approved and listed during the term of PA at Contractor's website are authorized to directly receive purchase orders, invoice Customers, and receive payment from Purchasers on Contractor's behalf. All authorized Fulfillment Partners are eligible to quote pricing to Purchasers for procurements under this PA which otherwise meet the Partner's qualifying criteria.

Except as otherwise set forth in the qualifying criteria, Cisco will not, directly or indirectly, restrict any Fulfillment Partner's participation or ability to quote pricing for a Customer. Fulfillment Partner will not offer less favorable pricing discounts than the contract discounts established by Cisco under the Master Agreement. However, any additional incremental discounts available to WSCA Purchasers, if offered, may be provided in the discretion and as the sole legal obligation of the Fulfillment Partner to the Participating State.

The Master Agreement number and the State Contract Number must appear on every Purchase Order placed under this PA.

Authorized Fulfillment Partners are responsible for delivering required contract reports and remittances to the WSCA Contract Manager in accordance with the requirements and schedule for delivery established in the Master Agreement.

6. **Term**

The term of this PA shall begin on the Effective Date and shall continue for a period ending on the Termination Date of the WSCA Master Agreement or when this Participating Addendum is terminated in accordance with the WSCA Master Agreement, whichever shall occur first.

This PA is entered into for good and valuable consideration, the mutual receipt of which is hereby acknowledged by the Parties, on the terms and conditions set forth below as of the date of last signature below (the "Effective Date" of this Participating Addendum). This PA together with its Attachment 1 hereto and together with the Master

Agreement and all Exhibits and Attachments thereto (administered by the State of Utah), set forth the entire agreement between the parties with respect to the subject matter hereof and supersede all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Additionally, the Utah State Procurement Code and Procurement Rules referenced in Section 6b of the Cover Page (State of Utah Contract Signature Page) of the Master Agreement are expressly excluded. Terms and conditions inconsistent with, contrary to, or in addition to the terms and conditions of this PA and the Master Agreement, shall not be added to or incorporated into this PA or the Master Agreement, by any subsequent purchase order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of this PA shall prevail and govern over any and all such inconsistent or additional terms. All Orders (as defined in Attachment 1) issued by Purchasers (as defined in Attachment 1) within the jurisdiction of this PA shall include the terms of this PA and reference PA Number T10-MST-325. The terms agreed upon in this PA reflect the Parties intent to limit the scope of this PA to the Unified Communication Product lines and to limit the scope of the Purchasers allowed. The parties shall amend this PA in writing to reflect the terms associated with an expansion to the Scope, Product Line or Purchasers prior to any such expansion. Both parties reserve the right to amend this PA as needed

IN WITNESS WHEREOF, the parties have executed this PA as of the date of execution by both parties below.

4. **PATENT AND COPYRIGHT INDEMNIFICATION.** Section 9 of Attachment B is deleted and replaced with the following:

9. Patent and Copyright Indemnification

9.1 Cisco will have the obligation to defend any claim, suit or proceeding brought against DIS or Purchaser, so far as it is based on a claim that any Products infringe a copyright or issued patent or for a reasonable royalty on a published patent application enforceable in the United States (in all cases, such copyright or patent existing or issued no later than five years following the termination or expiration of this Contract or a patent application published as of the date of termination or expiration of this contract) or misappropriates a trade secret. Cisco shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys’ fees awarded by a court of competent jurisdiction or reasonably incurred by DIS or Purchaser. Cisco’s obligations specified in this paragraph will be conditioned on:

- a. DIS or Purchaser notifying Cisco promptly in writing of the claim or threat thereof, but DIS’ or Purchaser’s failure to provide timely notice shall only relieve Cisco from its defense obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Cisco;
- b. DIS or Purchaser agreeing to use its best efforts to encourage the Office of the Attorney General of Washington to give Cisco full and exclusive authority for the defense and settlement thereof and any subsequent appeal. In the event that DIS or Purchaser has used its best efforts as aforesaid and the Office of the Attorney General of Washington participates in the defense and settlement of the claim and any subsequent appeal, DIS or Purchaser agrees: (i) that any participation shall be at the cost and expense of DIS or Purchaser; and (ii) that the Office of the Attorney General of Washington shall not prevent Cisco from settling the claim provided that any such settlement or compromise includes a release of the state of Washington and Purchaser from all liability arising out of the claim; and
- c. DIS or Purchaser providing information for and assistance with the defense and settlement thereof and any subsequent appeal.

9.2 If such claim has occurred, or in Cisco’s opinion is likely to occur, DIS and Purchaser agree to permit Cisco, at its option and expense, either to: (a) procure for Purchaser the right to continue using the Products; (b) replace or modify the same so that it becomes non-infringing; or (c) if neither of the foregoing alternatives is reasonably available, immediately terminate Cisco’s obligations (and Purchaser’s rights) under this Contract with regard to such Products, and, if Purchaser returns such Products to Cisco, refund to Purchaser the price originally paid by Purchaser to Cisco for such Products, less reasonable amortization for use.

9.3 Notwithstanding the foregoing, Cisco has no liability for any claim of infringement based upon: (a) the combination, operation, or use of any Products with equipment, devices, or software not supplied by Cisco, (b) alteration or modification of any Products; or (c) Cisco’s compliance with

Purchaser's designs, specifications, or instructions; unless the claim arose against Cisco's Product *independently* of any of these specified actions.

9.4 Cisco also shall have no liability for any claim based upon the amount or duration of use that Purchaser makes of the Product or revenue from services provided by Purchaser to external or internal customers that utilize the Products, except that this does not limit Cisco's obligations under subsection 0 for claims alleging infringement of the Products and Reports themselves.

9.5 Notwithstanding any other provisions hereof, Cisco shall not be liable for any claim based on Purchaser's use of the Products after Cisco has informed Purchaser of modifications or changes in the Products required to avoid such claims and offered to implement those modifications or changes, if such claim would have been avoided by implementation of Cisco's suggestions.

The foregoing states the entire obligation of Cisco and its suppliers and the exclusive remedy of Purchaser with respect to infringement or misappropriation of intellectual property rights. The foregoing is given to DIS and Purchaser solely for their benefit and in lieu of, and Cisco disclaims, all warranties of non-infringement with respect to the Products.

Failure to provide evidence of coverage may, at DIS' sole option, result in this PA's termination.
- 17.1.g By requiring insurance herein, DIS does not represent that coverage and limits will be adequate to protect Contractor. Such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the State in this PA.

6. GENERAL INDEMNITY. Section 17.2 "General Indemnity" of Attachment B shall be deleted in its entirety and replaced with the following:

Contractor and Purchaser shall protect, indemnify and save each other harmless, to the extent permitted by law, from and against any claims, damages, losses, liabilities or expenses, including reasonable attorneys' fees, resulting from any third-party claim, for any or all bodily injuries to persons or damage to tangible personal property (excluding lost data) arising from intentional, willful or negligent acts or omissions of the indemnifying party, its officers, employees, agents, or subcontractors. 13. PUBLICITY.

The Master Agreement, Attachment D, Section 8, last paragraph shall be deleted in its entirety and replaced with the following:

Contractor agrees to submit to DIS, all advertising, sales promotion, and other publicity materials relating to this PA and Services furnished by Contractor wherein DIS' or Purchaser's name is mentioned, language is used, or Internet links are provided from which the connection of DIS' or Purchaser's name therewith may, in DIS' or Purchaser's judgment, be inferred or implied. 19.2 (4). Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue

without delay to carry out all their respective responsibilities under this PA that are not affected by the dispute.

19.2 (5) If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

Resellers' remittance addresses will be posted at the WSCA website, along with their contact information and "remit to" addresses.

D. Contractor Requirements

1. Contractor Responsibility

Contractor is solely responsible for fulfillment of the responsibilities under the terms and conditions of the contract. Without diminishing the foregoing, Contractor may authorize one or more of its Fulfillment Partners, as defined in this Agreement, Attachment B § 1, to directly fulfill any of its responsibilities under this Agreement. The Purchaser will issue purchase orders and make payments to the named Contractors or its authorized Fulfillment Partners as updated on the WSCA website. References in the Contract to the "Contractor" shall be understood to refer to its respective Fulfillment Partners, as authorized by Cisco.

2. Serving Subcontractors

If Contractor or its Fulfillment Partners are using servicing subcontractors for the performance of local marketing, maintenance and/or technical support services in accordance with the terms and conditions of this Contract, servicing subcontractors may not directly accept purchase orders or payments for products or services from Purchasers under the terms and conditions of the contract. Only Contractor or Fulfillment Partners authorized by Cisco and listed on the WSCA website may directly accept purchase orders, invoice or receive payments for products or services under the terms and conditions of the contract. The authorized Purchaser has the option of choosing whether to purchase the associated OEM maintenance and/or training to support the equipment purchased.

3. WSCA Administration Fee

The Contractor must pay a WSCA administration fee of one half of one percent (0.5%) in accordance with the terms and conditions of this Contract. The WSCA administration fee is not negotiable.

The administration fee is calculated by multiplying 0.5% against the "Net Purchase Price" paid by the Customer. The "Net Product Purchase Price" is defined as Contractor's product list price, minus all applicable contract discounts, rebates or value added incentives, and excluding sales, use, or other applicable taxes, surcharges or like fees, to the extent applicable to an Order.

The WSCA Administration Fee shall be made out to WSCA and paid quarterly at the time of submission of each report to the following address:

Failure to adhere to this requirement may result in termination of the contract for cause.
8. Contractor's Scope of Equipment and Services
Contractor may only fill contract orders from the scope of equipment and services under contract. Any sale made under this contract by the Contractor of equipment, products or services not explicitly covered by the scope of Products and related Services described in Section A, above, as now or hereafter updated or amended by the parties, may result in contract termination for cause.
9. E-Rate Requirement
Contractor must participate in the Federal Communication Commission's E-rate discount program established under authority of the Federal Telecommunications

Commission Act of 1996. Participation in, and implementation of, this program must be provided without the addition of any service or administration fee by the Contractor.

Contractor agrees to delete obsolete and discontinued products from the contract price list(s) on a timely basis. 11. Maintenance of Then-Current Price List with Firm Discount(s) Applied

Manufacturer's price list(s) must be tailored by the Contractor for WSCA with the WSCA contract discount(s) applied; this must be created and maintained by the Contractor on an Internet website hosted by the Contractor, at no additional charge(s) to WSCA. This website will be listed as a link from the WSCA website.

Any sale by the Contractor of equipment, products or services not explicitly covered by the scope of equipment, products and related services described below may result in contract termination for cause.

1. Discounts off Manufacturers Price List

a. Pricing Discounts

Products and Services sold under the WSCA Master Agreement are subject to the then-current Cisco Global Price List in effect at time of order as posted on Contractor's website at <http://www.cisco.com>, less the applicable contract discounts set forth below.

<u>Product</u>	35%
<u>Smartnet Maintenance</u>	
1 year:	10%;
3 year prepaid commit:	17%
<u>Professional Services/AS/Training</u>	10%

The pricing discounts set forth above (and in Attachment A – Addendum 1) apply to purchases made under this WSCA Agreement upon the same terms and conditions set forth herein during the contract term.

To the extent that a Participating State or individual Purchaser proposes additional requirements or a change to the stated terms and conditions set forth in this Agreement, both Contractor and the Purchaser shall mutually agree to such change in writing in the Participating Addendum. However, the Contractor reserves the right, in its sole discretion and judgment, as a condition of giving its consent, to modify the pricing discounts stated herein to reflect potential additional costs, obligations, risks or liabilities associated such additional terms, or to reject the proposed change. In the event of Contractor's agreement, the agreed upon changes shall be set forth in the Participating Addendum.

b. WSCA Member-State Coverage

Cisco will serve all WSCA states.

A list of approved Authorized Resellers under each Participating Addendum will be maintained by Contractor online throughout the term of the Contract.

Escalation of outstanding contract issues, including warranty, maintenance or service issues, shall be first resolved in accordance with the Fulfillment Partner's escalation procedures posted and maintained at the Fulfillment Partner's WSCA website.

For all ongoing, transactional issues that cannot be resolved satisfactorily following the Reseller escalation procedures, customers should contact the Contractor's Local designated point of contact named under the Participating Addendum.

With respect to Cisco Smartnet, the most current version of the "*Severity and Escalation Guidelines*" will be posted and maintained online during the life of the contract. The current guidelines are available at: <http://www.cisco.com/legal/services.html>

3. Escalation Procedures

Refer to Section 2, above.

4. Technical Services (Equipment Warranty, Installation, Training, Maintenance Options, Replacement and other miscellaneous included Services)

Cisco's Technical Services offerings as now or hereafter updated during the Contract term are included under this agreement. The most current version of Cisco's terms of services offerings are available on-line at:

<http://www.cisco.com/legal/services.html>. Customer orders for Technical Services will be subject to standard Cisco terms of service agreement in the form set forth in Attachment D to this Agreement.

5. Fulfillment Partners (Resellers)

A list of the Fulfillment Partners authorized under Attachment C, Exhibit C, will be posted on the WSCA Website at www.aboutwsca.org and on the Contractor's network website. This list will be updated as changes are made during the contract term.

Fulfillment Partners must at all times be qualified and authorized by Cisco in order to participate as Resellers under this Contract. Fulfillment Partners are authorized by Cisco to fulfill any requirements under this Contract and are further subject to reasonable approval of the Participating Addendum signatory. At the request of and for the administrative convenience of WSCA, a minimum of two (2) and a maximum of five (5) Servicing Sub-Contractors shall initially be named under each Participating Addendum; provided, however, that additional Sub-Contractors may be added at any time under a Participating Addendum with the Participating Addendum signatory's consent.

 - 9.1.1. Purchaser notifying Cisco promptly in writing of the IPR Claim or threat thereof;
 - 9.1.2. Purchaser giving Cisco full and exclusive authority for the conduct of the defense and settlement of the IPR Claim and any subsequent appeal; and
 - 9.1.3. Purchaser giving Cisco all information and assistance reasonably requested by Cisco in connection with the conduct of the defense and settlement of the IPR Claim and any subsequent appeal.
 - 9.2. For the purposes of this Agreement, Third Party IPR means a United States copyright existing as at the date of Purchase or a United States patent issued as at the date of Purchase Order.
 - 9.3. If an IPR Claim has been made, or in Cisco’s reasonable opinion is likely to be commenced, Purchaser agrees to permit Cisco, at its option and expense, either to: (a) procure for Purchaser the right to continue using the Product; (b) replace or modify the Product so that it becomes non-infringing; or (c) immediately terminate both parties’ respective rights and obligations under this Agreement with regard to the Product, in which case Purchaser will return the Product to Cisco and Cisco will refund to Purchaser the price originally paid by Purchaser to Cisco for the Product, as depreciated or amortized by an equal annual amount over three years from date of original shipment.
 - 9.4. Notwithstanding the foregoing, Cisco has no liability for, and Purchaser will defend and indemnify Cisco against, any IPR Claim arising from:
 - 9.4.1. the combination, operation, or use of a Product supplied under this Agreement with any product, device, or software not supplied by Cisco;

- 9.4.2. the amount or duration of use which Purchaser makes of the Product, revenue earned by Purchaser from services it provides which utilize the Product, or services offered by Purchaser to external or internal customers;
 - 9.4.3. the alteration or modification of any Product supplied under this Agreement from and after the date such Product is so supplied and such alteration or modification is not made by Cisco;
 - 9.4.4. Cisco's compliance with Purchaser's designs, specifications, or instructions; or
 - 9.4.5. Purchaser's use of the Product after Cisco has informed Purchaser of modifications or changes in the Product required to avoid such an IPR Claim if the alleged infringement would have been avoided by implementation of Cisco's recommended modifications or changes.
- 9.5. THIS SECTION STATES THE ENTIRE OBLIGATION OF CISCO AND ITS SUPPLIERS, AND THE EXCLUSIVE REMEDY OF PURCHASER, IN RESPECT OF ANY INFRINGEMENT OR ALLEGED INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHTS OR PROPRIETARY RIGHTS. THIS INDEMNITY OBLIGATION AND REMEDY ARE GIVEN TO PURCHASER SOLELY FOR ITS BENEFIT AND IN LIEU OF, AND CISCO DISCLAIMS, ALL WARRANTIES, CONDITIONS AND OTHER TERMS OF NON-INFRINGEMENT WITH RESPECT TO ANY PRODUCT.
10. **AWARD:** (*Intentionally Omitted*).
11. **NON-COLLUSION:** By signing the proposal the offeror certifies that the proposal submitted, has been arrived at independently and has been submitted without collusion with, and without any agreement, understanding or planned common course of action with, any other vendor of materials, supplies, equipment or services described in the Request for Proposal, designed to limit independent bidding or competition.
12. **TERM AND CANCELLATION:**
- 12.1. Term**
- This WSCA Master Agreement shall commence on the Effective Date and continue thereafter through the Termination Date of May 31,2010 (the "Initial Term"), unless sooner terminated, as provided in this WSCA Master Agreement.
- The WSCA Master Agreement may be extended and amended after the Initial Term upon mutual written agreement by the parties prior to the expiration of any then current term. The WSCA Master Agreement is renewable on a bi-annual or annual basis, up to a maximum of four total

renewals years (contract potential is 7 years, including all renewal options).

With respect to the term of any services ordered, the term will be governed by the ordering document subject to the terms of Attachment D.

12.2. Termination for Convenience

12.2.1. WSCA Master Agreement: Either party (State or Cisco) may terminate this WSCA Master Agreement for convenience at any time by providing the other party with at least one hundred twenty (120) calendar days' written notice prior to the effective date of the cancellation. The termination date specified in the notice shall be on or after the first anniversary of the Effective Date of the initial contract term. The WSCA Master Agreement shall automatically terminate at the end of the period for which notice is given.

Any cancellation under this provision shall not affect the rights and obligations of either party attending orders outstanding at the time of cancellation, e.g., any right of Purchasing Entity to indemnification by the Contractor, rights of Contractor payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any prior order.

12.2.2. Participating Addendum: Either party to a *Participating Addendum* may terminate a *Participating Addendum* at any time by providing the other with at least forty-five (45) calendar days' written notice prior to the effective date of cancellation. The *Participating Addendum* shall automatically terminate at the end of the period for which notice is given.

Any cancellation under this provision shall not affect the rights and obligations of either party attending orders outstanding at the time of cancellation, e.g., any right of and Participating State to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any prior order.

12.3. Termination for Non-Appropriation of Funds.

Purchaser under a *Participating Addendum* shall have no liability to Contractor beyond funds that are appropriated and made available to the Purchaser by the applicable legislative body.

If sufficient funds are not appropriated by legislative action to a Purchaser as to any future period, Purchaser may terminate its Order(s) prospectively as to such future performance impacted by and to the extent of non-appropriation, or otherwise work with Contractor to arrive at a mutually acceptable resolution of the situation. Purchaser shall notify Contractor in writing of such non-appropriation within thirty (30) calendar days of final legislative action.

No penalty shall accrue to Participating States or its Purchasers in the event this section shall be exercised. This section shall not be construed to permit Participating States to terminate this agreement, or a Purchaser to terminate its Order(s) as to the period for which appropriations were made and available or as to any future period in order to acquire similar Products or Services from a third party.

Any cancellation under this provision shall not affect the rights and obligations of either party attending orders outstanding up to the time of non-appropriation of funds, e.g., any right of and Participating State to indemnification by the Contractor, rights of payment for goods/services delivered and accepted, and rights attending any warranty or default in performance in association with any prior order.

12.4. Termination for Default:

12.4.1. WSCA Master Agreement: The State or Cisco may terminate this WSCA Master Agreement if either party breaches the terms of the WSCA Master Agreement as follows: (a) immediately upon providing written notice to the breaching party if the breach is not capable of being cured, and (b) sixty (60) calendar days after providing written notice to the breaching party if the breaching party otherwise fails to cure a material breach within such sixty (60) calendar day period or commence cure within such sixty (60) calendar day period or diligently pursue completion of such cure.

Notwithstanding the foregoing, the WSCA Master Agreement may be terminated immediately by Contractor for cause in the event of Purchaser's breach of the following Section in Attachment C, Section 4 (Software License), Section 14 (Export Restrictions), or Section 5 (Confidential Information).

12.4.2. Participating Addendum: If either party to a *Participating Addendum* (including the State of Utah when acting in its sovereign capacity under this Agreement) materially breaches any of the provisions of a *Participating Addendum*, the non-breaching party may terminate the *Participating Addendum* as follows: (a) immediately upon providing written notice to the breaching party if the breach is not capable of being cured, and (b) thirty (30) calendar days after providing written notice to the breaching party if the breaching party fails to cure such breach within such thirty (30) calendar day period. Notwithstanding the foregoing, a *Participating Addendum* may be terminated immediately by Contractor for cause in the event of Purchaser's breach of the following Sections in Attachment C: Section 4 (Software License), Section 14 (Export Restrictions), or Section 5 (Confidential Information).

The cure periods stated in the above paragraph shall not apply to any failure(s) to perform that result from the willful or negligent acts or omissions of the aggrieved party.

12.5. Rights On Termination or Expiration

- 12.5.1. Upon termination or expiration of this agreement or a *Participating Addendum*, (a) Cisco reserves the right to cease all further delivery of Product or Services, (b) all outstanding invoices become due and payable within thirty (30) days of termination, and (c) all rights and licenses of Customer under this Agreement shall terminate, subject to the terms of this Section. If Cisco agrees to complete delivery of any further Products or Services due against any existing accepted Purchase Orders then Customer shall pay for such Products or Services in advance within thirty (30) days.
- 12.5.2. Except for a termination of this Agreement resulting from Customer's breach of Attachment C, Section 4 (Proprietary Rights and Software Licensing), Section 5 (Confidential Information), or Section 14 (Export, Re-Export, Transfer & Use Controls), upon termination or expiration of this Agreement, Customer may continue to use, in accordance with the terms and conditions of this Agreement and/or the Participating Addendum, Products provided to it by Cisco prior to the date of termination or expiration provided payment has been made in full for such Products.
- 12.5.3. Upon termination or expiration of this Agreement, Customer shall immediately return to Cisco all Confidential Information (including all copies thereof) then in Customer's possession, custody or control (except that customer may retain one archival copy for records retention purposes only as required by law); provided that, except for a termination resulting from Customer's breach of Attachment C, Section 4 (Proprietary Rights and Software Licensing), Section 5 (Confidential Information), or Section 14 (Export Restrictions), Customer may retain a sufficient amount of such Confidential Information and material to operate its installed base of Products.
- 12.5.4. In the event of any termination pursuant to this section, and unless otherwise required by law or court of competent jurisdiction, Purchaser shall remain obligated to comply in perpetuity with the provisions of Attachment C: Section 4 (Software License), Section 14 (Export Restrictions), or Section 5 (Confidential Information) for purchased product.

12.6. Validity of Orders

The parties agree that if Purchaser places a firm Order prior to the expiration or termination of this Agreement (or a Participating Addendum), which by its terms would extend beyond the expiration or termination of this Agreement (or a Participating Addendum), and

Contractor has accepted such Purchase Order(s) prior to the expiration or termination of the Agreement or a Participating Addendum, then any such Purchase Order(s) (i) shall remain in effect and be governed by the terms and conditions of this Agreement, and (ii) shall survive expiration of this Agreement in accordance with the terms herein but will not be considered an extension of the term of the Agreement nor a renewal thereof.

No orders placed after expiration or termination of this Agreement shall be valid.

13. **DEFAULT AND REMEDIES:** See Section 12, above.

14. **COMPLIANCE WITH LAWS AND REGULATIONS:** The respective party's performance under this Agreement shall comply fully with all applicable Federal and State laws and regulations (including, but not limited to, any hazardous chemical laws and regulations) to the extent they are applicable to the Products and/or Services provided under this Agreement. In the event Cisco fails to comply with such requirements, Customer's sole and exclusive remedy shall be payment by Cisco of any fines imposed on Customer by the party entitled to enforce such laws due to Cisco's failure to comply.

If any law changes after the Effective Date (which such changed law was not reasonably contemplated on the Effective Date) to the material detriment of Cisco (as determined in its sole reasonable discretion), then: (i) the applicable parties may mutually negotiate the up charge to offset the cost of such compliance; (ii) Cisco can unilaterally choose not to ship such Product or perform such Service (a) under an individual Order, or (b) across a like class of all Orders under this Agreement in consultation with the WSCA Contract Manager, or (c) delete such class of Product(s) or Service(s) from the scope of this Agreement in consultation with the WSCA Contract Manager; or (iii) Cisco may unilaterally terminate the applicable Order(s).

15. **CONFLICT OF TERMS:** In the event of any conflict among the terms and conditions in the Agreement, the order of precedence for the contract terms will be as follows:

1. *Participating Addendum*
2. WSCA Master Agreement:
 - a. Cover Page
 - b. Attachment B: *WSCA Standard Terms and Conditions (Revised)*
 - c. Attachment A: *Addendum 1*
 - d. Attachment C: *Contractor Terms and Conditions*
 - e. Attachment D: *Cisco Master Service Terms and Conditions*

16. **REPORTS:** Contractor shall submit quarterly reports to the WSCA Contract Manager showing the quantities and dollar volume of purchases of product and services by each Participating State [and its Purchasers]. The due dates of each quarterly contract usage report are April 30, July 31, October 31 and January 31. The State of Utah, as WSCA Contract Manager, represents and warrants to Contractor that it is authorized to collect data on purchases under this Agreement. The Purchaser recognizes that this data is public information. Cisco will use commercially reasonable efforts to provide the information set forth on *Attachment B*, Exhibit D (Form of Quarterly Report) and shall be fully indemnified by the State of Utah from any liability to Purchasers under this Agreement for providing Purchasers' data to the State of Utah. Contractor is obligated to produce the quarterly reports in the format specified by WSCA in *Attachment B*, Exhibit D.

17. **INSURANCE; HOLD HARMLESS; GENERAL INDEMNITY; LIMITATION OF LIABILITY; CONSEQUENTIAL AND OTHER DAMAGES:**

17.1. **General Liability Insurance.** Contractor shall maintain Commercial General Liability insurance with bodily injury and property damage limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. Such insurance shall (a) provide for contractual liability coverage, (b) provide for cross liability coverage, and (c) name the other party and its subcontractors, as well as the directors, officers, employees, agents, successors and assigns of all of them, as additional insureds, but only to the extent of liabilities falling within the indemnity obligations of the other party pursuant to the terms of Subsection 17.2. Nothing in this section shall prohibit any applicable party from providing any or all of the insurance coverages required on a self-insured basis.

17.2. **General Indemnity**

Subject to governmental immunities of the Participating States, each party to this Agreement and to each *Participating Addendum*, as the case may be, shall defend, indemnify and hold harmless the other, its corporate affiliates and their respective officers, directors, employees, and agents and their respective successors and assigns from and against any and all claims, losses, liabilities, damages, and expenses (including, without limitation, reasonable attorneys' fees), including without limitation those based on contract or tort, arising out of or in connection with a claim, suit or proceeding brought by a third party based upon bodily injury (including death) or damage to tangible personal property (not including lost or damaged data) arising from the negligent or intentional acts or omissions of the indemnifying party or its subcontractors, or the officers, directors,

employees, agents, successors and assigns of any of them. In the event that the indemnified party's or a third party's negligent or intentional acts or omissions contributed to cause the injury or damage for which a claim of indemnity is being asserted against the indemnifying party hereunder, the damages and expenses (including, without limitation, reasonable attorneys' fees) shall be allocated or reallocated, as the case may be, between the indemnified party, the indemnifying party and any other party bearing responsibility in such proportion as appropriately reflects the relative fault of such parties, or their subcontractors, or the officers, directors, employees, agents, successors and assigns of any of them, and the liability of the indemnifying party shall be proportionately reduced.

The foregoing indemnification obligations are conditioned upon the indemnified party promptly notifying the indemnifying party in writing of the claim, suit or proceeding for which the indemnifying party is obligated under this Subsection, cooperating with, assisting and providing information to, the indemnifying party as reasonably required, and granting the indemnifying party the exclusive right to defend or settle such claim, suit or proceeding; provided that any such settlement or compromise includes a release of the indemnified party from all liability arising out of such claim, suit or proceeding.

- 17.3. **Limitation of Liability.** EXCEPT FOR THOSE OBLIGATIONS UNDER SECTIONS 9 (INTELLECTUAL PROPERTY INFRINGEMENT) AND 17.2 (GENERAL INDEMNITY), NOTWITHSTANDING ANYTHING ELSE HEREIN, ALL LIABILITY OF CONTRACTOR AND ITS SUPPLIERS TO ANY PURCHASER FOR CLAIMS ARISING UNDER THIS AGREEMENT, THE APPLICABLE PARTICIPATING ADDENDUM, OR OTHERWISE SHALL BE LIMITED TO THE MONEY PAID TO CONTRACTOR FOR PRODUCTS OR FOR SERVICES WITH RESPECT TO SUCH PURCHASER DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT OR CIRCUMSTANCES GIVING RISE TO SUCH LIABILITY. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER INCIDENT.
- 17.4. **Waiver of Consequential and Other Damages.** IN NO EVENT SHALL CONTRACTOR OR ITS SUPPLIERS BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, LOST REVENUE, LOST PROFITS, OR LOST OR DAMAGED DATA, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF CONTRACTOR OR ITS SUPPLIERS HAVE BEEN INFORMED OF THE POSSIBILITY THEREOF.
18. **ORDER NUMBERS:** Contractor or each Fulfillment Partner shall utilize its standard method for generating acknowledgments, shipping labels, packing slips,

invoices, and correspondence. Every Purchase Order or Ordering Document issued under this agreement will bear on the face of it the WSCA Master Agreement Number AR-233 and the Participating State's unique contract identifier associated assigned to its *Participating Addendum*.

19. **GOVERNING LAWS:**

- 19.1. WSCA Master Agreement: This WSCA Agreement and disputes hereunder solely between State acting on behalf of WSCA and Cisco shall be construed in accordance with the laws of the State of Utah. Venue for any claim, dispute or action concerning this Agreement shall be in Utah.
- 19.2. Participating Addendum: To the extent that both parties have mutually agreed to be bound by such laws under the terms of the *Participating Addendum*, each *Participating Addendum* and any dispute under the WSCA Master Agreement based upon a performance under a *Participating Addendum* shall be governed by the laws of the Participating State. Venue for any claim, dispute or action concerning an order placed against a *Participating Addendum* or the effect of a *Participating Addendum* shall be in the Participating State.

20. **SHIPPING AND DELIVERY - Products**

- 20.1. After receipt and acceptance by Cisco of Customer's Purchase Order(s), Cisco will use commercially reasonable efforts to ship all direct purchase orders designated for shipment to U.S. locations within thirty (30) days for all Products. Please note that the following circumstances may affect lead times: (i) new products purchased within the first three (3) months of release of the product which are subject to Cisco's then current published lead-times, (ii) third-party stand-alone products which are not a component of equipment resold by Cisco, (iii) end-of-life products where the termination of the product has been announced by Cisco, (iv) products which have been line-stopped due to software discrepancies, reconfiguration, industry-wide product shortages, or alleged infringement claims, or (vi) situations where government rated orders create delays in lead-times.

Notwithstanding the foregoing, at any time when Customer states "expedite" on a Purchase Order or otherwise communicates to Cisco that a purchase order is to be expedited, Cisco shall use all commercially reasonable efforts to ensure the earliest possible delivery of such products.

- 20.2. Cisco will communicate scheduled shipping dates in the order acknowledgement and/or on Cisco.com within three (3) business days after receipt of an electronic Purchase Order on Cisco.com, provided, however, that in the event such notification is not received in this time period, Customer shall notify Cisco of the non-receipt, and Cisco's sole

obligation with respect to such non-receipt shall be to promptly provide the information to the Customer after such notification.

- 20.3. If Cisco has reason to believe that the actual shipment date will occur later than the original shipment date acknowledged by Cisco for reasons caused by Cisco, Cisco shall use commercially reasonable efforts to promptly provide additional information to Customer including by electronic posting of the expected period of delay and, upon request, of the steps available, if any, to minimize the delay. If the extended delivery date is anticipated to be more than thirty (30) calendar days beyond the originally scheduled delivery date, the parties will work in good to resolve any ordering issues pursuant to the order escalation process.
 - 20.4. Shipping terms are FOB destination, shipping and handling prepaid by Contractor. The method of shipment shall be consistent with the nature of the Products and hazards of transportation. Acceptance by Purchaser shall be deemed to have occurred upon delivery of the applicable Products to the applicable Purchaser. Title and risk of loss shall pass to Purchaser upon delivery.
 - 20.5. If Purchaser requests delivery of Products to Purchaser's forwarding agent or other representative, Purchaser assumes responsibility for compliance with applicable export laws and regulations.
 - 20.6. Contractor is not liable for damage or penalty for delay in delivery or for failure to give notice of delay. Contractor shall not have any liability in connection with Product shipment other than as set forth in this Section 20.
 - 20.7. All sales are final. Except as provided in Cisco's Limited Warranty (see below), Cisco only permits the return of un-opened products due to Cisco's shipping or order processing error, or damage in transit. No other returns are authorized under this Agreement. Warranty returns will not be subject to any restocking charges.
21. **LIMITED WARRANTY:** All Products are sold with Cisco's standard limited warranty listed below:
- 21.1. Hardware. Cisco warrants that from the date of shipment by Cisco to Customer, and continuing for a period of the longer of (a) ninety (90) days or (b) the period set forth in the Warranty Card accompanying the Product, the Hardware will be free from defects in material and workmanship, under normal use. This limited warranty extends only to the original user of the Product. Customer's sole and exclusive remedy and the entire liability of Cisco and its suppliers under this limited warranty will be, at Cisco's or its service center's option, shipment of a replacement within the period and according to the replacement process described in the Warranty Card, or a refund of the purchase price, if the Hardware is returned to the party supplying it to Customer, if different than Cisco, freight and

insurance prepaid. Cisco replacement parts, used in Hardware repair, may be new or equivalent to new. Cisco's obligations hereunder are conditioned upon the returned of affected Products, in accordance with Cisco's then-current Return Material Authorization (RMA) procedures.

- 21.2. Software. Cisco warrants that from the date of delivery by Cisco to Customer (but in case of resale by a Cisco reseller, commencing not more than ninety (90) days after original shipment by Cisco), and continuing for a period of the longer of (a) ninety (90) days or (b) the period set forth in the Warranty Card accompanying the Product (if any): (a) the media on which the Software is furnished will be free of defects in materials and workmanship, under normal use; and (b) the Software substantially conforms to its published specifications. The date of shipment of a Product by Cisco is set forth on the packaging material in which the Product is shipped. Except for the foregoing, the Software is provided AS IS. This limited warranty extends only to the Customer who is the original licensee. Customer's sole and exclusive remedy and the entire liability of Cisco and its suppliers under this limited warranty will be, at Cisco or its service center's option, repair, replacement, or refund of the Software if reported (or, upon request, returned) to the party supplying the Software to Customer, if different than Cisco. In no event, does Cisco warrant that the Software is error free or that Customer will be able to operate the Software without problems or interruptions. In addition, due to the continual development of new techniques for intruding upon and attacking networks, Cisco does not warrant that the Software or any equipment, system or network on which the Software is used will be free of vulnerability to intrusion or attack.
- 21.3. Restrictions. This warranty does not apply if the Product (a) has been altered, except by Cisco, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Cisco, (c) has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident; or (d) is sold or, in the case of Software, licensed, for beta, evaluation, testing or demonstration purposes for which Cisco does not receive a payment of purchase price or license fee.
- 21.4. DISCLAIMER OF WARRANTY. EXCEPT AS SPECIFIED IN THIS WARRANTY, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS, AND WARRANTIES INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, SATISFACTORY QUALITY OR ARISING FROM A COURSE OF DEALING, LAW, USAGE, OR TRADE PRACTICE, ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE EXCLUDED, SUCH WARRANTY IS LIMITED IN DURATION TO THE WARRANTY PERIOD. This

disclaimer shall apply even if the above-stated warranty fails of its essential purpose.

- 21.5. The above warranty DOES NOT apply to any beta software, any software made available for testing or demonstration purposes, any temporary software modules or any software for which Cisco does not receive a license fee. All such software is provided AS IS without any warranty whatsoever.”
22. **AMENDMENTS:** The terms of this WSCA Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval of both the State and Cisco.
23. **ASSIGNMENT/SUBCONTRACT:**
- 23.1. Neither party shall not assign, sell, or transfer its rights and responsibilities under this Agreement (other than the right to receive any amount due, which shall be freely assignable upon written notice to customer), in whole or in part, without the prior written approval of the other party, which approval will not be unreasonably withheld. Notwithstanding the foregoing, Cisco shall have the right to assign all or part of this Agreement as part of a merger, corporate reorganization, or sale of assets or to a majority-owned or majority-controlled subsidiary or affiliate and to subcontract Services to third parties provided that Cisco remains responsible for the performance of such Services by subcontractors done in the normal course of their business obligations and duties to Cisco. However, in all cases notwithstanding subcontracting, the customer will deal only with invoices and payment through either Cisco or the Fulfillment Partners listed on the individual *Participating Addendum*. Any allowed assignee or merged entity shall be subject to all the terms of this Agreement.
- 23.2. Contractor may, with prior written consent from Participating States, which consent shall not be unreasonably withheld, enter into subcontracts with third parties as “Fulfillment Partners”. Fulfillment Partners are Subcontractors who may provide Products and Services under this Agreement at the Price Discounts established in this Agreement and bill Purchasers directly for such Products and Services.
- Fulfillment Partners, where directed by Cisco, are required to report to the WSCA Contract Manager, account for and submit the WSCA Contract Administration Fee, along with Contract Activity Reports.
- 23.3. Cisco as well as Fulfillment Partners participate in the Federal Communication Commission’s E-rate discount program established under the authority of the Federal Telecommunications Commission Act of 1996 and may accept and process E-Rate transactions under their own E-rate registration numbers.

24. **NONDISCRIMINATION:** Contractor agrees to abide by the provisions of Title VI and Title VII of the Civil Rights Act of 1964 (42 USC 2000e), which prohibit discrimination against any employee or applicant for employment, or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age, and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. This Section only applies to the extent applicable to the provision of Products and Services under this Agreement. Contractor shall include this provision in every subcontract with its Fulfillment Partners relating to purchases of Product and Services by Purchasers.
25. **SEVERABILITY:** If any provision of this Agreement is declared by a court of competent jurisdiction to be illegal or otherwise unenforceable, such provision shall be null and void and shall be deemed deleted from this Agreement. The remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the provision that is deemed deleted. Notwithstanding the foregoing, if this paragraph becomes applicable, and, as a result, the value of this Agreement is materially impaired for either party, as determined by the affected party in its reasonable discretion, then the affected party may declare the Agreement terminated upon thirty (30) days written notice to the other party.
26. **INSPECTIONS:** See the "Demonstration or Evaluation Equipment" Section in Attachment C.
27. **PAYMENT:** Upon and subject to credit approval by Contractor, payment is net thirty (30) days from invoice date and shall be made in U.S. currency. Invoices for Products ordered without implementation services shall be rendered by Contractor on or after the date of delivery of such Products to the Purchaser. If, at any time, Purchaser is delinquent in payment, or is otherwise in breach of this Agreement, Cisco may, without prejudice to other rights, withhold shipment (including partial shipments) of any order or require Purchaser to prepay for further shipments. Any sum not paid by Purchaser, when due shall bear interest until paid at a rate of 1% per month (12% per annum) or the maximum legal rate, whichever is less. Purchaser grants Contractor a security interest in Products purchased under this Agreement to secure payment for those Products purchased which security interest shall expire upon full payment in accordance with the terms. If requested by Contractor, Purchaser agrees to execute financing statements to perfect this security interest. Payments may be made via a State or

political subdivision "Purchasing Card" to Fulfillment Partners under this Agreement.

Where permitted by the law of the Participating State, Cisco Capital lease financing is an allowable payment option under the contract. The terms and conditions of the capital lease financing arrangement with Cisco will be set forth in writing between the Purchaser and Cisco.

28. **FORCE MAJEURE:** Except for the obligation to pay monies due and owing, neither party shall be liable for any delay or failure in performance due to events outside the defaulting party's reasonable control, including, without limitation, acts of God, earthquake, labor disputes, shortages of supplies, actions of governmental entities, riots, war, terrorism, fire, epidemics, or delays of common carriers. The obligations and rights of the excused party shall be extended on a day-by-day basis for the time period equal to the period of the excusable delay. When payments are delayed solely due to a force majeure event, late fees with respect to such payment will not accrue during the period of such force majeure event.
29. **HAZARDOUS CHEMICAL INFORMATION:** See "Laws And Regulations" Section.
30. **FIRM PRICE DISCOUNT:** The pricing discounts set forth in Attachment A apply to purchases made under the terms and conditions set forth in this document (WSCA Master Agreement), and are firm for the stated contract term. The pricing discounts will be applied against Contractor's then-current, Global Price List at the time of acceptance of the Purchase Order by Contractor to determine the net price to be paid by Purchasers for Products and Services under this Agreement. Fulfillment Partners are required to sell Products or Services at not less than the stated pricing discounts set forth in this Agreement, and may offer additional incremental discounts, in their sole discretion.
- To the extent that a Participating State or individual Purchaser proposes additional requirements or a change to the stated terms and conditions set forth in this Agreement, both Contractor and the Purchaser shall mutually agree to such change in writing in the Participating Addendum. However, the Contractor reserves the right, as a condition of giving its consent, to require a modification of the pricing discounts stated herein to reflect potential additional costs, obligations, risks or liabilities associated such additional terms for Contractor.
31. **EXTENSION OF PRICES:** *Intentionally Omitted.*
32. **PROPOSAL PREPARATION COSTS:** *Intentionally Omitted.*

33. **CONFLICT OF INTEREST:** The contractor certifies that it has not offered or given any gift or compensation prohibited by the state laws of any WSCA participants to any officer or employee of WSCA or participating states to secure favorable treatment with respect to entering into this Agreement.
34. **INDEPENDENT CONTRACTOR:** Contractor shall be an independent contractor. This Agreement does not create any agency, partnership, joint venture, or franchise relationship. No employee of either party shall be or become, or shall be deemed to be or become, an employee of the other party by virtue of the existence or implementation of this Agreement. Each party hereto is an independent contractor. Neither party has the right or authority to, and shall not, assume or create any obligation of any nature whatsoever on behalf of the other party or bind the other party in any respect whatsoever.
35. **POLITICAL SUBDIVISION PARTICIPATION:** See "Definitions" Section.
36. **DEBARMENT:** Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Agreement by any governmental department or agency.
37. **RECORDS ADMINISTRATION:** See "Audit of Records" Section below.
38. **AUDIT OF RECORDS:**
Contractor shall maintain complete, accurate and truthful records of purchases and amounts billable to and payments made by Purchaser hereunder directly through Contractor in accordance with generally accepted accounting principles and practices for audit purposes only. Contractor shall retain such records for at least a period of four (4) years from the date of termination of this Agreement, or longer if expressly required by the law of the applicable Participating State.
The Participating State will give Contractor thirty (30) days advance written notice to perform an audit of Contractor's records, identified above, as it pertains only to such Participating State's Purchaser(s). Except for compelling circumstances, Participating State's audits are limited to a commercially reasonable frequency per Participating State, and such audit will be conducted during Contractor's normal business hours and shall not unduly interrupt or interfere with Contractor's normal business operations, and provided further that in the event that such audit is conducted by a third party, such third party shall, prior to conducting such audit, to the extent permitted by law, execute a

confidentiality agreement for the benefit of Contractor in a form reasonably satisfactory to Contractor.

WESTERN STATES CONTRACTING ALLIANCE (WSCA)
CISCO NETWORKING COMMUNICATIONS & MAINTENANCE
MASTER AGREEMENT
("WSCA Master Agreement")
[State of Utah Contract Ref. No. AR-233]

Attachment C

Contractor Terms and Conditions

1. **DEMONSTRATION OR EVALUATION EQUIPMENT:** Contractor agrees to provide demonstration or evaluation Equipment to Purchaser upon request pursuant to a separately executed "*Cisco Demo Loaner Agreement*" and "*Try and Buy Agreement*", in substantially the same form as that attached to this Attachment C, Exhibit B.

2. **PRICES; TAXES:** Notwithstanding anything contained in the Agreement to the contrary:
 - 2.1. Prices for Products are those specified in Cisco's then-current Global Price List, less the applicable discounts ("Price Discounts") specified in this Attachment C, Exhibit A.
 - 2.2. Firm Price. Percentage discount depth from list is not subject to a "price increase request" that would result in a less attractive discount; discounts may only be adjusted by the contractor to reflect a deeper percentage discount(s). The discount is being applied to Contractor's then-current published list price schedule(s).
 - 2.3. Cisco may change its U.S. List prices for the Products or for Services at any time and shall announce such price changes by issuance of a revised Price List (including via electronic posting) or other announcement of price change. Purchase Orders received before the date of price change announcement(s) to Cisco's Global Price List and those received within thirty (30) days thereafter, which specify a delivery date within ninety (90) days of the date of announcement, will be invoiced to Purchaser without regard to the price change, provided however, price decreases will be effective for all Purchase Orders accepted by Cisco after the date of issuance or announcement of revised prices.

- 2.4. All stated prices are exclusive of any taxes, fees and duties or other similar amounts, however designated, and including without limitation value added, sales and withholding taxes which are levied or based upon such prices, charges or upon this Agreement. Purchaser will pay sales and use taxes, if any, imposed on the Products and Services acquired under this Agreement, or furnish proof of its tax-exempt status upon request. Contractor will pay all other taxes based on Contractor's income or gross receipts, or personal property taxes levied or assessed on Contractor's personal property. In the event that the Purchaser is exempt from property and sales taxes, it will not be charged same.

3. **ORDERS.** Notwithstanding anything contained in the Agreement to the contrary:

- 3.1. Cisco reserves the right to require that purchases be made through Fulfillment Partners. Where so required by Cisco, Purchasers shall not order Products or Services directly from Cisco and shall order same from Fulfillment Partner. Purchaser shall purchase Products by issuing a written or electronic Purchase Order, signed or (in the case of electronic transmission) sent by its authorized representative, indicating specific Products, quantity, unit price, total purchase price, shipping instructions, requested delivery dates, bill-to and ship-to addresses, tax exempt certifications, if applicable, and any other special instructions.
- 3.2. Any contingencies on Purchaser's Purchase Orders are not binding upon Contractor. The terms and conditions of this Agreement prevail, regardless of any additional or conflicting terms on the Purchase Order, or other correspondence from Purchaser to Contractor and any additional or conflicting terms are deemed rejected by Contractor unless Cisco has expressly agreed to such terms in writing. Mere acceptance or processing of a Purchase Order, Order or Order Document containing such terms shall not constitute such express consent.
- 3.3. All Purchase Orders are subject to Contractor's reasonable acceptance (including performing any related credit checks). Contractor shall use commercially reasonable efforts to accept or reject orders in writing within ten (10) days from receipt, or within three (3) Business Days, if orders are placed electronically.
- 3.4. Purchaser may defer Product shipment up to thirty (30) days from the originally scheduled shipping date, provided written notice is received by Contractor at least ten (10) days before the originally scheduled shipping date. Cancelled orders, rescheduled deliveries or Product configuration changes made by Purchaser less than ten (10) days before the original shipping date are subject to Contractor's acceptance and a charge of fifteen percent (15%) of the total invoice amount relating to the affected Product(s). Contractor reserves the right to reschedule delivery due to configuration changes made within ten (10) days of scheduled shipment.

No cancellation shall be accepted by Cisco where Products are purchased with implementation Services, including but not limited to design, customization or installation Services, except as may be set forth in the agreement or Statement of Work under which the Services are to be rendered. Notwithstanding anything to the contrary, if Cisco is delayed in shipping the Product for thirty (30) days or more from the original shipping date, the Customer may cancel the order without charge.

- 3.5. Services. Purchaser may place Purchase Orders for the various Services offered by Cisco. The provision of any such Services, if accepted by Cisco, shall be subject to the terms and conditions set forth in this Agreement, Attachment D, as well as the then-current terms of service offerings set forth on Cisco's = website at <http://www.cisco.com/legal/services.html>. Cisco reserves the right to subcontract services to a third party maintenance organization to provision Services for Purchaser.

4. SOFTWARE LICENSE:

- 4.1. License. Conditioned upon compliance with the terms and conditions of the license granted herein, Cisco grants to Customer a nonexclusive and nontransferable license to use for Customer's internal business purposes the Software and the Documentation for which Customer has paid the required license fees.

Customer's license to use the Software shall be limited to, and Customer shall not use the Software in excess of, a single hardware chassis or card or that number of agent(s), concurrent users, sessions, IP addresses, port(s), seat(s), server(s) or site(s), as set forth in the applicable Purchase Order which has been accepted by Cisco and for which Customer has paid to Cisco the required license fee.

Unless otherwise expressly provided in the Documentation, Customer shall use the Software solely as embedded in, for execution on, or (where the applicable documentation permits installation on non-Cisco equipment) for communication with Cisco equipment owned or leased by Customer and used for Customer's internal business purposes. NOTE: For evaluation or beta copies for which Cisco does not charge a license fee, the above requirement to pay license fees does not apply.

- 4.2. General Limitations. This is a license, not a transfer of title, to the Software and Documentation, and Cisco retains ownership of all copies of the Software and Documentation. Customer acknowledges that the Software and Documentation contain trade secrets of Cisco, its suppliers or licensors, including but not limited to the specific internal design and structure of individual programs and associated interface information. Accordingly, except as otherwise expressly provided under this

Agreement, Customer shall have no right, and Customer specifically agrees not to:

- 4.2.1. transfer, assign or sublicense its license rights to any other person or entity, or use the Software on unauthorized or secondhand Cisco equipment, and Customer acknowledges that any attempted transfer, assignment, sublicense or use shall be void;
- 4.2.2. except as approved in writing by Cisco, make error corrections to or otherwise modify or adapt the Software or create derivative works based upon the Software, or permit third parties to do the same;
- 4.2.3. reverse engineer or decompile, decrypt, disassemble or otherwise reduce the Software to human-readable form, except to the extent otherwise expressly permitted under applicable law notwithstanding this restriction;
- 4.2.4. use or permit the Software (other than embedded in the Product) to be used to perform services for third parties, whether on a service bureau or time sharing basis or otherwise, without the express written authorization of Cisco; or
- 4.2.5. except and to the extent expressly required by a Participating State's applicable records laws or final court order (provided that the Participating State provides: (1) prior written notice to Cisco of such obligation and (2) the opportunity to oppose such disclosure, provision or otherwise making available), disclose, provide, or otherwise make available trade secrets contained within the Software and Documentation in any form to any third party without the prior written consent of Cisco. Customer shall implement reasonable security measures to protect such trade secrets.

To the extent required by law, and at Customer's written request, Cisco shall provide Customer with the interface information needed to achieve interoperability between the Software and another independently created program, on payment of Cisco's applicable fee, if any. Customer shall observe strict obligations of confidentiality with respect to such information and shall use such information in compliance with any applicable terms and conditions upon which Cisco makes such information available.

4.3. Software, upgrades/updates and Additional Copies.

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT: (1) CUSTOMER HAS NO LICENSE OR RIGHT TO USE ANY ADDITIONAL COPIES OR UPGRADES UNLESS CUSTOMER, AT THE TIME OF ACQUIRING SUCH COPY OR UPGRADE, ALREADY HOLDS A VALID LICENSE TO THE ORIGINAL SOFTWARE AND HAS PAID THE APPLICABLE FEE

FOR THE UPGRADE OR ADDITIONAL COPIES; (2) USE OF UPGRADES IS LIMITED TO CISCO EQUIPMENT FOR WHICH CUSTOMER IS THE ORIGINAL END USER PURCHASER OR LESSEE OR WHO OTHERWISE HOLDS A VALID LICENSE TO USE THE SOFTWARE WHICH IS BEING UPGRADED; AND (3) THE MAKING AND USE OF ADDITIONAL COPIES IS LIMITED TO NECESSARY BACKUP PURPOSES ONLY.

- 4.4. Proprietary Notices. Customer agrees to maintain and reproduce all copyright and other proprietary notices on all copies, in any form, of the Software in the same form and manner that such copyright and other proprietary notices are included on the Software. Except as expressly authorized in this Agreement, Customer shall not make any copies or duplicates of any Software without the prior written permission of Cisco.
- 4.5. Term and Termination of License. This license granted herein shall remain effective until terminated. Customer may terminate the license at any time by destroying all copies of Software and any Documentation except as to the minimum number of copies required by law to keep for archival records purposes only. Customer's rights under this license will terminate immediately if Customer fails to comply with any material provision of this license and Cisco will give Customer notice of such non-compliance. Upon termination, Customer shall destroy all copies of Software and Documentation in its possession or control.
- 4.6. Customer Records. Customer grants to Cisco and its independent accountants the right to examine Customer's books, records and accounts during Customer's normal Business Hours to verify compliance with this license. In the event such audit discloses non-compliance with this license, Customer shall promptly pay to Cisco the appropriate license fees, plus the reasonable cost of conducting the audit. In all other circumstances, the audit fees shall be paid by Cisco.

- 5.6. Upon written notification by the disclosing party, the receiving party shall (i) cease using the Confidential Information and (ii) if requested to do so, and to the extent permitted by Customer's applicable records laws, either return it to the disclosing party or destroy it, along with all copies, notes or

- extracts thereof and certify to its destruction within fifteen (15) days of receipt of such notice.
- 5.7. Each party shall retain all right, title and interest to its own Confidential Information. By conveying Confidential Information, the disclosing party does not grant any license under any trademark, patent or copyright, or application for same, which is now or thereafter may be obtained by such party.
 - 5.8. The receiving party shall not reverse-engineer, decompile, or disassemble any software or remove, overprint or deface any notice of copyright, trademark, logo, legend, or other notices of ownership from any originals or copies of Confidential Information disclosed to it.

 - 5.10. Notwithstanding termination of this Agreement as described in Section 12 of Attachment B, the obligations of the receiving party with respect to Confidential Information received prior to termination shall continue for three (3) years from the date the Confidential Information was received.
 - 5.11. In the event of any threatened or actual breach of any of the obligations hereunder, a disclosing party may seek injunctive relief, in addition to any other available legal or equitable remedies.
 - 5.12. Master Agreement for Demo / Evaluation (Try and Buy)

This Master Agreement (the "Agreement") by and between Cisco Systems, Inc., a California corporation ("Cisco"), having its principal place of business at 170 West Tasman Drive, San Jose, California, 95134, and _____, a _____ corporation ("Customer") having its principal place of business at _____, is entered into and effective as of the date last written below upon signature by both parties below (the "Effective Date").

This Agreement consists of the terms printed herein and the terms and conditions governing the purchase and license of Cisco Products directly from Cisco (the "Contract Terms") in the form of either: (i) an existing written agreement between Cisco and Customer, or (ii) if no such agreement is currently in place, then Cisco's standard U.S. Terms and Conditions of Sale (a copy of which is available at: www.cisco.com/legal or by email request sent to termsrequest@cisco.com), which are incorporated in this Agreement by this reference. In the event of a conflict between this Agreement and the Contract Terms, this Agreement shall prevail.

TERMS AND CONDITIONS

Cisco shall provide to Customer the Cisco products, including Cisco software, hardware and documentation (the "Products"), identified in a written communication between Cisco and Customer including, as applicable, either an order (electronic or otherwise) for such Products placed by Customer and accepted by Cisco, or a transmittal letter or other correspondence presented by Cisco and accepted by Customer (the "Trial Order"). The Trial Order will also contain information as to the characterization of the usage (Demo or Try-and-Buy Evaluation purposes) and the duration of such usage commencing on the date of initial shipment from Cisco (the "Trial Period"), and any other information deemed necessary between the parties.

A) DEMO DEPOT - For Products used for demonstration purposes from Cisco's Demo Program (the "Demo Program"), the following terms shall apply:

- 1) **Delivery; Return.** Cisco will ship the Products to Customer at no charge. Customer shall return the Products *prior to* the end of the last day of the Trial Period to the Cisco Demo Depot (at the address provided). The standard Trial Period for the Demo Program, during which the Customer can test the Products before being required to return the Products, is forty-five (45) days. Return of the Products will be at Cisco's expense using the pre-paid shipping waybill(s) provided with the Products. The shipping waybill(s) must reference the "sales order number" which is contained in the "return shipping documents" provided with the Products. If Customer fails to return the Products to the Cisco Demo Depot within five (5) days of the end of the Trial Period and in accordance with the aforementioned process, Customer will be invoiced for the WSCA discounted price of the Products established under the WSCA Master Agreement which shall be paid in full upon 30 days of receipt of the invoice.
- 2) **License; Warranty.** Cisco is granting Customer a limited, royalty-free, non-exclusive, non-transferable license to use, but not to redistribute, the Products solely for purposes of demonstration and solely during the Trial Period. Any right not granted hereunder is specifically reserved by Cisco, including, but not limited to the right to copy, modify, embed, or sell the Products or any parts thereof. Customer also agrees that all use of

the Products during any Trial Period will be consistent with and in accordance with the provisions of the Software License supplied with the Products. In no event shall Products be used in a production network or environment. Demo Products are provided on an **As-Is** basis and Cisco expressly disclaims all warranties, express or implied, to the greatest extent permitted by applicable law.

B) TRY AND BUY - For Products ordered for evaluation purposes under Cisco's Try and Buy Program (the "TAB Program"), the following terms shall apply:

- 1) TAB Assumptions; Ordering; Returns. The TAB Program allows certain qualified end-user customers to (i) submit a Trial Order to Cisco for any Cisco Product, (ii) receive shipment of the Products from Cisco and (iii) defer payment for a limited period of time while the Customer tests the Products in a non-production environment ("Trial"). The standard Trial Period for the TAB Program during which the Customer can test the Products before being invoiced is ninety (90) days. A fundamental assumption of the TAB Program is that the Customer will retain the Product upon the conclusion of the Trial Period, thereby converting the transaction into a sale. If, however, during the Trial Period Customer decides to return the Products to Cisco, it must do so at its own expense with an RMA number and RMA instructions obtained from the appropriate Cisco Account Manager. If the Product has not been returned before conclusion of the Trial Period, then, upon the conclusion of the Trial Period, Cisco will automatically invoice Customer for the Product. For all Products ordered by Customer under this TAB Program, the shipping terms shall be Ex Works per Incoterms 2000 at Cisco's site, San Jose, California, or other Cisco-designated shipping location. Risk of loss shall pass from Cisco to Customer upon delivery to the common carrier or Customer's representative at the delivery point per the applicable shipping term. Cisco will retain title to the Products until expiration of the Trial Period.

- 2) CRS Special Provisions. For Trials of Cisco's CRS-1 Router(s) (the "CRS") in particular, there is an additional fundamental assumption of the TAB Program applicable only to Trials of the CRS. For CRS Trials, at the same time that Customer submits its Trial Order for the Trial of the CRS, Customer will also submit a purchase order for Cisco Support Services for the CRS Pilot Program (the "CRS Services") for the CRS, which CRS Services term shall begin on the date of receipt of the CRS and continue for the Trial Period. A description of, and terms pertaining to, the CRS Services may be found at: <http://www.cisco.com/legal/services.html>. Customer shall be invoiced for such CRS Services upon conclusion of the Trial Period or after ninety (90) days from initial shipment of the CRS from Cisco, whichever is sooner. For Trials of the CRS only, Cisco shall, during the applicable Trial Period, provide installation services as per the Services described at <http://www.cisco.com>.

- 3) License; Warranty. Customer's use of the Products shall be governed by the terms contained in Cisco's Standard End User License Agreement, as set forth in the Contract Terms. Notwithstanding anything to the contrary herein, this remainder of this Section shall apply during the Trial Period to all Products other than the CRS ordered by Customer via the TAB Program. During the Trial Period, the Products shall be covered by Cisco's standard limited warranty for such Product (set forth in the Warranty Statement accompanying the Product), except that Customer's sole and exclusive remedies, and Cisco's entire liability, for a warranty claim during the Trial Period shall be limited to repair of the Product or shipment of a replacement. Upon expiration of the Trial Period for a particular Product, Cisco's standard limited warranty for such

Product (set forth in the Warranty Statement accompanying the Product) shall commence on the date immediately following expiration of the Trial Period. Customer's sole and exclusive remedies under warranty for the Product(s) previously subject to the Trial, and Cisco's entire liability for those Products, shall be the remedies set forth in Cisco's Limited Warranty Statement originally delivered with the Product and also set forth at <http://www.cisco.com/warp/public/cc/serv/mkt/sup/tsssv/wnty/>.

C) General – The following provisions shall apply to Customer's participation in any of the Programs hereunder and generally to the Agreement as a whole:

- 1) **Rights.** Cisco shall at all times during the Trial Period retain all right, title and interest to all Products provided hereunder. Customer agrees that Customer will not pledge, mortgage, grant a security interest in, or otherwise encumber the Products (or any component thereof) while they are in Customer's possession. Customer further agrees that, upon Cisco's request, Customer will affix a label to the Products identifying Cisco as the owner of the Products. Customer further agrees not to (i) alter, modify, copy, or in any way reverse engineer, decompile or disassemble the Product hardware or software or design, make derivative works based upon the Product, or use the Product to develop any products, or (ii) sell, license, rent, or transfer the Product to any third party.
- 2) **Invoicing.** Customer agrees that a Cisco invoice may be the only documentation provided by Cisco regarding Customer's purchase of and payment for the Products ordered via the Programs referenced herein. Customer understands that it may receive multiple invoices at different times in connection with one Trial Order because Products may be shipped at different times.
- 3) **Exports.** Customer hereby acknowledges that Products supplied by Cisco under this Agreement may be subject to export or import controls under the laws and regulations of the United States (U.S.) and Customer agrees that it shall comply with such laws and regulations and will indemnify and hold Cisco harmless for any damages and/or claim brought by any third party against Cisco, including by any governmental authority of any country, arising in connection with the use, import and export of the Products.
- 4) **Confidentiality.** In connection with Customer's participation in the Demo and/or TAB Programs hereunder, Customer may receive proprietary and confidential Cisco information ("**Confidential Information**") and Customer agrees to use this Confidential Information solely for the purposes set forth herein, to not disclose any Confidential Information to third parties, and to use the same means to protect against unauthorized use and disclosure of the Confidential Information that Customer uses to protect its own confidential information, but in no event less than a reasonable degree of care.
- 5) **Termination.** Cisco reserves the right to accept or decline any Trial Order and Cisco shall have no liability whatsoever in the event that it decides to decline any Trial Order. If Cisco, in its sole discretion, detects misuse of the Demo or TAB Programs, Cisco may terminate this Agreement upon written notice to Customer. Upon cancellation or termination of this Agreement, Customer shall immediately cease using the Products and shall return the Products and any Confidential Information of Cisco then in Customer's possession, custody or control.
- 6) **Limitation.** Except for liability arising out of Customer's breach of Cisco's proprietary rights or software license, in no event shall either party or their respective suppliers be liable for any direct, indirect, incidental, punitive, special or consequential damages, lost profits, or lost data, even if either party or its suppliers have been informed of the possibility thereof. NOTWITHSTANDING ANYTHING ELSE HEREIN, ALL LIABILITY

OF CISCO OR ITS SUPPLIERS UNDER THIS AGREEMENT OR OTHERWISE SHALL BE LIMITED TO TWENTY FIVE THOUSAND DOLLARS (\$25,000).

- 7) Complete Agreement; Assignment; Governing Law. This Agreement, together with the Contract Terms, is the complete agreement between the parties hereto concerning the subject matter of this Agreement and replaces any prior oral or written communications between the parties. There are no conditions, understandings, agreements, representations, or warranties, expressed or implied, that are not specified herein (including, without limitation, contingencies or additional or conflicting terms contained on any Trial Order submitted by Customer, which shall not be binding upon Cisco). This Agreement may only be modified by a written document executed by authorized representatives of the parties hereto. Customer shall not assign, in any manner, its right, obligation or interest in or under this Agreement without the prior written consent of Cisco. This agreement shall be governed by the laws of the Participating State, excluding its conflict of laws provisions.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed. Each party warrants and represents that its respective signatories whose signatures appear below have been and are, on the date of signature, duly authorized to execute this Agreement.

MASTER SERVICES AGREEMENT - TERMS AND CONDITIONS

1. **Definitions** are those set out in the Glossary of Terms at the end of the Agreement.
2. **Scope.** This Agreement describes the terms and conditions for (a) Purchases by Customer of Services, and (b) delivery by Cisco of the Services according to the options ordered by Customer or otherwise provided by Cisco to Customer. Cisco will provide Services for Products and Customer will be entitled to receive Services for which (i) the applicable Services fees have been paid, (ii) a valid Software license has been granted, and (iii) Customer provides information requested by Cisco such as valid serial numbers, site location, contract number, and Product type.
3. **Orders.** Where payment is directly to Cisco or its Fulfillment Partners, Customer shall, upon and subject to credit approval by Cisco, purchase Services by issuing a Purchase Order. Each Purchase Order must be signed, if requested by Cisco, or (in the case of electronic transmission) sent, by an authorized representative, indicating the specific Services, quantity, price, total purchase price, shipping instructions, requested delivery dates, bill-to and ship-to addresses, tax exempt certifications, if applicable, contract reference if any, and any other special instructions. No contingency contained on any Purchase Order shall be binding upon Cisco. The terms of this Agreement shall apply, regardless of any additional or conflicting terms on any Purchase Order or other correspondence or documentation submitted by Customer to Cisco, and any such additional or conflicting terms are deemed rejected by Cisco.
4. **Pricing.** For Direct Purchases, and subsequent Equipment List renewals, prices for Services shall be (a) those specified in Cisco's then-current Price List less any applicable contract discount in effect under the WSCA Master Agreement at the time of acceptance of the Purchase Order by Cisco, or (b) those set forth in a written price quotation submitted by Cisco or its Fulfillment Partner, if at or below the stated contract discount. All stated prices are exclusive of taxes, fees and duties or other amounts in accordance with the WSCA Master Agreement. Any taxes related to Services purchased pursuant to this Agreement shall be paid by

Customer or Customer shall present an exemption certificate acceptable to the taxing authorities. Applicable taxes shall be billed as a separate item on the invoice, to the extent possible. In the event that Customer is unable to provide valid and applicable serial number(s) for Product and Cisco agrees to provide Services, then Service fees payable by Customer shall be at Cisco's then-current time and materials or non contract service rates.

Subject to the price discount floor established by Cisco under the WSCA Master Agreement, for Indirect Purchases, Fulfillment Partners are free to determine their resale prices unilaterally. Customer understands that no employee or representative of Cisco or anyone else has any authority to determine such resale prices, or to limit the Fulfillment Partners' pricing discretion with respect to Services.

5. **Payment.** For Purchases of Services, upon and subject to credit approval by Cisco, payment terms shall be net thirty (30) days from the date of invoice. Unless otherwise agreed by Cisco, all payments shall be made in U.S. currency. Any sum not paid by Customer when due shall bear interest from the due date in accordance with the terms for interest on late payments under the WSCA Master Agreement.
6. **Invoicing.** Fees for Services, other than those for which a SOW is required, shall be invoiced in advance of delivery of Services. The timing of invoices for Services provided pursuant to a SOW shall be set forth in the respective SOW.
7. **Term and Termination.**
 - (a) The term of any service order shall commence on the Effective Date of the Order and shall continue for a period of one year, or such other multi-year period as set forth in the purchase order or SOW. Such term will be renewed automatically for successive one year terms unless either party notifies the other of its intent to terminate at least sixty (60) days prior to the expiration of the then current term.
 - (b) The term of an Equipment List shall commence on the date set forth on such

Equipment List, which may be up to sixty (60) days following the date of Purchase Order acceptance by Cisco. The term of an Equipment List shall be for a period of one year and shall be renewed automatically for successive one year terms, unless either party notifies the other of its intent to terminate at least sixty (60) days prior to the expiration of the then current one year term.

- (c) The term of each SOW shall be stated in the SOW.

This Master Service Agreement may be terminated in accordance on the same terms as set forth in the WSCA Master Agreement, Attachment B. Any Equipment List or SOW may be terminated immediately by either party upon written notice:

- (i) if the other party breaches any of the material provisions of this Agreement and the breach is not capable of being cured or after providing thirty (30) days written notice to the breaching party if the breaching party fails to cure such breach within such period.
- (ii) if: (a) the other party ceases to carry on business as a going concern; or (b) the other party becomes or may become the object of the institution of voluntary or involuntary proceedings in bankruptcy or liquidation; or (c) a receiver or similar officer is appointed with respect to the whole or a substantial part of the other party's assets; or (d) an event similar to any of the foregoing occurs under applicable law with respect to the other party.
- (iii) if the other party assigns or transfers any of the rights or responsibilities granted under this Agreement or any Equipment List or SOW in breach of Section 16.

If Services fees are not paid when due and payment has not been received within thirty (30) days after notice from Cisco of such past due payment, Cisco may withhold the provision of Services until all amounts past due are paid in full, and/or terminate immediately this Agreement, any Equipment List and SOW.

Cisco reserves the right to make changes to the scope and content of the Services or part thereof, including terminating the availability of a given Service, at any time upon ninety (90) days' prior notice. Such changes will become effective upon renewal of the affected Equipment Lists and SOWs. If Customer does not agree to a change of scope or content, Customer may terminate any affected Equipment List or SOW by notifying Cisco at least sixty (60) days prior to the expiration of the then current one year term of the Equipment List or SOW. In such case, Cisco shall continue to provide Services until the next expiration date of the affected Equipment List or SOW.

Each Equipment List and SOW hereunder shall terminate immediately upon termination of the Agreement.

Upon termination of the Agreement, any Equipment List or SOWs, Customer shall pay Cisco for all work performed under the affected Equipment Lists or SOWs up to the effective date of termination at the agreed upon prices, fees and expense reimbursement rates.

Firm orders for services under this Master Services Agreement placed and accepted prior to expiration of the contract term, even if involving a multi-year commitment) remain valid in accordance with the contract terms which shall remain binding as to such prior orders only for the term stated therein, and shall not otherwise constitute an extension of the Master Services Agreement.

8. **Confidentiality.** Customer and Cisco agree that in connection with this Agreement and their relationship, they may obtain Confidential Information. The receiving party shall at all times keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than as expressly authorized by the disclosing party under this Agreement, nor shall the receiving party disclose any such Confidential Information to third parties without the disclosing party's written consent. Notwithstanding the above, Cisco shall be authorized to disclose Customer's Confidential Information to contractors or employees of a Cisco entity who have a legitimate business need to have access to such information. Except to the extent retention is otherwise required by law for records retention purposes, the receiving party shall immediately return to the disclosing

party all Confidential Information (including copies thereof) in the receiving party's possession, custody, or control upon termination or expiration at any time and for any reason of this Agreement. The obligations of confidentiality shall not apply to information which (a) has entered the public domain, except where such entry is the result of the receiving party's breach of this Agreement; (b) prior to disclosure hereunder was already rightfully in the receiving party's possession; (c) subsequent to disclosure hereunder is obtained by the receiving party on a non-confidential basis from a third party who has the right to disclose such information to the receiving party. The receiving party will be authorized to disclose Confidential Information pursuant to a valid order issued by a court or government agency, provided that the receiving party provides (i) prior written notice to the disclosing party of such obligation and (ii) the opportunity to oppose such disclosure.

Neither party shall disclose, advertise, or publish the detailed terms and conditions of an SOW or detailed ordering document or deliverables in conjunction therewith under this Agreement without the prior written consent of the other party. Any press release or publication regarding such documents or deliverables under this Agreement are presumed by the parties to contain confidential information and is subject to prior review and written approval of the parties. In such event, only the invoice will be presumed public information. Notwithstanding confidentiality of the detailed ordering documents and deliverables, the parties shall be deemed to have given their consent to release of this Attachment D.

- 9. Warranty.** ALL SERVICES PROVIDED HEREUNDER SHALL BE PERFORMED IN A WORKMANLIKE MANNER IN ACCORDANCE WITH INDUSTRY STANDARDS EXPECTED OF A COMPANY PROVIDING PROFESSIONAL SERVICES IN THE NETWORKING INDUSTRY. EXCEPT AS SPECIFIED IN THIS SECTION, CISCO HEREBY DISCLAIMS AND CUSTOMER WAIVES ALL REPRESENTATIONS, CONDITIONS AND WARRANTIES (WHETHER EXPRESS, IMPLIED, OR STATUTORY), INCLUDING WITHOUT LIMITATION, ANY WARRANTY OR CONDITION (A) OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT, TITLE, SATISFACTORY QUALITY, ACCURACY, (B) ARISING FROM

ANY COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN THE INDUSTRY. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE DISCLAIMED, SUCH WARRANTY IS LIMITED IN DURATION TO THE APPLICABLE EXPRESS WARRANTY PERIOD. CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF WARRANTY SHALL BE, AT CISCO'S OPTION, RE-PERFORMANCE OF THE SERVICES; OR TERMINATION OF THIS AGREEMENT OR THE APPLICABLE EQUIPMENT LIST OR SOW AND RETURN OF THE PORTION OF THE SERVICE FEES PAID TO CISCO BY CUSTOMER FOR SUCH NON-CONFORMING SERVICES.

10. Limitation of Liability and Consequential Damages Waiver.

Except for the general indemnity provision set forth in the WSCA Master Agreement, Attachment B, Clause 17, ALL LIABILITY OF CISCO, ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND SUPPLIERS COLLECTIVELY FOR CLAIMS ARISING UNDER THIS AGREEMENT OR OTHERWISE HOWSOEVER ARISING SHALL BE LIMITED TO THE GREATER OF (I) THE MONEY PAID TO CISCO FOR SERVICES UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT OR CIRCUMSTANCES FIRST GIVING RISE TO SUCH LIABILITY OR (II) ONE HUNDRED THOUSAND (\$100,000) US DOLLARS. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER-INCIDENT (I.E., THE EXISTENCE OF TWO OR MORE CLAIMS WILL NOT ENLARGE THIS LIMIT).

IN THE CASE OF TRANSACTIONAL ADVANCED SERVICES PERFORMED UNDER A SOW, THE LIABILITY OF CISCO SHALL BE LIMITED TO THE AMOUNT PAID BY CUSTOMER TO CISCO PURSUANT TO THE RELEVANT SOW DURING THE TWELVE (12) MONTHS PRECEDING THE EVENT OR CIRCUMSTANCES GIVING RISE TO SUCH LIABILITY.

SUBJECT TO CUSTOMER'S BREACH OF SECTION 11 (LICENSE), IN NO EVENT SHALL EITHER PARTY, ITS RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES,

OR LOST REVENUE, LOST PROFITS, OR LOST OR DAMAGED DATA, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN INFORMED OF THE POSSIBILITY THEREOF.

- 11. License.** Cisco grants to Customer a nonexclusive and nontransferable license to use for Customer's internal business use (a) Software provided as a result of Services (b) the Deliverables specified in each SOW (in object code form if software), and (c) Data Collection Tools. This license grant does not include the right to sublicense and is nontransferable.

This license shall be governed by (i) the terms and conditions attached to the Software or, in the absence of such terms, by the license posted at http://www.cisco.com/en/US/products/prod_warr_anties_item09186a008025c927.html and (ii) the Agreement.

Customer agrees that it is licensed to use Software: (1) only on Hardware covered under this Agreement; or (2) in the case of Application Software, on third party hardware, (except as otherwise authorized in the Software documentation); or (3) in the case of Data Collection Tools, in object code form only, on the Data Collection Tool on which such Software is provided.

The license is perpetual, provided Customer is not otherwise in breach of this license. Notwithstanding the above, for Data Collection Tools the license is valid until the earlier of: (i) the expiration or termination of the Service under which the Data Collection Tool was provided; or (ii) Cisco's request to Customer that the Data Collection Tool(s) be returned to Cisco.

Except as expressly authorized, Customer shall not (and shall not permit a third party to): download more than one copy of the Software, copy, in whole or in part, any Software, Deliverable or Data Collection Tool, make error corrections or otherwise modify, decompile, decrypt, reverse engineer, disassemble or otherwise reduce all or any portion of any Software, Deliverable or Data Collection Tool which is software to human-readable form; or transfer, sublicense, rent, lease, distribute, sell, or create derivative works of any Deliverables.

When Customer updates or upgrades a copy of Software to a new release, Customer shall not use (except for a limited period of parallel testing) the new Software release and the corresponding copy of the previous Software release concurrently. Under no circumstances shall the previous release be re-used or transferred to any other device(s).

- 12. Ownership.** Cisco shall at all times retain all right, title and interest in and to all pre-existing Intellectual Property owned by Cisco as of the Effective Date and all Intellectual Property in and to the Services, Cisco Products, Deliverables and Data Collection Tools or other Intellectual Property provided or developed by Cisco or a third party on Cisco's behalf thereafter. Customer shall at all times retain all right, title and interest in and to all pre-existing Intellectual Property owned by Customer as of the Effective Date and all Intellectual Property that is developed by Customer or by a third party on Customer's behalf thereafter without the benefit of any of Cisco's Intellectual Property. Third Party Products shall at all times be owned by the applicable third party.

- 13. Force Majeure.** Except for the obligation to pay monies due and owing, neither party shall be liable for any delay or failure in performance due to events outside the defaulting party's reasonable control, including without limitation acts of God, earthquake, labor disputes, industry wide shortages of supplies, actions of governmental entities, riots, war, terrorism, fire, epidemics, or delays of common carriers or other circumstances beyond its reasonable control. The obligations and rights of the defaulting party shall be extended for a period equal to the period during which such event prevented such party's performance.

- 14. Applicable law and Jurisdiction.** Notwithstanding the foregoing, either party may seek interim or temporary injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such party's intellectual property or proprietary rights.

a. WSCA Master Services Agreement: This WSCA Agreement Attachment D and disputes hereunder solely between State acting on behalf of WSCA and Cisco shall be construed in accordance with the laws of the State of Utah. Venue for any claim, dispute or action concerning this Agreement shall be in Utah.

b. Participating Addendum & Service Orders Placed Under the Participating Addendum: To the extent that both parties have mutually agreed to be bound by such laws under the terms of the *Participating Addendum*, each *Participating Addendum* and any dispute under this Attachment D based upon a performance under a *Participating Addendum* shall be governed by the laws of the Participating State. Venue for any claim, dispute or action concerning an order placed against a *Participating Addendum* or the effect of a *Participating Addendum* shall be in the Participating State.

c. The parties specifically disclaim the application of the UN Convention on Contracts for the International Sale of Goods to the interpretation or enforcement of this Agreement.

15. Export Control. Customer shall comply with such laws and regulations governing use, export, re-export, and transfer of Cisco Products and technology and will obtain all required U.S. and local authorizations, permits, or licenses. Information regarding compliance with U.S. use, export, re-export, and transfer laws may be found at:

http://www.cisco.com/wwl/export/compliance_provision.html.

16. Assignment. Neither party may assign or delegate its rights or obligations under this Agreement without the prior written consent of the other, such consent not to be unreasonably withheld or delayed, provided that any such assignment shall not relieve the assigning entity of any obligation to pay monies that were owed prior to the date of the assignment. Notwithstanding the foregoing, (a) either party may, without the other party's consent, assign or delegate its rights or obligations under this Agreement to its parent or majority-owned subsidiary company of sufficient net worth to meet any potential liability under this Agreement, and (b) Cisco may, without Customer's consent, assign the right to receive any amount due.

17. Subcontracting. Cisco reserves the right to subcontract Services to a third party organization including Fulfillment Partners or Servicing Subcontractors (as defined in the WSCA Master Agreement, Attachment B) to provide Services to Customer; provided that invoicing and/or payments will only be handled by and through Cisco and its authorized Fulfillment Partners.

Any such subcontract shall not relieve Cisco of any of its obligations under this Agreement.

If Contractor or its Fulfillment Partners are using servicing subcontractors for the performance of local marketing, maintenance and/or technical support services in accordance with the terms and conditions of this Contract, servicing subcontractors may not directly accept purchase orders or payments for products or services from Purchasers under the terms and conditions of the contract. Only Contractor or Fulfillment Partners authorized by Cisco may directly accept purchase orders, invoice or receive payments for products or services under the terms and conditions of the contract. The authorized Purchaser has the option of choosing whether to purchase the associated OEM maintenance and/or training to support the equipment purchased.

18. Inventory Review. From time-to-time Cisco may perform an inventory review of Customer's installed base and review serial numbers and other records (upon reasonable advance notice) to validate entitlement. Cisco will charge a Service fee if it finds that unauthorized Services are being provided. This Service fee includes amounts which should have been paid, interest, and attorneys' and audit fees. Attorneys' and audit fees will only be payable by the customer where the discrepancy exceeds 5% of the amount otherwise due and payable. Cisco requires that Customer take all necessary action (for example, disabling passwords) to ensure that any former employees and contractors do not access or use the Service.

19. Notices. Notwithstanding anything contained in the Agreement to the contrary, all notices required or permitted under this Agreement will be in writing and will be deemed given: (a) when delivered personally; (b) when sent by confirmed facsimile or electronic mail (in the case of Cisco to Agreement-notice@cisco.com), (provided that the original document is placed in air mail/air courier or delivered personally, within seven days of the facsimile electronic notice); (c) three (3) days after having been sent by registered or certified mail, return receipt requested, postage prepaid (or six (6) days for international mail); or (d) one (1) day after deposit with a commercial express courier specifying next day delivery (or two (2) days for international courier packages specifying 2-day delivery), with written verification of receipt. All communications will be

sent to the addresses set forth on the cover sheet of this Agreement or such other address as may be designated by a party by giving written notice to the other party pursuant to this paragraph. Notwithstanding the above, notices regarding general changes in pricing, policies or programs may also be by posting on Cisco.com or by e-mail or fax.

- 20. Entire Agreement.** This Master Services Agreement, in addition to the general provisions of the WSCA Master Agreement pertinent to Services, is the complete agreement between the parties concerning the subject matter of this Agreement and replaces any prior oral or written communications between the parties, except as agreed between the parties. There are no conditions, understandings, agreements, representations, or warranties expressed or implied, that are not specified herein. This Agreement may only be modified by a written document executed by the parties hereto.
- 21. No Waiver.** The waiver by either party of any right provided under this Agreement shall not constitute a subsequent or continuing waiver of such right or of any other right under this Agreement.
- 22. Severability.** In the event that one or more terms of this Agreement becomes or is declared to be illegal or otherwise unenforceable by any court of competent jurisdiction, each such term shall be null and void and shall be deemed deleted from this Agreement. All remaining terms of this Agreement shall remain in full force and effect. Notwithstanding the foregoing, if this paragraph is invoked and, as a result, the value of this Agreement is materially impaired for either party, as determined by such party in its sole discretion, then the affected party may terminate this Agreement by written notice with immediate effect to the other.
- 23. Attorneys' Fees.** In any suit or proceeding relating to this Agreement the prevailing party will have the right to recover from the other its costs and reasonable fees and expenses of attorneys, accountants, incurred in connection with the suit or proceeding, including costs, fees and expenses upon appeal, separately from and in addition to any other amount included in such

judgment. This provision is intended to be severable from the other provisions of this Agreement, and shall survive expiration or termination and shall not be merged into any such judgment unless the judgment expressly precludes survivability.

- 24. No Agency.** This Agreement does not create any agency, partnership, joint venture, or franchise relationship. No employee of either party shall be or become, or shall be deemed to be or become, an employee of the other party by virtue of the existence or implementation of this Agreement. Each party hereto is an independent contractor. Neither party shall assume or create any obligation of any nature whatsoever on behalf of the other party or bind the other party in any respect whatsoever.
- 25. Counterparts.** This Agreement may be executed in two counterparts, each of which shall be deemed an original and together which shall constitute one and the same instrument. A validly executed counterpart that is delivered by one party to the other via electronic transmission (a "Counterpart Image") shall be valid and binding to the same extent as one delivered physically, provided that the valid signature is clearly visible in the Counterpart Image. In the event that a party delivers a Counterpart Image in place of an originally-executed counterpart, such party shall retain the originally-executed counterpart in its files for at least the duration of the Term hereof.
- 26. Headings.** Headings of sections have been added solely for convenience of reference and shall not be deemed part of this Agreement.
- 27. Survival.** Sections 5 (Payment), 7 (Term and Termination), 8 (Confidentiality), 9 (Warranty), 10 (Limitation of Liability and Consequential Damages Waiver), 11 (License), 12 (Ownership), 13 (Force Majeure), 14 (Applicable Law and Jurisdiction), 15 (Export Control), 18 (Inventory Review), 19 (Notices), 20 (Entire Agreement), 21 (No Waiver), 22 (Severability), 23 (Attorneys' Fees), 24 (No Agency), 27 (Survival), the Glossary of Terms and the Services-Not-Covered exhibits shall survive the termination or expiration of this Agreement.

ADVANCED SERVICES AGREEMENT TERMS AND CONDITIONS

1. **Definitions** are those in Appendix A (Glossary of Terms) at the end of this Agreement.
2. **Scope.** This Advanced Services Agreement is for the purchase of Advanced Services directly from Cisco, or where authorized by Cisco, its Fulfillment Partners.
3. **Orders.** Customer shall, upon and subject to approval by Cisco, purchase Advanced Services by issuing a Purchase Order. Each Purchase Order must be signed, if requested by Cisco, or (in the case of electronic transmission) sent, by an authorized representative, indicating the SOW project identification (if applicable), specific Advanced Services, quantity, price, total purchase price, bill-to and ship-to addresses, tax exempt certifications, if applicable, reference to this Agreement, and any other special instructions. No contingency contained on any Purchase Order shall be binding upon Cisco. The terms of this Advanced Services Agreement, including the general terms applicable to all Services Orders under the WSCA Master Agreement, shall apply, regardless of any additional or conflicting terms on any Purchase Order or other correspondence or documentation submitted by Customer to Cisco, and any such additional or conflicting terms are deemed rejected by Cisco.
4. **Advanced Services – AS Service Descriptions and Statements of Work.**
 - a. Unless otherwise authorized by Cisco to be fulfilled through Fulfillment Partners, the Advanced Services will be provided by Cisco. Cisco may use subcontractors (under separate contract to Cisco) to perform the Advanced Services, or portion(s) thereof.
 - b. Cisco will not proceed with performing SOW-based Advanced Services until both Customer and Cisco have signed the applicable SOW. Each SOW, once signed by both parties, shall incorporate the terms of this Agreement. Each SOW shall at least include:
 - A description of each party's obligations;
 - An estimated performance schedule, including Milestones, when applicable;
 - Completion criteria that Cisco will meet to fulfill its obligations under the SOW; and
 - Identification of primary contacts for Cisco and Customer.
 - c. SOWs may only be amended by a written document signed by each party's authorized representative, and per the change management procedures set forth therein.
 - d. The applicable SOW(s) and/or AS Service Description(s) exclusively define the scope of the Advanced Services that Cisco shall provide to Customer. To the extent there is a conflict between the terms of a SOW or AS Service Description and this Agreement, the terms of this Advanced Services Agreement, incorporating the applicable general terms of the WSCA Master Agreement (to the extent applicable to Services) shall control, unless explicitly stated otherwise in the SOW.
5. **Pricing.**
 - a. Prices for Advanced Services shall be one of the following, as applicable to the Advanced Services to be provided:
 - (i) those specified in Cisco's then-current Price List, less any applicable contract discount in effect under the WSCA Master Agreement at the time of Cisco's acceptance of Customer's Purchase Order;
 - (ii) those specified in a written price quotation submitted by Cisco; or
 - (iii) those specified in the SOW.
 - b. All prices are exclusive of any taxes, fees, duties or other applicable amounts in accordance with the WSCA Master Agreement. Customer shall pay the taxes related to Advanced Services purchased pursuant to this Agreement, or Customer shall present an exemption certificate acceptable to the taxing authorities. Applicable taxes, if any, shall be billed as a separate item on the invoice. Cisco reserves the right to increase the Advanced Service fee in the event Customer determines any withholding tax obligation prevents Cisco from receiving the specified prices for such Advanced Services pursuant to Section 5(a) above.
6. **Payment and Invoicing.**

- a. **Payment.** All Purchase Orders are subject to credit approval and, subject thereto, payment terms are net thirty (30) days from the date of invoice. Unless otherwise agreed by Cisco, all payments shall be made in tUS currency. Any sum not paid by Customer when due shall bear interest for late payments in accordance with the terms of the WSCA Master Agreement.
- b. **Invoicing.** As set forth below, Cisco will invoice Customer depending on the type of Advanced Services:
 - (i) AS Service Description-based Advanced Services Invoicing. Unless otherwise agreed by the parties, Cisco will invoice Advanced Services performed under an AS Service Description in advance of performance of such Advanced Services.
 - (ii) SOW-based Advanced Services Invoicing. Cisco will invoice Customer upon completion of each Milestone as defined in the SOW, per the SOW's Milestone schedule. Invoices may contain multiple Milestones. The SOW Milestone schedule supersedes any Milestones identified in a Purchase Order; nevertheless, unless otherwise mutually agreed upon via a change management procedure, the total invoiced amounts for SOW Milestones shall not exceed the total amount of Customer's Purchase Order. If a SOW does not contain a Milestone schedule, Cisco will invoice Advanced Services performed under such SOW as set forth in such SOW.
- d. Cisco shall have a lead-time of up to thirty (30) days from acceptance of Purchase Order for scheduling of Advanced Services.
- e. This WSCA Advanced Services Agreement may be terminated in accordance with the provisions for termination of the WSCA Master Agreement. Any Advanced Services being performed hereunder, may be terminated immediately by either party upon written notice:
 - (iv) if the other party breaches any of the material provisions of this Agreement and the breach is not capable of being cured or after providing thirty (30) days written notice to the breaching party if the breaching party fails to cure such breach within such period;
 - (v) if the other party: (w) ceases, or threatens to cease to carry on business as a going concern; or (x) becomes or may become the object of the institution of voluntary or involuntary proceedings in bankruptcy or liquidation, or (y) a receiver or similar officer is appointed with respect to the whole or a substantial part of its assets; or (z) an event similar to any of the foregoing occurs under applicable law; or
 - (vi) if, except as provided in Section 16 (Assignment) below, either party assigns (by operation of law or otherwise, including merger) or transfers any of the rights or responsibilities granted under this Agreement, any AS Service Description or any SOW, without the prior written consent of the other party, or in the event of a sale of all or substantially all of such party's assets, or transfer of a controlling interest in such party to an unaffiliated third party. Notwithstanding the foregoing: (y) Cisco reserves the right to subcontract Advanced Services to any Affiliate or third party organization to provide Advanced Services to Customer, and (z) Cisco may assign this Agreement or all or any portion of its rights and obligations hereunder, to any Affiliate of Cisco.

7. Term and Termination.

- a. The term of any Advanced Service order under this Agreement shall commence on the Effective Date of the Order and shall continue for a period of one (1) year. Such term will be renewed automatically for successive one (1) year terms unless either party notifies the other of its intent to terminate at least sixty (60) days prior to the expiration of the then current year term.
- b. The term of each non-SOW based Advance Service shall commence on the date specified in the associated Purchase Order and continue: (i) until completion of the specified Advanced Service in the event a MCC is not required; or (ii) until the MCC has been signed off by Customer in the event a MCC is required.
- c. The term of each SOW shall commence on last date of signature of the SOW and continue until last Milestone completion, unless otherwise specified in the SOW.
- f. If Advanced Services fees are not paid when due and payment has not been received within thirty (30) days after notice from Cisco of such past due payment, Cisco may withhold the provision of Advanced Services until all amounts past due are paid in full, and/or immediately terminate this

Agreement or any Advanced Services provided hereunder.

- g. Cisco reserves the right to change the scope and content of any of the Advanced Services offering upon ninety (90) days prior notice provided that such changed scope falls within the scope of the WSCA Agreement. Such changes will become effective upon Customer's renewal of the applicable Advanced Services.
