

Architect and Engineering Workshop

The Department of Enterprise Services (DES) will be holding workshops in various locations to help architects and engineers successfully navigate the Request for Qualifications (RFQ) process that will be starting in April of this year.

Project managers will discuss what the request advertisement looks like and what the terms mean; list references that describe the requirements of potential state agency clients; and describe what selection committees look for in Statements of Qualifications and during interviews.

Schedule:

Tuesday, 3 March 2015, 2 PM to 4 PM

Room 1034, Edna Lucille Goodrich Building (Tumwater Office Building) 7345 Linderson Way, Tumwater, WA 98512

Wednesday, 4 March 2015, 2:30 PM to 4:30 PM
