Historical Artifacts for Incorporation

The Washington State Military Department has artifacts which may, at the proposer's option, be incorporated into the new Pierce County Readiness Center. Adaptive reuse of these is encouraged.

Memorial trees and shrubs currently on site

Column sheathing split oak ½ round 17" base diameter 15" top diameter by 9' 11" feet tall 4 ea.

Fireplace mantels 2 each

The mantles are 9' 1-1/2" between brackets and 13' 10" overall. In this photo the mantel is upside down.

Newell Posts & hand rails

Eagle, concrete modern re-cast from the old Yakima Armory. Clearly this needs some different finishing.
