2.2. Agency Goal For This Facility: This facility will house the Division of Disability Determination Services (DDDS) which has the responsibility to determine eligibility of Washington applicants for three disability programs.

2.3 Location Characteristics:

REQUEST FOR PROPOSAL (RFP) Department Of Social And Health Services, (DSHS), South King County; Project Number 171-05-15

Properties submitted for consideration should be located in the General Area of Consideration noted in Section 2.1. Facilities within the preferred area as described in Section 2.1 may be advantageous to the AGENCY. Within that general area, the AGENCY has identified a number of characteristics as important to the delivery of service by this regional office. These characteristics include, but are not limited to the following:

- Proposed facilities should be in an appropriately zoned area and should not be located in an area that is of a heavy industrial, large or busy retail, or of a residential character.
- Proposals that are not located within or in close proximity to 100 year flood plain (as defined by the Federal Emergency Management Agency (FEMA) may be advantageous.
- Proposed facilities should be in close proximity to an existing public transportation route or routes. Additionally, proposed facilities served by public transportation with hourly service during the hours of 8 AM to 5 PM may be advantageous to the AGENCY.
- Proposed facilities that provide rapid access to major highways and/or arterial roads may be advantageous to the AGENCY.
- Proposed facilities must be in areas with sufficient infrastructure in place to support the AGENCY operational needs to include high speed data and telephone infrastructure. (See also Appendix A, Space Requirements.)

2.4 Building Characteristics

The State and the AGENCY have identified some unique building characteristics as being advantageous to the AGENCY's functions, including the delivery of services to its clients. These characteristics include, but are not limited to the following:

- Contiguous office, equipment and storage, and special areas as depicted in Appendix B Modified Pre-Design Space Planning Data with a highly efficient load factor.
- A facility with a single floor plate and on the ground floor of a building may be advantageous to the AGENCY.
- An effective, efficient and welcoming customer lobby or reception area while also providing a clear delineation between public and staff areas.
- Separate public and staff restrooms.
- Adequate conference rooms and meeting spaces for both public and staff meetings.
- Clear delineation between public and staff entrances.

Further details on the AGENCY's unique requirements and desired characteristics are found in Appendix A SPACE REQUIREMENTS and Appendix B PROJECT SPACE PLANNING DATA.
