If you have such employee(s) or have questions in regard to the policy, please contact John Christenson at (360) 407-9461 or at John.Christenson@des.wa.gov.

Foreign Liability Policy

The state of Washington currently carries a foreign liability policy for such an exposure. Frequently asked questions about this policy can be found here. If you need more information regarding this policy, contact John Christenson at (360) 407-9461 or at John.Christenson@DES.wa.gov.
