Confidentiality Certification

RFP: Project No. 2018-254 – Clark College, Advanced Manufacturing Center

Confidentiality Certification

I certify that I am an evaluation panel member or a member of the design build team, or an advisor to the selection committee for the design and construction of Clark College Advanced Manufacturing Center Project. I will not disclose any information about the process, the evaluation, including oral discussions, or any of the proposers unless specifically authorized by the Department of Enterprise Services, or as required by law.
