### **1. Questions and Answers**

**Question 1:**

- **Section 3.2.D.3 Financial Capacity:** How would you like the bond and insurance information provided? On p. 14, in Section 3.1 A, it says to submit them in separate electronic files. On P. 19, in Item D3 titled Financial Capacity, we're asked to submit bonding and insurance statements in a separate sealed envelope.

**Answer:**

- The Financial Capacity statements should be submitted as a separate pdf document marked Confidential.

**Question 2:**

- In a related question: on p. 16 Section 3.2, Item B. regarding Financial Capacity. The text appears to be a statement, not a question. Are you looking for any comment or response from the proposer for this section?

**Answer:**

Section 3.2, Item B does not require an answer. The item refers to the Financial Capacity and the Owner/DES's discretion in evaluating a firm's financial capacity to deliver the project.
