

**COVID-19 VACCINATION AND SAFETY
GUIDELINES AND REQUIREMENTS
FOR PRE-BID MEETINGS AND SITE VISITS**

**WASHINGTON STATE FACILITIES
CONSTRUCTION**

The following COVID-19 VACCINATION AND SAFETY PRECAUTION GUIDELINES AND REQUIREMENTS apply to all pre-bid meetings and site visits:

- A. Each participant shall abide by all applicable COVID-19 safety policies, procedures, practices, and vaccination requirements issued by the Owner or state or local health authority.
- B. Each participant shall be fully vaccinated or properly exempted in accordance with the Governor's [Proclamation 21-14.1, COVID-19 Vaccination Requirement](#) (dated August 20, 2021) or any amendments thereafter.
- C. Participants shall wear a proper face covering (or mask) over both their nose and mouth, and further, shall practice proper social distancing as recommended by state and local health authority throughout the pre-bid meeting or site visit, or other Owner established COVID safety guidelines.
- D. Each participant shall enter their proper first and last name, representative company, and contact information on the "Pre-Bid Meeting" sign sheet or other form provided by the Owner, and by virtue of their signature, attest to their vaccination or exemption status under the Proclamation in exchange for participation in the pre-bid meeting.
- E. Failure to comply with these guidelines may prohibit the individual from participating in the pre-bid meeting, and further, may be cause for removal from the premises.
