

How does a Learner connect their LinkedIn profile?

If you'd like to reconnect your LinkedIn profile after initial login:

1. Log into LinkedIn Learning.
2. Click your photo in the top right corner, and select **Settings** from the dropdown that appears.
3. Below **Connect your LinkedIn account to your LinkedIn Learning account provided by your organization**, click **Connect my account**.
4. Log into LinkedIn Learning again.
5. If you agree to the Terms and Privacy Policy, click **Accept and continue**.

If you'd like to reconnect your LinkedIn profile to your Learning license immediately after disconnecting:

1. Log into LinkedIn Learning.
2. Select **Connect my LinkedIn account**, and provide the login details for the profile you'd like to connect.
