

## Capitol Lake / Deschutes Estuary Community Meeting

### Capitol Lake Long-Term Management Planning

#### Phase I Implementation: Methodology for Best Available Science

<b>June 1, 2016</b>	<b>MEETING LOCATION</b>
<b>5:30–7:30 PM</b>	Department of Enterprise Services, Jefferson Building: Conference Room 1213 1500 Jefferson Street SE, Olympia, Washington 98504

#### MEETING PURPOSE

1. Discuss the feedback provided by the Executive Work Group and Community on the April materials regarding Goals and Objectives, and present the revised materials to provide an opportunity for “second touch” and additional feedback.
2. Collaboratively evaluate the methodology to be used for reviewing best available science related to water quality and habitat for the Capitol Lake basin.
3. Review a compiled list of technical studies and agency reports that could be evaluated using the selected methodology.
4. Provide opportunity for question and answer, and open house review of materials.
