NEW TEXT HIGHLIGHTED

(16) Adopt plans and specifications for university buildings and facilities or improvements thereto and employ skilled architects and engineers to prepare such plans and specifications and supervise the construction of buildings or facilities which the board is authorized to erect, and fix the compensation for such services. The board shall enter into contracts with one or more contractors for such suitable buildings, facilities, or improvements as the available funds will warrant, upon the most advantageous terms offered at a public competitive letting, pursuant to public notice under rules established by the board. The board shall require of all persons with whom they contract for construction and improvements a good and sufficient bond for the faithful performance of the work and full protection against all liens.

(17) Utilize the design build procedure as authorized in RCW 39.10 for all public works, including projects in which the total project cost is under two million dollars.
