Informational Meeting Q&A:

Q: What is currently on the building site?

A: There is a currently a small two-story, single-family home built in the 1940s currently used by the college for storage and two large parking lots.

Q: Is the team that did the pre-design eligible to compete for this project?

A: Yes

Q: Can you verify what RFQ2 means?

A: There is no RFQ2, just the RFQ for project 2020-750.

Q: Will the attendance list and presentation(s) be posted publicly?

A: Yes, they will be shared on our website: <https://des.wa.gov/services/facilities-leasing/public-works-design-construction/architecture-engineering-design-consultants/current-projects-advertised-consultant-selection>
