Members of the Capital Projects Advisory Review Board,

We, the Construction Trades Labor Representative members of CPARB, write to express our support for the appointment of, and encourage the Board as a whole to appoint Mallorie Davies to the CPARB Project Review Committee.

Upon reviewing her resume, you will find that Ms. Davies experience in the field and administrative capacities will bring valuable experience to the PRC.

Currently serving the Washington and Northern Idaho District Council of Laborers, Ms. Davies has experience with projects all across Washington. This service will be valuable in evaluating project requests from all over the state.

We look forward to consideration of her candidacy for the appointment and will be ready to answer any questions you may have.

Sincerely,

Mark L. Riker, Executive Secretary  
Washington State  
Building and Construction Trades Council

Matthew Hepner, Executive Director  
Certified Electrical Workers of Washington
