SHB 1471

Sole Source Contracts

Lengthens public inspection timeline to 15 days (from 10 days currently)

Removes location as a specified justification (can still factor in to "sole availability")

Emergency Purchases

Extends filing timeline to 10 days (from 3 days currently)

Allows DES to further extend the timeline as needed due to exigent circumstances

Convenience Contracts

Removes single-agency, multi-vendor contracts from the definition of a "convenience contract"

Clarifies existing requirement of DES approval prior to multiple agencies forming a convenience contract
