	Option 1: Maintain PUM definition					
	Option 2: Change to Exigent defintion *					
4	Annual 10% of Budget					
	Option 1: Maintain - no annual limit on # of individual 300K projects					
	Option 2: Add annual limit for total number of 300K projects not to exceed 10% of entities annual budget.					

*
Exigent public works needs are due to unforeseen circumstances that result in situations that compromise the proper performance of essential government functions and there is a need to avoid, prevent or alleviate serious impacts (financial or otherwise), harm or injury, and the use of a competitive procurement would prevent the urgent action required to address the situation.
