Submittal Due Date: **October 17, 2024 prior to 2:00 PM PT**

Water Well Design Services Required for Project No. 2024-464 WSH-East Campus Well Replacement for the Department of Social and Health Services (DSHS), at the Western State Hospital (WSH), 9601 Steilacoom Blvd. SW, Lakewood, WA 98498.

Description of Facility

Established in 1871, WSH is a state psychiatric hospital serving adults from Western Washington counties. Located in Lakewood, the hospital provides evaluation and in-patient treatment for individuals with serious or long-term mental illness that have been referred to the hospital through the Managed Care Organizations, the civil court system, or the criminal justice system.

DSHS owns and oversees the operation of a domestic drinking water system (Public Water System ID 951501) serving WSH and the Child Study and Treatment Center (CSTC). Providing safe drinking water and adequate fire flow for fire suppression is critical for the well-being of our patients and staff.

Per- and polyfluoroalkyl substances (PFAS) were found in the East Campus Water Well. DSHS intends to replace the entire water distribution system, which is contained to the WSH and CSTC campus as well as Fort Steilacoom Park to the south. The PFAS findings have forced the system to rely solely on the Farm Water Well, located in the southeastern corner of the park.

Scope of Work

This Request for Qualifications is for the purpose of selecting a Consultant to design and administer construction of the replacement for the East Campus Water Well. The existing well is located near the entrance to Building 29. The selected consultant shall work with the consultant managing Project 2024-435 WSH-Water System Assessment Improvements, which assesses the existing water system in the campus to potentially transfer through consolidation of WSH's water system to Lakewood Water District (LWD).

This project requires preliminary investigation and scoping, documenting existing conditions, schematic design, design development, construction documents, permitting, construction administration, close-out, and warranty services.

The Maximum Allowable Construction Cost (MACC) for the project is \$3.1 million

Project Goals

- *Create a safe and healthy water system for WSH patients and staff.*
- *Create a reliable water system that meets current and future WSH requirements.*

- Design to be consistent with a comprehensive plan for potentially consolidating the water system with LWD.
- Minimize disruption to other staff, patients, and campus operations during construction.
- Design and construct with durable materials with a long life-cycle.
- Design and construct with easily maintained materials, fixtures, and equipment.
- Minimize annual operational and maintenance costs.

Submitting firms should have a strong background in designing water wells.

Project-Specific Information

Campus Map with meeting location

Anticipated Selection Schedule

RFQ Notice Issued	September 26, 2024
Informational Meeting	October 3, 2024 at 10:00 AM PT
Statement of Qualifications (SOQ) Due	See above date and time
Short-listed firms selected and notified	Week of October 28, 2024
Interview Period	Week of November 4, 2024
Firm(s) Selected and Announced	Week of November 4, 2024
Agreement(s) Executed	Mid November 2024

Informational Meetings and Site Tours

An informational meeting and site tour will be held “in-person” for this project.

Date/Time	In-Person Meeting
October 3, 2024 at 10:00 am PT	<i>Building 10 at Western State Hospital (see map)</i>
A site tour will be held immediately following the informational meeting.	

A DES representative will meet at the main entrance to Building 10 on the east side of the building and provide access to the project site. Please refer to the attached campus map.

Firms who have previously not performed business with the state are encouraged to attend. Any information provided at the Informational Meeting will be posted on our Current Projects webpage (provided above) including a Q&A sheet from the meeting.

For directions for the pre-submittal informational meeting and site visit, please contact the DES project manager at aaron.martinez@dshs.wa.gov.

Addenda to this Notice

It is the responsibility of the interested firms to track and changes to this solicitation. Refer to the DES website any addenda to the published public notice and/or RFQ. (<https://des.wa.gov/services/facilities-leasing/public-works-design-construction/architecture-engineering-design-consultants/current-projects-advertised-consultant-selection>).

Submittal Maximum Page Count and Additional Content

SOQs must not exceed twenty-five (25) single sided pages (total) of content using 8½ x 11 size sheets. Provided informational content is not included, the following will not be counted against the maximum page count:

- Title and Back Cover Pages
- Section Dividers/Tabs
- Consultant Selection Contact Form
- Attachment 2 Federal SF330 (Part II only) Form

When 11"x 17" size sheets or fold outs are used, each side will be counted as two 8½ x 11 sheets.

A submitting firm may elect to include any other pertinent data it deems appropriate to address the selection criteria and assist the Selection Committee in evaluating the qualifications. Additional content must remain within the maximum page count.

Submittal Requirements

DES is accepting only electronic submittals. All electronic submittals must be uploaded and received no later than the date and time specified.

Format the Statement of Qualifications (SOQ) to meet the following requirements. SOQs that do not follow this format may impact final scoring:

- Title Page indicating: (not included in page count)
 - Project No. 2024-464: WSH-East Campus Well Replacement
 - Department of Social and Health Services
 - Name of Firm
 - Date of Submission
- Cover Letter (not included in page count)
- Consultant Selection Contact Form (see description below) (not included in page count)
- Executive Summary
- Qualifications of Key Personnel
- Relevant Experience
- Past Performance
- Diverse Business Inclusion Strategies
- Federal SF330 Form (Part II only) for Prime and key Subconsultants (not included in page count)

The Consultant Selection Contact Form must identify the Designated Point of Contact, contact information, and address the Firm. Form must be situated behind a Title Cover or Cover Letter AND before any table of contents. Consultant Selection Contact Form may be found in the Consultant Selection Documents, located on our Current Advertised Projects for Consultant Selection Page.

Federal form SF330 (Part II only) may be found on our Current Advertised Projects for Consultant Selection Page.

How to submit the Statement of Qualifications (SOQ)

DES has created a secure access point for uploading your SOQ for this project:

<https://wades.app.box.com/f/5e8dca674ef047939f8bead498261ab7>.

This link will be active until the submittal deadline, at which point the upload access will be removed.

If you have trouble uploading or would like confirmation of your upload, please contact Ryan Grimes via email: ryan.grimes@des.wa.gov

Failure to submit the SOQ by the specified date and time above will render the SOQ as non-responsive to this notice and rejected by DES for consideration. Failure to adhere to the submittal requirements may also render the SOQ as non-responsive to this notice and rejected by DES for consideration.

Supplemental RFQ Documents

The following forms/instructions are located on the DES Current Advertised Projects for Consultant Selection page in the **RFQ Consultant Selection Documents** section

(<https://des.wa.gov/services/facilities-leasing/public-works-design-construction/architecture-engineering-design-consultants/current-projects-advertised-consultant-selection>):

- Consultant Selection Contact Form
- Federal Form SF330
- Diverse Business Inclusion Plan

Selection Process

The selection process will consist of two phases: Phase 1 SOQ Evaluation and Phase 2 Oral Interviews. The firms submitting qualifications in Phase 1 will be scored and ranked using the Phase 1 evaluation criteria in this RFQ. The most qualified firms (Finalists) will be invited to Phase 2 Oral Interviews. The Finalists will be scored and ranked based on the Phase 2 evaluation criteria. The Finalist with the best Phase 2 rank will be chosen to begin negotiations to provide consultant services for this project. Note, Phase 1 and Phase 2 scores are NOT combined.

Phase 1: SOQ Evaluation (total 100 points)

Each SOQ received and deemed responsive to this notice will be reviewed and evaluated by a selection panel as determined by DES. This panel will review each SOQ for responsiveness and apply the following weighted selected criterion to determine a score for ranking:

Weighted evaluation criterion for the Phase 1

SOQ Evaluation will be used by the selection committee to score each top-rated firm as follows:

Qualifications of Key Personnel Identify specific individuals and sub-consultants for key positions and show interrelationships and reporting hierarchy for your proposed team. Describe how each individual's professional experiences are relevant and bring value to	35 points
--	-----------

the project. Provide proposed percentage of time that the Owner intends to assign each individual or sub-firm to the Project.	
Relevant Experience Discuss projects your firm has undertaken of similar scope, size and complexity within the past five to eight years. Describe attributes of past projects that have met goals similar to the Owner’s goals for this project. Identify delivery methods for each project. Provide original project budget and actual completed costs along with current contact information for reference checking.	35 points
Past Performance Describe the approach the Proposer might utilize to achieve and maintain Owner’s project scope, schedule and budget. Describe and provide examples of how the proposer successfully developed Owner’s project scope while staying within the proposed budget. Discuss tools and methods for scheduling projects for both design and construction. Show how the interrelationship of successful management of scope, schedule, and budget creates successful projects.	30 points
Diverse Business Inclusion Strategies Describe strategies to increase opportunities for diverse business participation.	Not scored

Based on each score, each SOQ will be ranked and a short-list of top-qualified firms will advance to Phase 2 Selection: Oral Interviews. DES reserves the right to determine the total number of top-qualified firms to advance to Phase 2 Selection.

Phase 2: Oral Interviews (total 100 points)

Top-qualified firms (highest ranked firms) will be invited to participate in Phase 2 of the selection. Oral Interviews on a specified date and time, and will be formatted in three periods:

- Firm Presentation Period (Maximum: 30 Minutes)
- Question and Answer (Q&A) Period (Maximum: 20 minutes)
- Firm Closing Statements (Maximum: 5 Minutes)

In-Person Interview Considerations:

Advance access to the presentation room will not be provided, and any time necessary to set-up or break-down the presentation must occur and be part of the total interview time allotted. Each top-ranked firm must bring all necessary presentation equipment, materials and supplies (i.e. laptops, projectors, cables, easels, etc.) to fully support of their presentation. No additional time will be granted to set-up and tear-down the presentation. Each top-ranked firm must remain within the total period provided for the interview.

Weighted evaluation criterion for the Phase 2

Oral Interviews will be used by the selection committee to score each top-rated firm as follows:

Organization: Management Plan Team Member Qualifications	25 points
---	-----------

Capacity/Production Capabilities	
Project Management: Scope management Budgeting and Cost Control Project Scheduling	25 points
Project Approach: Understanding of this project Challenges & Opportunities	25 points
Experience: Relevant Past Projects (firm) Relevant Past Projects (key team members)	25 points
Diverse Business Inclusion Plan (written submittal)	NOT scored

Additional Considerations for Selection

Diverse Business Inclusion Plan Requirements

This submittal is a Phase 2 mandatory requirement. It is not scored, however, failure to submit will result in a firm being deemed non-responsive.

Each top-ranked firm, including diverse businesses, will be required to submit DES’ Public Works Diverse Business Inclusion Plan form.

A complete Diverse Business Inclusion Plan will be submitted to the DES Project Manager no later than one (1) full business day prior to the scheduled interview date and time.

The Diverse Business Inclusion Plan must demonstrate in detail the specific strategies, approaches, and steps your firm will use in seeking to help meet or exceed the state’s aspirational diverse business participation goals. Achievement of the goals is encouraged.

Aspirational Goals

The Governor’s Office’s aspirational goals for diverse business inclusion are:

10% Minority Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

6%, Women Owned Business certified by the Washington State Office of Minority and Women Business Enterprises

5% Veteran Owned Business certified by the Washington State Department of Veterans Affairs

5% Washington Small Businesses self-identified in the Washington Electronic Business Solution <https://www.des.wa.gov/services/contracting-purchasing/doing-business-state/webs-registration-search-tips> (WEBS).

Following final selection, the successful firm and its subconsultants must register and create an account with the DES Diversity Compliance program (B2Gnow). B2Gnow is designed to streamline and automate reporting requirements.

Firms may contact the following resources to obtain information on certified and registered diverse business firms for the inclusion of potential diverse business subconsultants:

- The Office of Minority and Women’s Business Enterprises: 866.208.1064 or 360.664.9750 or www.omwbe.wa.gov,
- For small business information: Charles Wilson, Public Works Business Diversity Program Manager at the Washington State Department of Enterprise Services: 360.407.8455 or 360.999.7667 or charles.wilson@des.wa.gov
- The Department of Veterans’ Affairs: 360.725.2169 or 360.725.2200 or www.dva.wa.gov

Evaluation and Scoring Considerations

In evaluating each of the criteria, the Selection Committee will identify significant and minor strengths and weaknesses from the submissions. The Selection Committee will then use the following guidelines to evaluate the submissions for each Selection Criterion, based on the weighting assigned in the RFQ and any addenda. After initial scoring, the selection team will come to a consensus ranking of the Firms.

1. Definition of “strength” and “weakness”:

- a. The term “strength” ultimately represents a benefit to the Project and is expected to increase the Firm’s ability to meet or exceed the Project Goals. A minor strength has a slight positive influence and a significant strength has a considerable positive influence on the Firm’s ability to exceed the Project Goals.
- b. The term “weakness” detracts from the Firm’s ability to meet the Project Goals and may result in inefficient or ineffective performance. A minor weakness has a slight negative influence and a significant weakness has a considerable negative influence on the Firm’s ability to exceed the Project Goals.

2. Scoring:

- a. **Excellent** (81-100 percent of points available): The Evaluative Criteria demonstrates an approach that is considered to exceed the Project Goals and the RFQ requirements and provide a consistently outstanding level of quality. ***To be considered Excellent, it must be determined to have significant strengths and/or a number of minor strengths and few or no appreciable weaknesses.***
- b. **Good** (61-80 percent of available points): The Evaluative Criteria demonstrates an approach that is considered to meet the RFQ in a beneficial way (providing advantages, benefits, or added value to the Project) and offers quality. ***To be considered Good, it must be determined to have strengths and few, if any, significant weaknesses. Minor weaknesses are offset by strengths.***
- c. **Fair** (41-60 percent of available points): The Evaluative Criteria demonstrates an approach that contains minor and/or significant weaknesses and limited appreciable strengths.
- d. **Deficient** (0-40 percent of available points): The Evaluative Criteria demonstrates an approach that contains significant weaknesses and no appreciable strengths.
- e. **Non-Responsive:** Does not meet the Minimum Qualifications required for evaluation. In addition, the Owner, at its sole discretion, may reject any Evaluative Criteria deemed non-responsive to any of the requirements.

Other Information

The successful most-highly qualified firm will be expected to enter upon DES' standard Engineering and Architectural Services Agreement which follow the [State of Washington Conditions of the Agreement](#). Level of effort and relative fees will be negotiated using the **OFM Guidelines for Determining Architect/Engineer Fees for Public Works Building Projects** following selection of the most-highly qualified firm.

The state reserves the right to continue with the consultant selected or has the option to conduct a new consultant selection process for future services for this project beyond those services advertised above.

The state also reserves the right to terminate negotiations with the successful most-highly qualified firm if mutual agreement is unachievable. The state may at its discretion enter into negotiations with the next highly qualified firm determined as a result of this selection process; or conduct a new selection process for the procurement of services necessary to complete this project.

All firms responding to this solicitation are encouraged to register in Washington's Electronic Business Solution Application (WEBS) at: <https://fortress.wa.gov/ga/webs/>

All Statements of Qualifications and submittals shall become property of the State of Washington and are subject to public disclosure, at the conclusion of the selection process, according to the provisions of RCW 42.56 Public Records Act.

For questions specific to the project, please contact the Project Manager, Aarón Martinez, 360.529.7001, aaron.martinez@dshs.wa.gov.

For more information concerning this notice, please contact Ryan Grimes at 360.819.6937 or via email at: ryan.grimes@des.wa.gov.

NO FAXED, OR E-MAILED COPIES WILL BE ACCEPTED.
