Re: Public Body GC/CM Project Approval

Dear Ms. Tierrablanca:

The Project Review Committee has determined that your project has met the criteria established in RCW 39.10.280 and 39.10.340 for public body project approval.

King County Department of Natural Resources & Parks Wastewater Treatment Division is hereby authorized to utilize the GC/CM alternative contracting procedure for the Heavy Civil GC/CM Services for South Plant Influent Pump Station Upgrades Project.

You are also approved to use the Alternative Subcontractor Selection Procurement for MC/CM & EC/CM.

Congratulations on obtaining project approval and we look forward to successful completion of your project.

Sincerely,
