# Surplus Operations

We're here to help state, local and tribal governments

## ABOUT US

The DES Surplus Operations program can sell or re-purpose quality used items including cars, furniture, sporting equipment and more. Last year, we generated over \$17.2 million in sales, returning 80% of the proceeds to agencies.

Using our services to dispose of items you no longer need saves taxpayer dollars while keeping reusable materials out of the landfill.

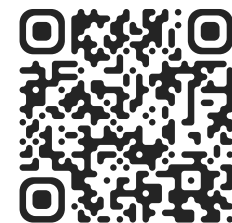

## WE CAN HELP YOU:

- ➔ Plan your surplus projects
- ➔ Pick up your surplus items— from tires to trucks
- ➔ Sell your items to cities, counties, school districts and state agencies
- ➔ Sell your surplus goods on a national platform
- ➔ Get a return on your investment
- ➔ Re-purpose government assets to your organization at reduced cost
