Dear Mr. Lawyer:

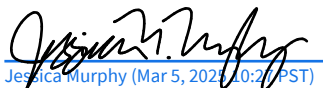

The Project Review Committee has determined that the Bellingham School District has met the criteria established in RCW 39.10 for public body GC/CM certification. As of February 27, 2025, the Bellingham School District is authorized to utilize GC/CM contracting procedures for projects for a period of three years.

The Bellingham School District's certification will extend through February 26, 2028. Please submit your application for recertification to the Project Review Committee at least three months prior to the initial expiration date.

Please contact PRC Admin at (360) 790-8322 or at PRC@des.wa.gov if you have any questions regarding this certification or the dates identified above.
