Re: Public Body GC/CM Project Approval

Dear Luis:

The Project Review Committee has determined the North Kitsap School District's District-Wide Safety, Security, and Equity Improvements project has met the criteria established in RCW 39.10.280 for public body project approval and is hereby authorized to utilize the GC/CM alternative contracting procedure.

If you determine that you wish to use the Alternative Subcontractor Selection Process on this project, please use the [GC/CM Project Application Supplement B](#) to apply for PRC approval.

Congratulations on the approval and good luck with your project.

Sincerely,

Jessica N Murphy
