**Project Evaluation Criteria
 General Contractor/Construction Manager**

Determine that the Agency's proposed use of GC/CM on the project meets the requirements for alternative contracting procedures:

- A. Provides substantial fiscal benefit or traditional delivery method is not practical.
- B. Project meets qualifying criteria under RCW 39.10.340. Public bodies may utilize the GC/CM procedure for public works projects where at least one of the following is met: *(Pass if meets 1 of 6)*
1. Implementation of the project involves complex scheduling, phasing, or coordination, or
 2. The project involves construction at an occupied facility which must continue to operate during construction; or
 3. The involvement of the GC/CM during the design stage is critical to the success of the project; or
 4. The project encompasses a complex or technical work environment; or
 5. The project requires specialized work on a building that has historic significance; or
 6. The project is, and the public body elects to procure the project as, a heavy civil construction project. However, no provision of this chapter pertaining to a heavy civil construction project applies unless the public body expressly elects to procure the project as a heavy civil construction project.
- C. Public Body has necessary experience or team: *(must meet all 6 to pass; 1 fail fails all)*
1. Project delivery knowledge and experience
 2. Sufficient contract administration personnel with construction experience
 3. Written management plan with clear & logical lines of authority
 4. Necessary & appropriate funding and time to carry out the project
 5. Continuity of project management team with project type & scope experience
 6. Necessary and appropriate construction budget
- D. Public Body has resolved any audit findings relative to previous projects.

Alternative Subcontractor Selection Process

Determine that the Public Agency's proposed use of alternative subcontractor selection by the GC/CM on the project meets the requirements for alternative subcontracting procedures: *(must meet all 6 to pass; 1 fail fails all)*

- E. Public Benefit
- a. Benefits of alternative subcontractor selection versus low bid selection
 - b. Process for determining if alternative subcontractor selection is in the best interest of the public
- F. Public Body Engagement/Knowledge
- a. Participation in the alternative subcontractor selection process
 - b. Oversight of the GC/CM during the alternative subcontractor selection process
 - c. Knowledge of Public Body responsibilities
 - d. Knowledge of audit requirements

Pass Fail

Reason for Determination Observations/Concerns:

Challenging site within footprint. This is a great candidate for GC/CM. Having a GC on board during the preconstruction phase will be beneficial.
