

Chris Jones, Landscape Architect

Walker|Macy

cjones@walkermacy.com

Chris is a registered, licensed Landscape Architect in the State of Washington, and principal of a private consulting firm. His nearly 20 year professional experience includes designing and managing signature museum projects, master plans, higher education, urban parks and open space, waterfronts, and private development. His work has received many awards and commendations for artful integration of architecture, place and culture. Chris' commitment to civic service extends beyond landscape architecture and serves the community in various capacities.

Chris was originally appointed to the Capitol Campus Design Advisory Committee by DES Director Chris Liu on January 1, 2018. His appointment will continue to December 31, 2020.
