

Daniel L. Miles, AIA

Bassetti Architects

DMiles@BassettiArch.com

As a private-sector principal architect at a private consulting firm, Dan is an exceptional project leader with a rare combination of management, communication, and design skills. He is a registered, licensed Architect in the State of Washington. With over 30 years of private professional practice, Dan's professional experience includes long range planning for public institutions and religious campuses, as well as the preservation, restoration and rehabilitation of historic structures. In addition to scholastic and historic projects, Dan's professional planning and design experience includes commercial, utilities, parks and recreation, and other facilities.

Dan was originally appointed to the Capitol Campus Design Advisory Committee by DES Director Chris Liu on June 8, 2017. His appointment will continue to December 31, 2020. Dan currently serves as the committee's 2018 Vice Chair.
