

5. Demonstrated Success in Managing Public Works Projects Involving All Types of Contracting Procedures (RCW 39.10.270 (2)(b)) *Limit responses to two pages or less.*

Please provide a table with the following information for a maximum of twenty-five (25) public works projects with a total cost of at least \$5M each that your organization has managed over the past 10 years:

- Name of project
- Description of project
- Total project cost
- Method of delivery (GC/CM, DB, etc.) Use the delivery abbreviations in Section 4.
- Lead Design Firm (including current contact information)
- General Contractor or Design-Builder (including current contact information)
- Planned construction start at authorization date
- Planned completion date
- Actual construction start date
- Actual completion date
- Reason for schedule overrun (if any)
- Original budget at authorization (not including land acquisition)
- Final Cost
- Reason for cost overrun (if any)

**If the public body has fewer than twenty-five (25) applicable projects, it may list projects under \$5 million if they believe them to be relevant.*

***If the public body has more than twenty-five (25) applicable projects, they should state the number of projects they have managed and provide a list of the twenty-five (25) projects it believes are most relevant.*

6. Demonstrated Success in Managing at Least One Project Using DB Contracting Procedure Within the Last Five Years (RCW 39.10.270 (2)(b)) *Limit response to one page or less.*

In addition to the information provided in response to Question 5 about projects that your organization has managed using the alternative contracting procedure, please provide a narrative discussion with the following information:

- Appropriateness of the alternative contracting method used for the project(s).
- Honorarium amount awarded for the project (s).

- Lessons learned from your experience.

7. Ability To Properly Manage the Public Body's Capital Facilities Plan (RCW 39.10.270 (2)(b)(vi)) *Limit response to one page or less.*

As part of this statutory requirement, the PRC needs to determine that the public body has the appropriate project planning and budgeting experience. In addition to the information that has been requested in previous questions, please provide other information to assist the PRC to determine whether the organization has project planning and budgeting experience.

8. Ability to Meet the Requirements of Chapter 39.10 of the Revised Code of Washington (RCW 39.10.270 (2)(b)(vii)) *Limit Response to one page or less.*

Please provide any information not presented in your answers to Questions 2-7 further demonstrating your organization's ability to meet the requirements of this chapter to include:

- Honorarium determination process for design-build projects;
- Procurement process if public body has multiple divisions, departments, or agencies;
- Utilization of alternative dispute processes; and
- Project contingency determination.

9. Resolution of Audit Findings on Previous Public Works Projects

(RCW 39.10.270 (2)(c)) Limit response to one page or less.

If your organization had audit findings on **any** project identified in your response to Question 6, please specify the project, briefly state those findings, and describe how your organization resolved them.

10. Subcontractor Outreach

Please describe your subcontractor outreach and how the public body will encourage small, women and minority-owned business participation.

SIGNATURE OF AUTHORIZED REPRESENTATIVE

In submitting this application, you, as the authorized representative of your organization, understand that the PRC may request additional information about your organization, its construction history, and the experience and qualifications of its construction management personnel. You agree to submit this information in a timely manner and understand that failure to do so may delay action on your application.

PRC strongly encourages all project team members to read the Design-Build Best Practices Guidelines as developed by CPARB and attend any relevant applicable training. If the PRC approves your request for certification, you also ~~agree to notify CPARB when your organization approves the construction of a project using the alternative contracting procedure(s) for which you are certified; and to participate in brief, state-sponsored surveys at the start and completion of each of these construction projects. You understand that this information will be used in a study by the state to evaluate the effectiveness of the alternative contracting procedure(s).~~ **agree to provide information to CPARB if they decide to collect data in the future.** Public bodies may renew their certification or re-certifications for additional three-year periods provided the current certification has not expired.

I have carefully reviewed the information provided and attest that this is a complete, correct and true application.
