APPLICATION FOR PROJECT APPROVAL
To Use the General Contractor/Construction Manager (GC/CM)
Alternative Contracting Procedure

The CPARB PRC will only consider complete applications: Incomplete applications may result in delay of action on your application. Responses to Questions 1-7 and 9 should not exceed 20 pages (font size 11 or larger). Provide no more than six sketches, diagrams or drawings under Question 8.

Identification of Applicant
a) Legal name of Public Body (your organization):

b) Address:

c) Contact Person Name: Title:

d) Phone Number: E-mail:

1. Brief Description of Proposed Project
a) Name of Project:

b) County of Project Location:

c) Please describe the project in no more than two short paragraphs. (See Example on Project Description)

2. Projected Total Cost for the Project:
A. Project Budget
Costs for Professional Services (A/E, Legal etc.) $ 
Estimated project construction costs (including construction contingencies): $ 
Equipment and furnishing costs $ 
Off-site costs $ 
Contract administration costs (owner, cm etc.) $ 
Contingencies (design & owner) $ 
Other related project costs (briefly describe) $ 
Sales Tax $ 
Total $ 

B. Funding Status
Please describe the funding status for the whole project. Note: If funding is not available, please explain how and when funding is anticipated

3. Anticipated Project Design and Construction Schedule
Please provide:
The anticipated project design and construction schedule, including:
a) Procurement;
b) Hiring consultants if not already hired; and
c) Employing staff or hiring consultants to manage the project if not already employed or hired. (See Example on Design & Construction Schedule)

4. Why the GC/CM Contracting Procedure is Appropriate for this Project
Please provide a detailed explanation of why use of the contracting procedure is appropriate for the proposed project. Please address the following, as appropriate:
• If implementation of the project involves complex scheduling, phasing, or coordination, what are the complexities?
• If the project involves construction at an existing facility that must continue to operate during construction, what are the operational impacts on occupants that must be addressed?

  Note: Please identify functions within the existing facility which require relocation during construction and how construction sequencing will affect them. As part of your response you may refer to the drawings or sketches that you provide under Question 8.

• If involvement of the GC/CM is critical during the design phase, why is this involvement critical?

• If the project encompasses a complex or technical work environment, what is this environment?

• If the project requires specialized work on a building that has historical significance, why is the building of historical significance and what is the specialized work that must be done?

• If the project is declared heavy civil and the public body elects to procure the project as heavy civil, why is the GC/CM heavy civil contracting procedure appropriate for the proposed project?

5. Public Benefit

In addition to the above information, please provide information on how use of the GC/CM contracting procedure will serve the public interest. For example, your description must address, but is not limited to:

• How this contracting method provides a substantial fiscal benefit; or

• How the use of the traditional method of awarding contracts in a lump sum is not practical for meeting desired quality standards or delivery schedules.

• In the case of heavy civil GC/CM, why the heavy civil contracting procedure serves the public interest.

6. Public Body Qualifications

Please provide:

• A description of your organization’s qualifications to use the GC/CM contracting procedure.

• A Project organizational chart, showing all existing or planned staff and consultant roles.

  Note: The organizational chart must show the level of involvement and main responsibilities anticipated for each position throughout the project (for example, full-time project manager). If acronyms are used, a key should be provided. (See Example on Project Organizational Chart)

• Staff and consultant short biographies (not complete résumés).

• Provide the experience and role on previous GC/CM projects delivered under RCW 39.10 or equivalent experience for each staff member or consultant in key positions on the proposed project. (See Example Staff/Contractor Project Experience and Role. The applicant shall use the abbreviations as identified in the example in the attachment.)

• The qualifications of the existing or planned project manager and consultants.

• If the project manager is interim until your organization has employed staff or hired a consultant as the project manager, indicate whether sufficient funds are available for this purpose and how long it is anticipated the interim project manager will serve.

• A brief summary of the construction experience of your organization’s project management team that is relevant to the project.

• A description of the controls your organization will have in place to ensure that the project is adequately managed.

• A brief description of your planned GC/CM procurement process.

• Verification that your organization has already developed (or provide your plan to develop) specific GC/CM or heavy civil GC/CM contract terms.

7. Public Body (your organization) Construction History:

Provide a matrix summary of your organization’s construction activity for the past six years outlining project data in content and format per the attached sample provided: (See Example Construction History. The applicant shall use the abbreviations as identified in the example in the attachment.)

• Project Number, Name, and Description

• Contracting method used

• Planned start and finish dates
• Actual start and finish dates
• Planned and actual budget amounts
• Reasons for budget or schedule overruns

8. **Preliminary Concepts, sketches or plans depicting the project**

To assist the PRC with understanding your proposed project, please provide a combination of up to six concepts, drawings, sketches, diagrams, or plan/section documents which best depict your project. In electronic submissions these documents must be provided in a PDF or JPEG format for easy distribution. *(See Example concepts, sketches or plans depicting the project.)* At a minimum, please try to include the following:

- A overview site plan *(indicating existing structure and new structures)*
- Plan or section views which show existing vs. renovation plans particularly for areas that will remain occupied during construction.

*Note: Applicant may utilize photos to further depict project issues during their presentation to the PRC.*

9. **Resolution of Audit Findings on Previous Public Works Projects**

If your organization had audit findings on any project identified in your response to Question 7, please specify the project, briefly state those findings, and describe how your organization resolved them.

**CAUTION TO APPLICANTS**
The definition of the project is at the applicant’s discretion. The entire project, including all components, must meet the criteria to be approved.

**SIGNATURE OF AUTHORIZED REPRESENTATIVE**
In submitting this application, you, as the authorized representative of your organization, understand that: (1) the PRC may request additional information about your organization, its construction history, and the proposed project; and (2) your organization is required to submit the information requested by the PRC. You agree to submit this information in a timely manner and understand that failure to do so shall render your application incomplete.

Should the PRC approve your request to use the GC/CM contracting procedure, you also understand that: (1) your organization is required to participate in brief, state-sponsored surveys at the beginning and the end of your approved project; and (2) the data collected in these surveys will be used in a study by the state to evaluate the effectiveness of the GC/CM process. You also agree that your organization will complete these surveys within the time required by CPARB.

I have carefully reviewed the information provided and attest that this is a complete, correct and true application.
