Subject: Interest in serving a three-year term on the Project Review Committee (PRC)
in the General Contractor seat.

Dear Ms. Baker:

Please accept this letter of interest in serving on the PRC for a position as a
representative for General Contractor. My current term on the PRC expires this June.

I have over 22 years of experience in construction management in Design Bid Build,
Design Build, Job Order Contracting and General Contractor/Construction Manager. I
am a licensed engineer and hold current Project Manager Professional and LEED AP
credentials. I have a very good understanding of the RCW 39.10 and serve as the Vice
Chair on the JOC Evaluation Committee. In March of 2015, I received the AGC
Education Foundation two-day training certification for the General
Contractor/Construction Manager Workshop. I am presently a Project Executive at
Centennial and responsible for the Northwest Operations. Centennial is a nationwide
contractor that specializes in managing framework contracts for both public and
private clients.
