

WA State Contractor Certification-Wage Theft Prevention: Goods and Services Contracts

(Total Time: 24 minutes)

You should take this course if you are a procurement professional who awards contracts. The Washington State Legislator's new mandate regarding wage theft went into effect on July 23, 2017. This training provides a brief summary on how to implement the new responsible bidder criteria in an efficient, cost-effective manner.

In order to receive credit for this course, you must have successfully completed it through the Learning Management System (LMS).

We strongly recommend you print the presentation for the course. As you proceed through the training, use the presentation to write down any notes and/or questions you might have.

Performance Objectives:

- Understanding the purpose of the statutory change
- Provide operational tools to implement Legislative direction efficiently

Upon completion of this course, participants will be able to:

- ✓ Define Wage Theft
- ✓ Combat Wage Theft
- ✓ Recognize the wide variety of Wage Theft situations: FLSA
- ✓ Use the Contractor Certification template
- ✓ Learn where to find additional resources on Wage Theft

Competencies covered in this course: Responsible procurement professionals, development and continual learning.

Cost: None
