

Parking Administration Fee

Employees and agencies pay a monthly fee to park in assigned parking lots owned or leased by the state and managed by Enterprise Services.

Enterprise Services also leases parking meters for visitor parking lots and collects the parking fees to pay for the property costs and meter leases.

Service rates

Charges are generally \$25 per month per stall for employees, and \$75 per month per stall for state vehicles. For a complete fee schedule, go to:

<http://www.des.wa.gov/services/Travel/Parking/Pages/ParkInformation.aspx>.

Visitor parking rates are \$1.50 per hour weekdays from 8 a.m. to 5 p.m. Parking is free on evenings and weekends.

Included services

This fee allows the employee or agency vehicle to park in the assigned parking facility. It includes administration, customer service and billing for the parking facilities.

Who can use these services?

Employees are assigned to specific parking areas based on the location of the employee's workplace and availability of space in near-by parking areas. Assigned parking on the Capitol Campus is reserved for employees who work there. Off-site employees may be assigned parking on a space-available basis where there is not a waiting list. Off-site employees may be asked to cancel their parking if the area becomes full.

Visitors can park in any of the more than 600 visitor parking spaces available on the Capitol Campus.
